For what Board or Commission are you applying?

Fresno Regional Workforce Investment Board

Briefly explain why you are interested in serving on this Board(s) or Commission(s):

I have been serving on the FRWIB for several years. The FRWIB is a vital part of keeping our county moving forward in these uncertain times. I feel its important to be involved in knowing and assisting how we are retooling our citizens. Being active on the scholarship panel is eye opening. I hope all members participate with the scholarship process. You really see first hand what is happening in the community and the opportunities available to someone using the FRWIB's services and how important it is to have a strong WIB. AS a Board member, I am constantly getting the word out to others about what the FRWIB does and services that are offered through their providers. I believe the FRWIB is one of the most

focused WIB's in the state and looked at as a positive example. I have had the opportunity to meet with city councilmembers to discuss the FRWIB's goals and progress.

I would like to stay serving on the FRWIB. If I know what is happening with the FRWIB, then I know others will also know through my telling them.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

No
