

RESOLUTION NO. 2009-78

A RESOLUTION OF THE COUNCIL OF THE CITY OF FRESNO,
CALIFORNIA, TO PROVIDE TENANT RELOCATION
ASSISTANCE

WHEREAS, in accordance with California Health and Safety Code section 17975.5(a) a city may advance relocation payments to tenant households that are displaced due to city code enforcement activities; and

WHEREAS, in accordance with California Health and Safety Code section 17975.5(a) if a city advances relocation payments pursuant to locally adopted policies, it is entitled to recover from the property owner any amount paid to a tenant household; and

WHEREAS, some residential rental units and single room occupancy buildings in the City have been found to have severe code violations and hazardous and/or substandard living conditions which threaten the health and safety of occupants, and often require that the tenant household vacate the structure to allow for extensive repairs or demolition of the structure; and

WHEREAS, these code violations and/or substandard living conditions are often caused by the negligence, deferred maintenance, or the illegal use of the structure as a residence by the property owner; and

WHEREAS, code violations may breach the owner's implied warranty of habitability, and could constitute constructive eviction of the tenant household from the residence; and

Adopted 3/31/09
Approved 4/9/09
Effective 4/9/09

WHEREAS, the difficulty of finding affordable replacement housing and the burden of incurring moving-related expenses creates a financial hardship for tenant households, particularly those who are low-income; and

WHEREAS, relocation assistance is necessary to ensure that displaced tenant households, as a direct result of a code enforcement activity, are relocated to comparable replacement housing; and

WHEREAS, relocation assistance is consistent with the City's Housing Element, Housing Replacement and Relocation Services policies, Uniform Relocation Assistance and Real Property Policy Act (URA); Section 104(d) of the Housing and Community Development Act of 1974, and State relocation law, under California Health and Safety Code Section 17975 et seq.; and

WHEREAS, property owners who fail to properly maintain residential rental properties, and/or create residential units illegally, should bear responsibility for the hardships their actions, or lack of action, create for the tenant household; and

WHEREAS, relocation is a necessary cost of code enforcement that should be the responsibility of the property owner, and the City should be reimbursed by the property owner for any of these costs that the City incurs in the code enforcement process; and

WHEREAS, the requirement to pay relocation costs under this resolution will encourage property owners to correct code violations and protect the public health, safety, and general welfare of the residents of the City; and

WHEREAS, the level of payments provided for in this resolution is reflective of the actual costs of relocation likely to be incurred by displaced tenant households--in particular, moving costs including, but not limited to, the cost of first and last months' rent, rental

deposits, and utility deposits, as well as other costs, both monetary and nonmonetary, associated with involuntary dislocation; and

WHEREAS, low-income tenant households are generally unable to obtain such sums and, as a result, are at great risk of becoming homeless; and

WHEREAS, delayed payment of relocation benefits may impose extreme hardship upon tenant households who then must themselves obtain the large sums necessary to relocate; and

WHEREAS, delayed payment may also require the City to expend general funds to provide tenant households with financial assistance for relocation; and

WHEREAS, any requirement to pay relocation benefits should contain disincentives for delayed payment in the form of appropriate penalties; and

WHEREAS, Council desires to adopt written policies pursuant to California Health and Safety Code section 17975.5 to allow the City to recover relocation payments to displaced tenant households from the property owner where the relocation was a result of a code enforcement activity.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Fresno as follows:

SECTION 1. Council adopts the Tenant Relocation Assistance Rules and Procedures attached to this resolution and incorporated herein as Exhibit "A."
