SUBJECT: CITY COUNCIL TO:

- 1) AUTHORIZE THE CHIEF OF POLICE TO NEGOTIATE AND ENTER INTO A JOINT AGREEMENT SUBJECT TO CITY ATTORNEY APPROVAL; BETWEEN THE CITY OF FRESNO, POLICE DEPARTMENT, CITIES OF CLOVIS, HURON, COALINGA, MENDOTA, FIREBAUGH, KERMAN, KINGSBURG, REEDLEY, PARLIER, FOWLER, ORANGE COVE, SELMA, SANGER, AND THE COUNTY OF FRESNO, DISTRICT ATTORNEY'S AND SHERIFF'S OFFICES;

- 4) AUTHORIZE THE 2nd AMENDMENT OF THE POSITION AUTHORIZATION RESOLUTION NO. 2012-126

RECOMMENDATIONS

It is recommended that Council authorize the Chief of Police to negotiate and enter into a joint Memorandum of Understanding (MOU) between the City of Fresno, Cities of Clovis, Coalinga, Huron, Firebaugh, Mendota, Orange Cove, Parlier, Fowler, Kerman, Kingsburg, Reedley, Sanger, Selma, and County of Fresno to accept funding of \$1,019,594 from the California Board of State and Community Corrections (BSCC), authorize the 2nd Amendment to the Position Authorization Resolution (PAR) and authorize the 47th Amendment to the Annual Appropriation Resolution (AAR) to appropriate \$1,019,600 into the FY/2013 budget.

EXECUTIVE SUMMARY

The Governor's Office has approved the 2012 state budget which allocates \$24 million to local law enforcement statewide for front-line law enforcement needs. These funds are legislatively identified for three years. The state charged the BSCC with developing a formula for disbursement. BSCC voted to distribute \$24 million in grants to law enforcement. Fresno County is designated to receive \$1,019,594, with the Fresno Police Department identified as the fiscal agent. Council approval is needed to accept this funding and to authorize the 2nd Amendment to the PAR 2012-126 and the 47th Amendment to the AAR 2012-125 to appropriate \$1,019,600 into the FY/2013 budget.

BACKGROUND

Current economic conditions have resulted in budget reductions to law enforcement statewide. To help mitigate these reductions, the state budget includes \$24 million in the General Fund to create a new program for city police departments. These funds are legislatively identified for a period of three years; however, funding beyond that period is uncertain. The California Police Chiefs' Association (CPCA) will seek an increase in funding in future years for sustainability of the program.

BSCC voted to distribute the \$24 million in grants based on a formula developed by the CPCA. The formula divides the money among California's counties based on a number of factors, including local budget cuts, crime trends, and the ability of the local agencies to make effective use of the money.

Fresno County will receive \$1,019,594. One city in each county has been identified to be the fiduciary agent for this funding and will allocate the funds based on the collective decision of local law enforcement. On February 1, 2013, members of the Fresno Madera Counties Police Chiefs' Association (Association) and a representative of the Fresno County District Attorney's Office met to discuss the allocation of funds, various community needs, and the fiscal oversight of funds. It was agreed the Fresno Police Department would be the fiscal agent on behalf of the Association. Continuing discussions among representatives have collectively agreed to the allocation of funds as set forth in the attached MOU.

Funding provided by the BSCC is intended for front-line law enforcement. We have committed to using funds regionally, in partnership with probation and other service providers; drawing upon data, and focusing on high-risk, serious, violent or habitually non-compliant offenders. We believe the greatest benefit from these funds will come from leveraged regional use. Some agencies have already committed resources to address crime impacts in their regions, specifically since the implementation of public safety realignment. Use of these funds to augment those efforts would be considered within the intent of the allocation.

FRESNO COUNTY'S PLAN

ELECTRONIC FILING

The District Attorney's Office staff presented a plan for the electronic filing of criminal complaint packages (e-filing) that would generate savings of staff time and funds for most agencies involved, which would in turn free up resources to fight crime. The Association agreed to allocate **\$488,623** to the District Attorney's Office to implement e-filing countywide. Case management and electronic case filing keeps out-of-pocket expenses low, gives concurrent access to case files by multiple parties and offers expanded search and reporting capabilities. The system also offers the ability to update dockets immediately and make them available to users, to file pleadings electronically with the court and to download and print documents directly from the court system.

COUNTYWIDE CRIME ANALYSTS

Six (6) Crime Analysts will be hired to provide systematic analysis for identifying and analyzing patterns and trends in crime. The analysts will provide information to metro areas as well as to the outlying rural areas.

The use of funds to hire regional analysts will serve to efficiently focus resources on the most serious, violent, habitually non-compliant persons who pose the greatest risk to communities while providing the structure and administrative support to demonstrate outcomes in the subsequent evaluation of efforts. We will allocate \$439,800 toward the hiring and costs of salary and fringe benefits for six Crime Analysts to develop and maintain an active database that can be shared between municipalities. Additionally, \$91,200 will be used for program operational costs to include, training, the purchase of hardware and software as needed for

developing a database and information sharing capabilities. Of the six (6) Crime Analysts one will be hired by the City of Clovis, and five (5) by the City of Fresno as outlined:

City of Clovis- \$82,300 is allocated to Clovis to hire one (1) Crime Analyst at **\$73,300**, and operational costs of **\$9,000** to include necessary training, and supplies.

City of Fresno- \$448,700 is allocated to Fresno. **We request to increase the PAR to hire five (5) Crime Analysts** that will provide analysis in both metro and rural areas of the greater Fresno areas. The total salary and fringe **\$366,500** for five analysts. The remaining **\$82,200** will be used for training, program development, and operational costs.

The training funds will allow the Crime Analysts to attend extensive training in the collection and dissemination of crime analysis and will provide systematic analysis for identifying and analyzing patterns and trends in crime and disorder. Information on patterns help law enforcement agencies deploy resources in a more effective manner, and assist detectives in identifying and apprehending suspects. Crime analysis plays a critical role in devising solutions to crime problems, and formulating crime prevention strategies. Quantitative social science data analysis methods are part of the crime analysis process; though qualitative methods such as examining police report narratives also play a role. These positions will allow us to effectively implement a regional effort to track and monitor career criminals; and help reduce crime and violence that is occurring in our neighborhoods.

FISCAL IMPACT

There is no fiscal impact.

BOARD OF STATE AND COMMUNITY CORRCIONS (BSCC)**

This Agreement is made and entered into this ____ day of May, 2013, by and between the COUNTY OF FRESNO, a political subdivision of the State of California (hereinafter referred to as COUNTY), The CITY OF CLOVIS, a municipal corporation (hereinafter referred to as CLOVIS), and the CITIES OF HURON, COALINGA, PARLIER, REEDLEY, SELMA, SANGER, KERMAN, KINGSBURG, ORANGE COVE, FIREBAUGH, FOWLER, and MENDOTA acting through their respective governing bodies, (hereinafter referred to as CITIES), and the CITY OF FRESNO, a municipal corporation (hereinafter referred to as CITY).

WHEREAS, this Agreement is made under the authority of Section 930 through 930.6 of the Government Code; and

WHEREAS, the Governor's 2012 State Budget allocated \$24million to local law enforcement statewide for front line law enforcement needs (the "Program"); and

WHEREAS, The Governor's budget charged the California Board of State and Community Corrections ("BSCC") with determining a formula for disbursement of the Program funds. BSCC voted to distribute funds of \$1,019,600 to Fresno County with allocation to be determined by the Fresno County Police Chief's Association, and the CITY, CLOVIS, CITIES and COUNTY have all agreed that the CITY will act as Fiscal Agent; and

WHEREAS, the State has legislatively identified these funds for a three year (3) period, and continuance of this program is contingent upon availability of future funding, and should funding cease, all parties have the option to continue or discontinue their participation in this program; and

WHEREAS, each governing body, in performing governmental functions or in paying for the performance of governmental functions hereunder, shall make that performance or those payments only from current Program revenues annually appropriated and available to that party; and

WHEREAS, each governing body finds that the performance of this Agreement is in the best interests of all parties, that the undertaking will benefit the public, and that the division of costs/allocation of funds fairly divides Program funding and compensates the performing party for the services or functions under this Agreement, and that all parties agree to support the e-filing system; and

WHEREAS, COUNTY and CLOVIS agree to use funds to support law enforcement needs regionally, and in collaboration with other police departments to address crime impacts, in partnership or collaboration with probation, employing best and promising practices, focusing on serious, violent crimes and habitually non-compliant offenders, to be supported by crime and data analysis for greatest impact and to provide evaluative information to support demonstration of outcomes, consistent with Program requirements; and

WHEREAS, Electronic case filing and Case management allows for concurrent access to case files by multiple jurisdictions, providing expanded search and reporting capabilities and saving time by eliminating travel. This system will allow users the ability to update dockets immediately, to file pleadings electronically with the court and to download and print documents directly from the court system, saving staff time; and

WHEREAS, the CITY, CITIES, CLOVIS and COUNTY believe it to be in their best interests to allocate the BSCC funds on the terms herein; and

WHEREAS, the CITY, CITIES, CLOVIS and COUNTY agree to comply with all requirements of the Project and in accordance with all applicable statutes, regulations, OMB circulars, and guidelines.

NOW THEREFORE, in consideration of the above recitals which are contractual in nature, and of the mutual promises contained herein, the COUNTY, CITIES, CLOVIS and CITY agree as follows:

Section 1.

Contingent upon State funding being available, the CITY agrees to allocate to the Fresno COUNTY District Attorney's office an amount of \$488,600 of Program funds for the implementation of E-filing and associated costs; to include the hiring of eight (8) staff assistants, printers, network fees and associated costs, office supplies and materials toward the implementation of the e-filing processes, and for the case management and electronic case filing. The process will reduce out of pocket expense, provide concurrent access to case files by multiple parties and provide expanded search and reporting capabilities. Costs are as shown in Exhibit A under COUNTY.

Section 2.

Contingent upon State funding being available, The CITY agrees to allocate to the City of CLOVIS Police Department the amount of \$82,300 of Program funds for the hiring of a Crime Analyst to develop and maintain an active data base that can be shared regionally between municipalities, training and other operational needs to include hardware, software and data sharing capabilities. Costs are shown in Exhibit A under CLOVIS.

Section 3.

Contingent upon State funding being available, The CITY shall use the remaining \$449,400 of Program funds to hire Crime Analysts and purchase software and hardware necessary for the Crime Analysts related to Quantitative Social Science data analysis and collection. Fresno will hire five (5) Crime Analysts to develop and maintain an active database to be shared regionally between municipalities. One of the five Crime Analysts will be housed at the Kingsburg Police Department and be supervised by a Kingsburg supervisor; the position will specifically focus on Eastern Cities in the County. The four other Crime Analysts will be housed at the Fresno Police Department and supervised by a Fresno Police supervisor; three of these four Crime Analysts will be focused on Fresno metropolitan crime data; the other of these four Crime Analysts will be housed in the Fresno Police Department and address Western Cities in the County. Funds will also be allocated toward training in the collection and dissemination of crime analysis and provide systematic analysis for identifying and analyzing patterns and trends in crime and disorder, and for costs associated with the development and operational needs of the program. Costs are shown in Exhibit A under CITY.

Section 4.

Nothing in the performance of this Agreement shall impose any liability for claims against CITY, COUNTY, or CLOVIS other than claims for which liability may be imposed by the California Tort Claims Act.

Section 5.

For the purpose of this section, PUBLIC ENTITY shall be defined to include COUNTY, CITIES, and CLOVIS.

PUBLIC ENTITY shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the CITY, PUBLIC ENTITY or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising directly or indirectly from the negligent or intentional acts or omissions of PUBLIC ENTITY or any of its officers, officials, employees, agents or volunteers in the performance of this Agreement.

CITY shall indemnify, hold harmless and defend PUBLIC ENTITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by CITY, PUBLIC ENTITY or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising directly or indirectly from the negligent or intentional acts or omissions of CITY or any of its officers, officials, employees, agents or volunteers in the performance of this Agreement.

In the event of concurrent negligence on the part of PUBLIC ENTITY or any of its officers, officials, employees, agents or volunteers, and CITY or any of its officers, officials, employees, agents or volunteers, the liability for any and all such claims, demands and actions in law or equity for such losses, fines, penalties, forfeitures, costs and damages shall be apportioned under the State of California's theory of comparative negligence as presently established or as may be modified hereafter.

This section shall survive termination or expiration of this Agreement.

Section 6.

The parties are acting in an independent capacity. Each of the parties agrees that it, including any and all of its officers, agents, and/or employees, shall have absolutely no right to employment rights and benefits available to the other party's employees. Each party shall be solely liable and responsible for providing to, or on behalf of, its own officers, agents, and/or employees all legally and contractually required employee benefits. In addition, each party shall be solely responsible and save the other party harmless from all matters relating to payment of each party's employees, including, but not limited to, compliance with applicable social security withholding and all other regulations governing such matters. Further and without limitation, each party to this Agreement will be responsible for its own actions in providing services under this Agreement and shall not be liable for any civil liability that may arise from the furnishing of the services by the other party.

Section 7.

The parties to this Agreement do not intend for any third party to obtain a right by virtue of this Agreement.

Section 8.

By entering into this Agreement, the parties do not intend to create any obligations express or implied other than those set out herein. Further, this Agreement shall not create any rights in any party not a signatory hereto.

Section 9.

Any and all notices between the parties provided for or permitted under this Agreement or by law shall be in writing and shall be deemed duly served when personally delivered to each party, or in lieu of such personal service, when deposited in the United States Mail, postage prepaid, addressed to each party at the address provided on the signature page of this Agreement.

Section 10.

Each party shall at any time during business hours, and as often as each party may reasonably deem necessary, make available to each other for examination all of its records and data with respect to the matters covered by this Agreement for a period of three (3) years following Program expiration.

Section 11.

The provisions of this Agreement are severable. The invalidity or unenforceability of any one provision in this Agreement shall not affect the other provisions.

Section 12.

The parties acknowledge that this Agreement in its final form is the result of the combined efforts of the parties and that, should any provision of this Agreement be found to be ambiguous in any way, such ambiguity shall not be resolved by construing this Agreement in favor of or against any party, but rather by construing the terms in accordance with their generally accepted meaning.

Section 13.

This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous agreements, negotiations, proposals, commitments, writing, advertisements, publications, and understandings of any nature whatsoever unless expressly included in this Agreement.

Section 14.

Each party represents that it and the person signing on its behalf has full authority to execute and enter into this Agreement.

- **This Agreement is subject to ratification by the approval of the Fresno City Council, Clovis, Huron, Coalinga, Firebaugh, Orange Cove, Reedley, Parlier, Kerman, Kingsburg, Fowler, Selma, Sanger, Mendota City Council and the Fresno County Board of Supervisors.**
