04-01 Administered by Deferred Compensation Board. This Plan shall be administered by the City of Fresno Deferred Compensation Board which shall represent the Employer and all participants in all matters concerning the administration of this Plan.

04-02 Deferred Compensation Board Duties and Responsibilities.

(a) Deferred Compensation Board to Adopt Rules and Regulations. The Deferred Compensation Board shall have full power and authority to adopt rules and regulations for the administration of the Plan, and to interpret, alter, amend, or revoke any rules and regulations so adopted.

(b) Deferred Compensation Board Action Fair and Reasonable. Every action taken by the Deferred Compensation Board shall be presumed to be a fair and reasonable exercise of the authority vested in or the duties imposed upon it. The Deferred Compensation Board and its individual members shall be deemed to have exercised their fiduciary duties with reasonable care, diligence, and prudence and to have acted impartially as to all persons interested, unless the contrary may be proven

by affirmative evidence.

04-03 Deferred Compensation Board Powers.

(a) Plan Prevails. In the event any form or other document used in administering this Plan, including but not limited to Participation Agreement and marketing materials, conflicts with the terms of the Plan, the terms of the Plan shall prevail.

(b) Decision Binding. The Deferred Compensation Board is authorized to determine any matters concerning the rights of any Participant under this Plan, and such determination shall be binding on the Participant and any Beneficiary thereof.

(c) Deferred Compensation Board to Interpret. The Deferred Compensation Board is authorized to construe this Plan and resolve any ambiguity in the Plan. The Plan and any form or other document used in administering the Plan shall be interpreted, and this Plan shall be administered, so as to comply with IRC Section 457, as amended, and the regulations of the Treasury Department promulgated thereunder.

(d) Deferred Compensation Board May Require Court Order. The Deferred Compensation Board or the Employer, if in doubt concerning the correctness of their action in making a payment of accumulated deferrals, may suspend payment until satisfied as to the correctness of the payment or the person to receive the payment or to allow the filing in any state court of competent jurisdiction of a civil action seeking a determination of the amounts to be paid and the persons to receive them. The Deferred Compensation Board and the Employer shall comply with the final orders of the court in any such suit, and the Participant, or the Participant and the Participant's Beneficiary, consent to be bound thereby. Whenever payment of accumulated deferrals is suspended pursuant to this section, the time for a Participant or Beneficiary making any election under Article VIII of this Plan, shall not begin until amount(s) and person(s) entitled are determined either by written agreement of all parties concerned or by a court judgment that has become final.

(e) Delegation of Authority. The Deferred Compensation Board may delegate its functions to be performed under this Plan to any designee with legal authority to perform such functions.

**ARTICLE V
PARTICIPATION IN THE PLAN**

05-01 Enrollment in the Plan. An Employee may elect to become a Participant in the Plan by executing a Participation Agreement approved by the Deferred Compensation Board or its designee, and delivered to the Employer.

05-02 Investment Options. As part of the Participation Agreement, the Participant shall be responsible for contacting the Trustee directly to select his/her investment option(s) from among those selected by the Deferred Compensation Board in its sole discretion from time to time, and to designate the amount of compensation to be deferred. The amount requested must equal at least ten (\$10.00) dollars per pay period and shall continue until changed or revoked pursuant to Section 05-06 of this Plan.

05-03 Deferral. By executing the Participation Agreement, the Participant consents to the Employer taking the necessary actions to defer the amount specified by the Participant from the Participant's gross compensation for each pay period. Deferral of compensation shall occur as soon as administratively possible after completing the Participation Agreement, or on such other date as may be permitted under the IRC.

05-04 Investment Vehicle Election and Direction of Investments.

(a) Investment Options. The Deferred Compensation Board shall establish such Investment Options as it deems necessary to provide Participants with a diversified range of alternatives. Each Investment Option shall be based upon its investment performance as well as its ability to provide a range of investment diversification under the Plan. The Deferred Compensation Board shall specify the investment objectives and characteristics of each Investment Option and the corresponding investment portfolio or portfolios and shall provide eligible Employees with a written description of each available Investment Option. The Deferred Compensation Board, in its sole discretion, may add, eliminate, or consolidate Investment Options and corresponding investment portfolios from time to time. In the event that an Investment Option is eliminated, the Deferred Compensation Board shall provide prior notice of such elimination, and if the Participants whose accounts were wholly or partially allocated to that Investment Option do not make a re-allocation, the Deferred Compensation Board shall reallocate such amounts to the available Investment Option or Investment Options that the Deferred

Compensation Board in its sole discretion deems most comparable to the eliminated Investment Option.

(b) Experience of Loss. In the event that the selected investment vehicle experiences a loss, the Participant's accumulated deferrals payable hereunder shall likewise reflect a loss, rather than income, for the period.

(c) Actions of Deferred Compensation Board. Any such action by the Deferred Compensation Board in investment funds, or approving of any such investment funds, shall not be considered to be either an endorsement or guarantee of any investment, nor shall it be considered to attest to financial soundness or the suitability of any investment for the purpose of meeting future obligations.

05-05 Designation of Beneficiary. A Participant may designate by the Participation Agreement, delivered to the Employer, a Beneficiary to receive any benefits which may be payable under the Plan upon the death of such Participant. A Participant may at any time, amend his or her Participation Agreement to change the designated Beneficiary. Any change in the beneficiary designation filed in proper form, shall become effective as of the date of delivery to the Deferred Compensation Board.

05-06 Modification of deferral or investment option(s). A Participant may change his/her deferral amount, change investment options, suspend participation in the Plan, or reinstate participation at any time. The Participant shall be responsible for contacting and notifying the Trustee of any modifications. Changes in the amount of the deferral must equal at least five (\$5.00) dollars per pay period. Investment changes may be made at any time subject to the terms of the Trustee/mutual fund provider(s). The requested change shall become effective at the earliest possible payroll period which allows sufficient time for the order to be processed through the City payroll section.

ARTICLE VI LIMITATION ON DEFERRALS

06-01 Deferral Limitation. Except as provided in Section 06-02, relating to catch-up provisions, the maximum amount of the compensation of any Participant which may be deferred under the Plan for each calendar year, shall not exceed the lesser of (1) 100% of the Participant's includible compensation or (2) \$15,000 in the year 2006, and thereafter adjusted for the calendar year to reflect increases in the cost-of-living, in accordance with IRC Section 457(e)(15) and 415(d). The Participant acknowledges the right of the Deferred Compensation Board to disallow deferral of

compensation under the Plan in excess of the limitations set forth in this Section. However, the Deferred Compensation Board shall have no duty or assume or incur any liability for failure to assure that amounts deferred are in compliance with such limitations.

06-02 Catch-up Provisions.

(a) Normal Catch-up Provision. Notwithstanding any provision in this Article to the contrary, with respect to any one or more of the three (3) taxable years ending before the date of the Participant's Normal Retirement Age, such Participant may elect to have Deferred Compensation contributed to the Plan in an amount not to exceed the lesser of (1) twice the dollar amount of the Deferral Limitation established in Section 6.01, or (2) the Underutilized Limitation. For purposes of this subsection, the Underutilized Limitation with respect to a Participant shall be equal to the sum of: the Deferral Limitation for the taxable year, and the excess of (i) over (ii) where: (i) equals the sum of the limitations set forth in IRC Section 457(b)(2) for all taxable years on or after December 31, 1978 in which the Participant was eligible to participate in this Plan or any other eligible deferred compensation plan sponsored by an entity within the State of California, and (ii) equals the sum of all Deferred Compensation made on behalf of such Participant for such taxable years plus his/her deferred compensation under any other eligible deferred compensation plan sponsored by an entity within the State of California.

(b) Age 50 Plus Catch-up Provision. Pursuant to IRC Section 414(v), Participants turning age 50 by the end of the Plan year (or such other date as the Treasury Department may require by regulations) may contribute additional annual contributions each year, which shall be the lesser of:

(i) Compensation reduced by elective deferrals made to other plans; or

(ii) A specified dollar limit as provided in IRC Section 414(v). Those dollar limits are, an additional \$5,000 in the year 2006, thereafter adjusted for the calendar year to reflect increases in the cost of living in accordance with IRC Sections 457(e)(15) and 415 (d).

The age fifty catch-up contributions can be made beginning in the year in which the Participant reaches age fifty and for as many years as the Participant desires; however, the age fifty catch-up contribution may not be used in the same year as the Normal Catch-up Provision for which the additional contributions permitted under IRC Section 457(b)(3) applies to such Participant, to the extent required by applicable statute or

regulations.

ARTICLE VII TRANSFERS AND ELIGIBLE ROLLOVERS

07-01 Rollover Contributions.

(a) **Eligible Deferred Compensation Plans:** The direct transfer and/or rollover contribution of an Eligible Rollover Distribution from another eligible deferred compensation plan (as defined in IRC Section 457(b)) shall be accepted and allocated to a Participant's Account under this Plan provided that such amounts are in cash or other property acceptable to the Deferred Compensation Board. The Deferred Compensation Board may request proof that the prior plan is an eligible deferred compensation plan under IRC Section 457(b). Direct transfer and/or rollover contribution amounts shall not be subject to the limitations of Article VI; provided, however, that the actual amount deferred during the calendar year under both the prior plan and the Plan shall be taken into account in calculating the deferral limitations for that year. For purposes of determining the limitations set forth in Article VI, years of eligibility to participate in the prior plan and deferrals under the prior plan shall be taken into account to the extent required by IRC Section 457.

(b) **Other Eligible Retirement Plans:** The direct transfer and/or rollover contribution of an Eligible Rollover Distribution from another Eligible Retirement Plan (other than an eligible deferred compensation plan) shall be accepted and allocated to a Participant's Account under this Plan provided that such amounts are in cash or other property acceptable to the Deferred Compensation Board. The Deferred Compensation Board may request verification that the prior plan is an Eligible Retirement Plan. Direct transfer and rollover contribution amounts shall not be subject to the limitations of Article VI. In addition, in order for Eligible Rollover Distributions to be accepted by this Plan, the Deferred Compensation Board may request verification that (1) the amounts to be transferred are not subject to a QDRO, and (2) spousal consent, if required to transfer such amounts from the prior plan, has been obtained.

Amounts shall be identified as to source and nature (such as non-deductible employee contributions, elective deferral amounts and deemed elective deferral amounts subject to the provisions of IRC Section 401(k), employer contributions, etc.) Any amounts accepted for contribution under this Section 07-01(b) shall be allocated to one or more sub-accounts within the Participant's Account. The sub-account(s) will share in the

investment gains and losses experienced by the Account as a whole; however, it will be separately accounted for taxation and distribution purposes as required under IRC Section 457.

07-02 Transfers to Certain Plans for the Purchase of Service Credit.

(a) Direct Trustee to Trustee Transfer: Any Participant who is also a Participant in a defined benefit governmental plan (as defined in IRC Section 414(d)) may have a direct trustee to trustee transfer made from this Plan to the defined benefit governmental plan if the transferred assets are used for:

- (i) the purchase of service credits (as defined in IRC 415(n)(3)(A)) in the defined benefit governmental plan; or
- (ii) a repayment of a cash out from the defined benefit governmental plan which meets the requirements of IRC Section 415(k)(3).

(b) Application for Transfer: If the conditions in subsections (i) and (ii) of this Section are met and the Participant wishes to transfer his/her account, he/she shall complete any application form and/or other documents as may be required by the Deferred Compensation Board.

(c) Administrative Rules: The Deferred Compensation Board shall prescribe such rules consistent with the provisions of Subsections (i) and (ii) of this Section concerning plan-to-plan transfers as in its sole judgment it deems desirable for the orderly administration of the Plan.

**ARTICLE VIII
DISTRIBUTION OF BENEFITS**

08-01 Inactive De Minimis Accounts.

(a) Voluntary Withdrawals: A Participant shall be entitled to request a withdrawal of his/her account, other than that portion attributable to a rollover of contributions, provided that:

- (i) the total amount credited to the Participant's account does not exceed \$5,000 (or as may be revised by the Internal Revenue Service and/or Department of Labor);
- (ii) the Participant has not authorized Deferred Compensation

under the Plan during the two (2) year period immediately preceding such request; and

(iii) the Participant has not previously applied for a withdrawal under this Section.

The amount of the Participant's account attributable to rollover contributions shall not be considered in determining whether the Participant's account is less than \$5,000.

08-02 Distribution Upon the Death of Participant or Beneficiary. Should the Participant die at any time, accumulated deferrals shall be paid to the Beneficiary designated by the Participation Agreement. If no Beneficiary is designated as provided in the Participation Agreement, or if the designated Beneficiary does not survive a period of thirty days, then a lump sum shall be paid, to the surviving spouse, or if none, a lump sum shall be paid to the estate of the Participant.

08-03 Elections Regarding Distribution. Each participant (or in the event of death, each Beneficiary other than an organization, estate, or trust) shall direct the Trustee regarding the details of paying out his/her account. The Participant/Beneficiary may change this direction from time to time within the distribution rules that apply to all qualified plans and within the constraints of the Trustee. Any amount payable to an organization, estate, or trust shall be paid in a lump sum as prescribed in Sections 08-02 and 08-04(c).

08-04 Distribution of Deferrals.

(a) General Rule. Upon retirement or severance from employment with the City of Fresno, and assuming a request is made to the Trustee, payment will be made in at least annual, quarterly, or monthly payments as requested by the Participant.

(b) Distribution to Participant. Payment must be sufficiently rapid to satisfy the minimum required distribution rules under the Internal Revenue Code regulations.

(c) Distribution to Beneficiary.

(i) When distribution begins prior to the Participant's death, the payout must be made at least as rapidly as it were as being made to the Participant. When the Beneficiary is an organization, estate or trust, then payment will be payable in a lump sum.

(ii) When distribution does not begin prior to the Participant's death, and is to be made:

(1) To an organization, estate or trust, then payment will be payable in one lump sum.

(2) To the Participant's surviving spouse, whether as designated Beneficiary, or by default, then payment will be made by the Trustee as directed by the spouse within the minimum distribution rules under the IRC regulations.

(3) Notwithstanding anything in this Plan to the contrary, distributions from the Plan will be made in compliance with the minimum distribution rules and applicable sections of the IRC.

08-05 Eligible Rollover Distributions.

(a) Election Procedure. If all or any portion of a prospective distribution is an Eligible Rollover Distribution, the prospective distributee shall have the right to elect to have all or any portion of the Eligible Rollover Distribution treated as a Rollover Amount. Subject to satisfaction of the requirements of IRC Section 457(e)(16) and this Section, Rollover Amounts shall be delivered directly by this Plan to an Eligible Retirement Plan as designated by the distributee.

(b) Effect of Delivery of Rollover Amounts. Each prospective distributee, by electing to have any portion of his/her Eligible Rollover Distribution treated as a Rollover Amount, agrees that, upon transmittal as instructed of the funds to which such election applies, the Deferred Compensation Board shall be released from all duties, obligations responsibilities, and liabilities in connection with the amount so transmitted. The Deferred Compensation Board shall not be responsible to see to the crediting or application of the funds so transferred.

08-06 Unforeseeable Emergency. General: In the event an unforeseeable emergency occurs, a Participant may apply to the Deferred Compensation Board to request a withdrawal of a portion of his/her account as necessary to satisfy the emergency need. If the application is approved by the Deferred Compensation Board, the Participant shall be paid only such amount as the Deferred Compensation Board deems necessary to meet the emergency need. Payment shall not be made to the extent that the financial hardship may be relieved (1) through reimbursement or compensation by insurance or otherwise, (2) by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial

hardship), or (3) by cessation of Deferred Compensation under the Plan.

An unforeseeable emergency shall be deemed to involve only circumstances of severe financial hardship to the Participant resulting from a sudden unexpected illness, accident, or disability of the Participant or of a dependent (as defined in IRC Section 152) of the Participant, loss of the Participant's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of an event beyond the control of the Participant.

The circumstances that will constitute an unforeseeable emergency will depend upon the facts of each case. Examples of what shall not be considered to be unforeseeable emergencies include the wish to finance a child's college education or the desire to purchase a home.

08-07 Qualified Domestic Relations Orders - General. Parties to a divorce will be required to file a joinder with the Plan, notifying the City that a divorce is pending.
