

SOUTHEAST GROWTH AREA COMMUNITY MEETING

Come join the Southeast Growth Area Advisory Committee to hear a presentation by Peter Calthorpe on the principles, concepts and process to be used to develop the Southeast Growth Area Specific Plan.

Find out what your city could look like in 20, 30, 50 years. Come to learn and bring your questions, concerns and ideas.

“Peter Calthorpe was named one of 25 "innovators on the cutting edge" by Newsweek Magazine for his work redefining the models of urban and suburban growth in America. His long and honored career in urban design, planning, and architecture began in 1976, combining his experience in each discipline to develop new approaches to urban revitalization, suburban growth, and regional planning.” <http://www.calthorpe.com/bios/pcbio.html>
