**ENVIRONMENTAL FINDING**

The proposed project was determined to be exempt from CEQA on May 18, 2011, under a Class 1 and Class 32 Categorical Exemption. The Section 15301/Class1 exemption consists of the operation, repair,

maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. Under the Section 15332/Class 32 exemption, in-fill development that meets the following conditions is exempt from the California Environmental Quality Act (CEQA): a) the project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations, b) the proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses, c) the project site has no value as habitat for endangered, rare or threatened species, d) approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality, and e) the site can be adequately served by all required utilities and public services. The project consists of a proposed night club use in an existing building within the City limits and is consistent with the 2025 Fresno General Plan policies. The property is zoned C-R which is consistent with the 2025 General Plan and McLane Community Plan land use designation of commercial-recreational. The operation of a night club on this site is allowed within the designated zone district. The site has no value as habitat for endangered, rare or threatened species and complies with the conditions of the Class 1 and Class 32 Categorical Exemptions. No adverse environmental impacts would occur as a result of the proposed project.

## **BACKGROUND / ANALYSIS**

The applicant, Manuel Perales on behalf of Yosemite Falls Cafe, filed Conditional Use Permit Application No. C-11-016 requesting authorization to allow for the operation of a "Night Club" in an existing building. The subject property contains an existing restaurant, namely, the Yosemite Falls Café; the location will continue to operate as a restaurant, in addition to the proposed nightclub. The restaurant has an existing Alcohol Beverage Control license which allows for the sale of beer, wine and distilled spirits (ABC Type 47 license). The project site, within the Granite Park development, is located on the east side of North Cedar Avenue between East Dakota and East Ashlan Avenues. The site is zoned C-R/cz (*Commercial Recreation/conditions of zoning*). The proposed project was reviewed under the provisions of the recently adopted text amendment as related to restaurants, taverns and night clubs. Pursuant to that text amendment, this project has been scheduled for review by the Fresno City Planning Commission.

A night club is defined, per section 12-105.N.0.5 of the Fresno Municipal Code (FMC), as a facility that provides a dance floor and live or recorded music for customer dancing, and may or may not provide entertainment, such as live performances of the arts (music, comedy, readings, dance, plays, etc.). A night club differs from either a restaurant or tavern in that dancing by the customer is permitted. The serving of food or alcoholic beverages is optional.

### **Conditional Use Permit Application No. C-07-081**

The subject site has an existing ABC license approved through Conditional Use Permit Application No. C-07-081. Said application was approved on September 6, 2007, and established a Type 47 Alcoholic Beverage Control license, to sell beer, wine and distilled spirits for on-site consumption.

### **Restaurant & Night Club**

The applicant is proposing to operate as a restaurant seven days a week from 6:00 a.m. to 1:00 a.m. The applicant is also proposing to be allowed to operate as a night club seven days a week from 10 p.m. to 1:00 a.m. The applicant's Operational Statement dated May 25, 2011, indicates that the night club may not operate every night. Those nights that the site does not operate as a night club, it will operate as a restaurant.

Pursuant to the conditions of approval from the Police Department dated February 9, 2011 and May 26, 2011, during the hours the establishment is operating as a night club, no minors are allowed to enter or remain at the location.

### **Time to Stop Sales, Service and Consumption of Alcohol**

#### Restaurant

Table III under section 12-326.E.3 of the FMC indicates that for a restaurant serving alcohol, the time to stop sales, service and consumption of alcohol is 12:30 a.m., nightly.

#### Night Club

Table III under section 12-326.E.3 of the FMC indicates that for a night club, within the C-R zone district, the time to stop sales, service and consumption of alcohol is 2:00 a.m. It is noted, however, pursuant to the Operational Statement dated May 25, 2011, the night club is proposed to be allowed to operate seven days a week, from 10:00 p.m. to 1:00 a.m; said Operational Statement states that the night club may not operate every night. Those nights that the site does not operate as a night club, it will operate as a restaurant.

### **Music**

Music played on the patio must comply with the noise requirements of the Fresno Municipal Code. Pursuant to Section 10-106 of the FMC, any sound exceeding the ambient noise level at the property line by more than five decibels (dbs) shall be deemed to be prima facie evidence of a violation. The ambient noise level for commercial property is 65 dbs; therefore, more than 70 dbs at property line is considered a violation.

Pursuant to the conditions of approval for the project, amplified music is limited to the indoor area of the site. Dancing on the patio is not allowed.

### **CONDITIONS OF APPROVAL**

Standard conditions of approval for restaurants, taverns and nightclubs were developed after the adoption of the text amendment to ensure uniform application of requirements on a citywide basis. Those conditions are included and shall be applied to Conditional Use Permit Application No. C-11-016. These conditions address a myriad of issues related to the operation of alcohol-related uses, including employee education, security, video surveillance, and enforcement procedures. The applicant must show compliance with all conditions prior to commencing the new night club operations.

#### **Fresno Police Department**

The Fresno Police Department has conditioned the proposed project subject to their letter dated February 9, 2011 and as amended in the letter dated May 26, 2011. One of the conditions from the police department is that the applicant shall maintain a written security plan which is acceptable to the Fresno Police Department.

### **DISTRICT 4 PLAN IMPLEMENTATION COMMITTEE**

The District 4 Plan Implementation Committee recommended approval of Conditional Use Permit Application No. C-11-016 at their meeting on May 9, 2011.

**NOTICE OF PLANNING COMMISSION MEETING**

The Development and Resource Management Department mailed notices of this Planning Commission hearing to all surrounding property owners within 500 feet of the subject property, pursuant to Section 12-326-G-2 of the Fresno Municipal Code.

**FINDINGS**

The appropriateness of the proposed project has been examined with respect to its consistency with the goals and policies of the 2025 Fresno General Plan and the McLane Community Plan; its compatibility with surrounding existing or proposed uses; and, its avoidance or mitigation of potentially significant adverse environmental impacts. Conditional Use Permit Application No. C-11-016 will comply with all applicable codes, including parking, landscaping, walls, etc.

No special permit may be issued unless it is found that the privilege exercised under the permit, conforms to the findings of 12-405-A-2 of the Fresno Municipal Code. Dear Mr. Trejo,

The City of Fresno has requested that the Fresno Police Department review the Conditional Use Permit to operate a Restaurant with the retail sale of alcohol for on-site consumption and a Nightclub as defined by Fresno Municipal Code, sections 12-105-R-5 and 12-105-N-0.5 at 4020 N. Cedar Ave. The property has been zoned C-R which permits the operation of a Restaurant and Nightclub pursuant to the requirements of FMC, sections 12-304, 12-326 and 12-327. We understand that along with this CUP application, the applicant has a type 47 license which allows for the sale of beer, wine and distilled spirits for consumption on the licensed premises.

We understand from the Operational Statement that the applicant intends to operate the establishment as stated below:

Restaurant Operation \*see revised letter dated May 26, 2011 ~~7 Day(s) a week: Sunday-Saturday~~  
Restaurant Hours of Operation: ~~6:00 a.m. to 1:00 a.m. Sunday-Saturday~~  
Nightclub Operation: ~~2 Day(s) a week: Friday & Saturday~~  
 (No Minors)  
Nightclub Hours of Operation: ~~10:00 p.m. - 1:00 a.m. Friday-Saturday~~  
 (No Minors)

During the hours the establishment is operating as a Nightclub, no minors shall be allowed to enter or remain at the location.

The patio shall close no later than 1:00 a.m. and all patrons shall be cleared from this area no later than 1:15 a.m.

The Fresno Police Department's primary concern with the application is the propensity of the premises to generate calls for police service which indicates potential activities on the premises that are detrimental to the public welfare or injurious to property or improvements.

As you know, to approve any Conditional Use Permit, the City must make the following findings:

1. All applicable provisions of the Fresno Municipal Code are complied with and the site of the proposed use is adequate in size and shape to accommodate the use, including, all yards, spaces, walls and fences, parking, loading, recycling areas, landscaping, and other required features; and,
2. The site for the proposed use relates to streets and highways adequate in width and pavement type to carry the quantity and kind of traffic generated by the proposed use; and,
3. The proposed use will not be detrimental to the public welfare or injurious to property or improvements in the area in which the property is located. This third finding shall not apply to uses which are subject to the provisions of Section 12-306-N-39 of the Fresno Municipal Code (Regulating Adult Businesses).

The conditions are established to ensure public safety, and to minimize any impact for the surrounding area. This CUP allows for the operation of a Restaurant serving alcohol and Nightclub. We request the following conditions be included as Conditions of Approval for Conditional Use Permit Application No. C-11-016. These conditions will maintain an environment that is least likely to generate public complaints and calls for service. The Fresno

Police Department is not in opposition of this Conditional Use Permit, provided the applicant agrees to the listed conditions.

If the following conditions are not included as conditions of approval of CUP No. C-11-016 the Fresno Police Department shall oppose the approval of this Conditional Use Permit, and shall appeal such approval to the Planning Commission. As such, we request that you provide Detective Janette Olson #1097 with notice of the Director's decision regarding this Conditional Use Permit as well as a complete copy of the conditions of approval, should the Director approve the Conditional Use Permit.
