

## **IPMA-HR Webinar Training Schedule**

The International Public Management Association for Human Resources (IPMA-HR) offers a series of webinars on current and emerging Human Resources issues relevant to the Public Sector. The webinars are 90 minutes in length and provide for a convenient method for staying on top of topics that are imperative to day-to-day personnel operations.

Please check back again once the 2010 schedule has been announced.

**Organization Development & Training Division**

Our mission is to constantly build organizational effectiveness by providing the material and conceptual resources needed to improve performance and enhance the quality of work life.

We are committed to the continuous growth and development of our people.
