

Employee Performance: Appraisal and Management Calendar

This 15-hour training helps Supervisors and Managers better understand the Performance Management process (Success Plans, Coaching, and the culmination in the Annual Appraisal) and is based upon the International City/County Management Association (ICMA) curriculum of the same name.

This training is available upon request.

Organization Development & Training Division

Our mission is to constantly build organizational effectiveness by providing the material and conceptual resources needed to improve performance and enhance the quality of work life. We are committed to the continuous growth and development of our people.
