NOW, THEREFORE, THE COUNCIL OF THE CITY OF FRESNO DOES ORDAIN AS FOLLOWS:

SECTION 1. Based upon the testimony and information presented at the hearing and upon review and consideration of the environmental documentation provided, the adoption of the proposed rezoning is in the best interest of the City of Fresno. The Council finds in accordance with its own independent judgment that there is no substantial evidence in the record that Rezone Application No. R-09-006 may have additional significant effects on the environment that were not identified in the 2025 Fresno General Plan Master Environmental Impact Report No. 10130 ("MEIR") and that no new or additional mitigation measures or alternatives may be required. In addition, pursuant to Public Resources Code, Section 21157.6(b)(1), Council finds that no substantial changes have occurred with respect to the circumstances under which the MEIR was certified and that no new information, which was not known and could not have been known at the time that the MEIR was certified as complete, has become available. Accordingly, the Council approves the Finding of Conformity to the 2025 Fresno General Plan Master Environmental Impact Report (MEIR No. 10130) dated May 15, 2009, prepared for Environmental Assessment No. R-09-006/S-09-043.

SECTION 2. The Council finds the requested R-2/BA (*Low Density Multiple Family Residential/ Boulevard Area Overlay*) zone district is consistent with the existing medium-high density residential planned land use designation of the Southwest Fresno G.N.R.A. Redevelopment Plan, the Edison Community Plan and the 2025 Fresno General Plan, as specified in Section 12-403-B of the Fresno Municipal Code.

SECTION 3. The Council finds that the zone district of the real property described hereinbelow, located in the City of Fresno and shown on the Official Zone Map of the City of Fresno, is reclassified from the R-2-A/BA (*Low Density Multiple Family Residential-One Story/Boulevard Area Overlay*) zone district to the R-2/BA/cz (*Low Density Multiple Family Residential/ Boulevard Area Overlay/conditions of zoning*) zone district.
