

Pedestrian Safety Tips

SCHOOL

**SPEED
LIMIT
25**

**WHEN
CHILDREN
ARE PRESENT**

1. Always look **BOTH** ways before crossing a street.
2. Never run or dash out into a street.
3. Always listen to police officers, school officials, and crossing guards when they provide direction to cross a street.

4. Make sure that the vehicles on the street come to a stop before walking in front of them.

5. When possible walk with adults across a street or with other students to make yourself more visible to motorists.

6. Use crosswalks where available.

7. Never play near traffic.

8. Be extra cautious around school driveways.

**LOOK
“LEFT-
RIGHT-
LEFT”
BEFORE
CROSSING**

**SCHOOL
XING**

9. Use pedestrian push buttons at traffic signals and wait for the “WALK” sign.

10. Do not enter the crosswalk after the pedestrian signal has started to flash “DON’T WALK.”
