For what Board or Commission are you applying?

Housing Authority Board
Housing Commission

Briefly explain why you are interested in serving on this Board(s) or Commission(s):

My husband and I moved our family into the Lowell neighborhood in 1999 in order to partner with Lowell residents in being "good neighbors". Over the years we have personally experienced the benefits of the City investing in our neighborhood. Paved streets, gutters and curbs installed. Homes rehabbed by the Housing Authority improving the look and feel of the neighborhood. Police patrolling our streets often and responding quickly to calls. Community meetings and fairs that engage our neighbors and ourselves are but a few of the things we have benefitted from.

Currently I am involved with two organizations that are seeking to continue to improve our neighborhood and bring stability by encouraging home ownership and improved rental stock for our neighborhood. I have learned a lot through my participation and look forward to continuing to assist with these goals.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

No, not that I am aware of.
