CITY OF FRESNO
City Clerk's Office (Original)

AMENDMENT NO. 1 TO COOPERATIVE PROJECT AGREEMENT
Short-Term Regional Transportation Program (STRTP)
Project G Urban, Monterey Street Bridge Project

This Amendment No. 1 to the Cooperative Project Agreement for STRTP Project G Urban, Monterey Street Bridge Project ("**Amendment**") is made and entered into the 18th day of August, 2010 by and between the Fresno County Transportation Authority ("Authority") and the City of Fresno ("Responsible Agency").

1. PARTIES. The Authority and the City of Fresno are collectively referred to herein as "the Parties".

2. RECITALS.

2.1 WHEREAS, the Parties entered into the Cooperative Project Agreement for Project G Urban, Monterey Street Bridge, ("**Agreement**"), dated June 1st, 2009, for funding of a transportation improvement project ("**Project**") in Fresno County pursuant to the Measure "C" Short-Term Regional Transportation Program Handbook ("**Handbook**"), and the Fresno County Measure "C" Expenditure Plan ("**Expenditure Plan**"), which was approved by the voters of Fresno County in November, 2006; and,

WHEREAS, Authority is authorized to approve and revise Project funding for payment to Responsible Agency in accordance with the Agreement, the Handbook and the Expenditure Plan regarding the Project G Urban, Monterey Street Bridge; and,

WHEREAS, Authority shall provide funding to Responsible Agency for eligible Project costs "not to exceed" **$1,602,000** of Measure "C" funding and that will remain unchanged by this Amendment.

2.2 The Parties now desire to amend the statements defining and delineating the Project Scope, Project Schedule and Project Funding Program, as set forth in the original Agreement, based on the following:

- Responsible Agency desires to redefine the project scope, for the STRTP Project G Urban, Monterey Street Bridge Project, from rehabilitation to demolition of the Monterey Street Bridge, per the revised Exhibits as more thoroughly described in Section 3.1 of this Amendment. This redefinition of the scope does not alter the maximum total approved Measure "C" Regional Transportation Program ("**Measure C**") funding amount authorized by the original Agreement.

3. TERMS.

3.1 Exhibit "A" (Project Scope), Exhibit "B" (Project Schedule) and Exhibit "C" (Project Funding Program), which hereinafter shall be referenced collectively the "Original Exhibits" as set forth in Section 1.1 of the original Agreement, and fully incorporated therein by the provisions of Section 3.23 thereof, shall be and are hereby replaced by: Exhibit "A1" (Project Scope), Exhibit "B1" (Project Schedule) and Exhibit "C1" (Project Funding Program), which are attached hereto and incorporated herein by this reference, commencing upon the Effective Date of this Amendment to the Agreement.

3.2 All work performed by the Responsible Agency under the Agreement prior to the Effective Date of this Amendment shall be governed by and compensated pursuant to the Original Exhibits and the terms of the original Agreement. All work performed commencing on or after the Effective Date of this Amendment shall be governed by and compensated pursuant to terms of the Agreement as amended herein.

3.3 Effective Date. The Effective Date of this Amendment to the Agreement shall be 12:01 a.m. of the day following the date upon which it is signed by the Parties. In the event this Amendment to the Agreement is signed by the Parties on different dates, the Effective Date shall be 12:01 a.m. of the day following that date upon which it is signed by the second of the Parties.

3.4 All other terms and conditions contained in the Cooperative Project Agreement are unaffected by this Amendment and shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned parties have executed this Agreement on the day and year first written above.

EXHIBIT A1 – PROJECT SCOPE

Urban Project G – Monterey Street Bridge Project

Responsible Agency
City of Fresno

Project Limits
The project limits include the Monterey Street Bridge between Golden State Boulevard and Broadway Street.

Project Phase *(Choose the Project Phase(s) applicable to this Agreement)*
- ☒ Phase 1 - Preliminary Engineering *[Includes Preliminary Design/Engineering (PS&E) and Environmental]*
- ☐ Phase 2 - Right-of-Way Acquisition
- ☒ Phase 3 - Construction *(Includes Project Construction & Construction Management)*

Project Phase(s) Scope *(Provide detail to describe the Phase(s) that is the subject of this Agreement as checked above)*
The project scope consists of the demolition and complete removal of the existing bridge which parallels the SR-41 freeway viaduct, spanning Monterey Street and the Union Pacific Railroad, connecting Golden State Boulevard to downtown Fresno at Broadway Street. Phase 1 includes development of PS&E and preparation of the environmental documents to comply with CEQA requirements. Phase 3 involves demolition of the Project and construction management services. Measure C funds are providing the funds for the project.

Complete Project Scope *(Provide detail to describe all phases of the Project - It is important for the Authority to understand the scope of the entire Project; not just the Project phase(s) that is described above)*
Phase 1 will involve the preparation of Plans and Specifications to facilitate the safe and orderly demolition of the structure. The demolition will remove the entire structure including piers, abutments, footings and embankments. This phase will also include the preparation of environmental documents in compliance with CEQA requirements. It is not necessary to obtain right of way for this project, therefore Phase 2 will not be included with this project. Phase 3 will involve the demolition of the structure and construction contract administration.

Project Purpose
The purpose of this project is to demolish the Monterey Street Bridge.

Transportation Benefit
The project will remove a structurally deficient structure.

Implications of Not Doing the Project
The bridge is currently closed to traffic. If this project is not completed, the bridge will remain in place.

Community Engagement
The City held a workshop and public hearing in 2010 to discuss the options for the bridge – rehabilitation or demolition. The City Council decided to demolish the bridge.

Construction Staging
Construction phasing will be implemented to reduce or eliminate the potential impacts on adjacent residences and businesses.

Detours
The bridge is currently closed to traffic. Detours will not be required.

Current Status
A Retrofit and Rehabilitation Strategy Report was completed in 2010 which determined that due to the condition of the concrete, it was not cost effective to rehabilitate the Monterey Street Bridge. Phase 1 will begin upon approval of funding. Phase 3 will begin upon approval of the plans and specifications.

Contact
For inquiries, you may contact Scott Mozier, P.E., with the City of Fresno Public Works Dept. at (559) 621-8650.
