- **PW00364 Bicycle PSA** B. Jones

  - FY09/ \$20,000      FY10/ \$20,000
  - Est. Start:              Est. Finish:
  - Goal:
  - Project Details:
  
- **PW00429 Sugar Pine Trail Enhancement** R. Bell

  - FY09/ \$2,000      FY10/ \$212,500
  - Est. Start: Fall 2009      Est. Finish: Winter 2010
  - Goal: enhance existing trail
  - Project Details: install new lights, drinking fountains and shade structures.
  
- **PW00431 Sugar Pine Trail Willow** M. Johnson

  - FY09/ \$19,400      FY10/ \$655,600
  - Est. Start: November 2009      Est. Finish: February 2009
  - Goal: Install multipurpose trail to fill gaps in the Sugar Pine Trail.
  - Project Details: The project will connect the existing Class I multi-purpose trail beginning at the north side of Shepherd Avenue, approximately ¼ mile east of Chestnut Avenue, and extends to Willow Avenue. The Class I multi-purpose trail continues on the west side of Willow Avenue, from a point ¼ of a mile south of Shepherd Avenue, and extends to the intersection of Copper Avenue and Willow Avenue completing various gaps in the existing trail.
  
- **PW00440 Herndon Multi Purpose Trail** M. Johnson

  - FY09/ \$123,000      FY10/ \$2,300
  - Est. Start:              Est. Finish: Project Completed
  - Goal: Install multipurpose trail adjacent to the Sierra Sky Park Airport.
  - Project Details: construct a multi-purpose trail and barrier fence adjacent to Sierra Sky Park on Herndon Avenue.

- **PW00472 Willow/Shepherd Conn. Trail** M. Johnson
  - FY09/ \$20,800                      FY10/ \$331,900
  - Est. Start: Same as PW00360                      Est. Finish: Same as PW00360
  - Goal: Same as PW00360
  - Project Details: Same as PW00360
  
- **PW00473 Master Trails Plan – BMP** B. Jones
  - FY09/ \$489,900                      FY10/ \$35,100
  - Est. Start:                      Est. Finish:
  - Goal:
  - Project Details:
  
- **PW00504 McKenzie Trail – Phase II** R. Morrison
  - FY09/ \$79,200                      FY10/ \$754,700
  - Est. Start: Fall 2009                      Est. Finish: Fall 2009
  - Goal: Landscape the existing McKenzie Trail.
  - Project Details: The scope of work includes, but is not limited to, the installation of various plant material, landscape irrigation system, trail lighting, bench and trash kiosk along the McKenzie Trail from Helm Avenue to Clovis Avenue.
  
- **PW10005 North Pointe Trail** D. Bernard
  - FY09/ -----                      FY10/ \$296,000
