What's New

This section highlights recent changes. We hope these changes are helpful and we encourage you to share this information with other passengers.

1. FAX has added service to Clovis Community College! Route 3 now provides service from the El Paseo Shopping Center at Herndon and Riverside (close to Highway 99) to the Clovis Community College and the Clovis North Education Center at Willow and International, serving medical centers, commercial areas, and housing developments along the way. This route provides service every 45 minutes on weekdays and weekends. See pages 25–27 of the Schedule Guide for the updated route map and timetables.
2. Minor scheduling changes have been made to Routes 28 and 38 to better facilitate transfers. See the updated timetables on pages 45–48 and 66–69.
3. New Transfer Policy: Effective January 3, 2022, transfers will be valid for 90 minutes with no restrictions. This means that passengers can make transfers in any direction on all routes within the 90–minute transfer time.
4. Enjoy free Wi-Fi on the Q! The Route 1 Bus Rapid Transit line now offers free Wi-Fi for 30 minutes at a time.
5. FAX has deployed its first two 100% zero emission battery electric buses. Look for these new buses along Route 38. More electric buses are on the way soon, helping to clean up our air and providing more sustainable transportation choices in our region.

As always, thank you for riding FAX.

Welcome Aboard FAX!

WE ARE FRESNO'S FAST & EFFICIENT TRANSIT SYSTEM… offering 18 fixed-route bus lines and Handy Ride Paratransit Service, all designed to help you get wherever you need to go! We take pride in serving the greater Fresno Metropolitan Area with high-quality transit service - with a modern fleet of over 115 buses and a dedicated team of transit professionals. Fresno Area Express is operated by the City of Fresno as a public service to all the residents and visitors of Fresno.

FIND THE CORRECT BUS ROUTE – The first step in riding the bus is finding the correct bus route (or routes) to reach your destination. Use the FAX System Map to determine which route is best. Remember that you can transfer from one route to another to reach your destination.

FIND OUT WHAT TIME THE BUS WILL ARRIVE AT YOUR STOP – Use this FAX Schedule Guide to find out what time the bus serves the route you are planning to use. FAX regular service hours are Monday through Friday 5:30 a.m. to 10:00 p.m., and weekends 6:30 a.m. to 7:00 p.m. Late night service is available on select routes until approximately midnight Monday through Saturday (see the Night Service map in the center of this Schedule Guide for details).

CATCHING THE BUS – Please remember that buses will only stop at designated stops. Designated stops include FAX bus stop signs that show which route(s) serves that stop. If you are seated at a shelter, or on a bus bench, please stand up, if you are physically able, to let the driver know you wish to board. If you are boarding with a stroller, please have the item folded and ready.

PAYING YOUR FARE – Cash, tickets, passes, and transfers can be used on all buses. If you use cash, exact fare is recommended because the fareboxes do not make change. Instead, you will receive a change card that can be used on future rides. Change cards cannot be redeemed for cash and will not be issued for values less than 25¢. Have your fare ready when the bus arrives. The farebox accepts $1, $5, $10, and $20 bills. Note: Every bus station along Route 1 (The Q), includes a ticket vending machine; FAX encourages passengers to prepay on Route 1 to speed up the boarding process and keep the bus moving on time.

LEAVING THE BUS – Be alert for your destination. To signal the bus driver to stop, pull the cord above the windows or press the rubber strip between the windows a minimum of one block before your desired bus stop. Wait until the bus comes to a complete stop before leaving your seat. Remember that buses will stop only at designated bus stops. Leave through the rear doors if possible to allow new passengers to board. At the end of the line, passengers must exit the bus.

TRANSFERS – Transfers are free with a paid fare and allow unlimited transfers for 90 minutes on all routes in any direction. Transfers must be requested from the bus driver at the time of boarding.

LOST AND FOUND – To inquire about lost items call **621-RIDE**. If possible, let us know the date and description of the item so that we may better assist you in locating the lost item(s).

NOTICE TO RIDERS WHO HAVE MEDICARE CARDS – Riders who possess a Medicare Card and proper identification are eligible for a 50¢ one-way fare at all times.

FAX CARTS AND CARGO POLICY – FAX bus drivers and supervisors have the authority to determine if a cart, a stroller, or other items are too big or dangerous to be transported safely on the bus. Riders are limited to bags or items that can be reasonably carried on their laps when seated or placed safely under, or in front of, their seats. Please refer to the FAX Carts and Cargo Policy located on our website here: **fresno.gov/fax/carts-and-cargo-policy/**

Continued on page 10

ACCESSIBILITY – All FAX buses have entry ramps for easy access by passengers who use wheelchairs or other mobility devices, or have difficulty climbing steps. Walkers/Rollators (4-wheeled walkers with seats) must be folded and placed out of the aisles. Walker and Rollator users must always sit in a regular bus seat. Walkers and Rollators cannot be used as a seat while riding the bus and may not be secured in the wheelchair securement area.

HANDY RIDE – Handy Ride is a FAX service designed to transport eligible persons with disabilities. The service is available to those persons who, because of the nature of their disability, are unable to use the FAX fixed-route system. Handy Ride is a curb-to-curb service provided from any origin to any destination within the service area, for any trip purpose. It is a shared-ride service, which means you may share your ride with other riders. You must be at the curb at your designated pick-up time.
