SUBJECT: APPROVAL FOR A TWO-YEAR CONTRACT EXTENSION OF THE CURRENT MASTER AGREEMENT BETWEEN THE FRESNO CITY COLLEGE POLICE ACADEMY AND THE FRESNO POLICE DEPARTMENT FOR CONTRACT INSTRUCTION, ASSESSMENT, AND COUNSELING SERVICES

RECOMMENDATION

Staff recommends that the City Council approve a two-year extension to the current contract between the Fresno City College Police Academy and the Fresno Police Department for contract instruction, training credit and assessment services. This two-year contract extension continues to authorize the \$3.25 fee per instructional hour per student received from Fresno City College.

EXECUTIVE SUMMARY

The Fresno City College Police Academy has served as the Police Department's contracted instructor since 1997, providing training credit for employees. Pursuant to Section 5, subpart "b" of the Master Agreement, the parties wish to extend the agreement for two additional years and maintain the \$3.25 fee per instructional hour per student received from Fresno City College. Training remains a high priority for the Department despite budget constraints. This Master Agreement extension allows the current funding stream for employee training to continue uninterrupted from July 1, 2011, through June 30, 2013. In this "win-win" scenario, Fresno City College receives funding for student enrollment and the Police Department receives a portion of that funding for providing students who are mandated to receive the training.

BACKGROUND

The Fresno City College Police Academy has served as a training provider for the Police Department since 1997, providing training, course credit, and payment for instructional hours. Fresno City College additionally processes all related documentation such as course registration, payment processing, and the updating of student records. This long-standing partnership benefits the Police Department as it allows for a small percentage of instructional costs to be returned to the Department, extending the Department training budget, and furthering the Department's ability to provide training opportunities for employees and outside agencies. Fresno City College benefits from increased student usage, and attendance ratings.
