

## **AMENDED AT-WILL EMPLOYMENT AGREEMENT**

THIS AMENDED AT-WILL EMPLOYMENT AGREEMENT ("Agreement") is made and entered into the 11th day of January, 2016, between the CITY OF FRESNO, State of California, a municipal corporation, ("City"), and Michael A. Lima, ("Employee"), both of whom agree as follows:

### **RECITALS**

A. The City Manager of the City of Fresno ("Manager") desires to continue to employ the services of Employee as Controller for the City as authorized in Article VII of the Charter of City of Fresno ("Charter").

B. It is the desire of the Manager to retain the services of Employee and to provide inducement for him to remain in such employment.

C. It is also the desire of the Manager to provide certain benefits, establish certain terms and conditions of his employment on an at-will basis, and set the working conditions of Employee.

D. The term of this Agreement commences January 11, 2016, and shall continue until the Manager decides to terminate employment, or upon Employee's resignation, or by mutual consent. All previous employment agreements between the City and Employee, including amendments thereto, are null and void.

E. The parties acknowledge Employee was promoted to a Controller for the City on September 15, 2014, by the Manager, with the approval of the Council of the City ("Council") pursuant to Article VIII, Section 804 of the Charter. Employee desires to continue employment as a Controller of the City on the terms and conditions set forth in this Agreement.

THEREFORE, in consideration of the above recitals and the mutual promises, covenants, and conditions in this Agreement, the parties agree as follows:

### **SECTION 1. AT-WILL EMPLOYMENT STATUS**

A. Employee's employment with the City is employment at the sole will, discretion, and pleasure of the Manager, subject to approval of the Council pursuant to Article VII, Section 705(c) and Article VIII, Section 804. The Manager, subject to approval of the Council, may remove the Employee at any time, with or without cause. Nothing in this Agreement or in any other document shall limit the right of Employee or the Manager, with approval of the Council, to terminate the at-will employment relationship. No elected official, supervisor, employee, or agent of the City has any authority to enter into an agreement with Employee for employment for any specified period of time or to make an agreement for employment other than at-will. The parties agree the above Recitals are true.

B. Employee's employment status with the City shall remain at-will as defined by California law regardless of the length of employment or representation(s) of continued employment by any agent or employee of the City.

## **SECTION 2. DUTIES**

A. Employee shall professionally perform the functions and duties of Controller under state and federal law, and as specified in the Charter, Fresno Municipal Code, other ordinances, and resolutions of the City, and perform other legally permissible and proper duties and functions as the Manager shall assign, including appointment, training, evaluation, suspension or removal of subordinate employees as set forth in Charter Article VIII, Section 806.

B. Employee agrees to abide by all City rules, policies, practices, and procedures in the performance of his duties.

C. Employee shall work a regular director work schedule, as determined by Manager.

## **SECTION 3. SALARY AND BENEFITS**

A. The Council of the City of Fresno has adopted a Salary Resolution, which provides a salary range for the position of Controller. The salary set forth herein, is within the range provided in the Salary Resolution, as amended.

B. In consideration for Employee's performance of his duties under this Agreement, City shall pay Employee an annual base salary of one hundred fifty-seven thousand, five hundred dollars (\$157,500), payable in installments as other employees of the City are paid, and in accordance with applicable law, rules, and other regulations, such as the City Salary Resolution. Should the City implement a wage reduction for all Non-Represented Management-Confidential employees during the life of this Agreement, Employee's base pay will be reduced by the same percentage (i.e., City-wide employee application).

C. City shall provide Employee use of a City issued laptop computer and cell phone, for business use.

D. City shall pay Employee a monthly vehicle allowance of three hundred dollars (\$300.00). All costs of operation of the vehicle for the Employee, including but not limited to, fuel, maintenance, and insurance, shall be borne by Employee.

E. Employee may participate in the City's deferred compensation plan through voluntary payroll deductions.

F. Employee shall use the balance of his management special annual leave bank prior to using balances in any other leave banks until the management special annual leave bank is exhausted. Except as may be specifically set forth in this Agreement, all provisions of the Fresno Municipal Code, the City of Fresno Administrative Manual, resolutions and official

policies of the City relating to annual leave, vacation, sick leave, holidays, health insurance, long term disability insurance, retirement and other fringe benefits generally applicable to Non-Represented Management-Confidential Employees of the City shall also apply to Employee when and as he becomes eligible for them. City reserves the right to modify, suspend or discontinue any and all of the benefits in this Agreement at any time without notice to or recourse by Employee as long as such action is taken with respect to all Non-Represented Management-Confidential Employees in the City (i.e., City-wide employee application). Nothing in this Agreement shall be construed as requiring City to establish or continue any particular plans in the discharge of its obligations under this Agreement.

G. Employee shall generally be entitled to annual performance evaluations and review of compensation; however, failure to evaluate Employee on an annual basis shall not be considered a breach of this Agreement.

#### **SECTION 4. TERMINATION AND SEVERANCE PAY**

A. Employee's employment shall be subject to the absolute and sole discretion of the Manager, subject to approval of Council. Employee may be removed from position as Controller and employment terminated at the will of the Manager at any time for any reason whatsoever or for no reason at all, as provided in Section 1 of this Agreement. Should Employee elect to resign, Employee shall provide the Manager with 30 days written notice.

B. In the event the Manager, with approval of Council, terminates Employee's employment with the City, Employee shall be paid severance pay in an amount equal to six (6) months of base salary. In addition, all health and welfare benefits shall continue for six months, and the City shall pay the employer's contribution to maintain all health and welfare benefits for those six months. Severance pay shall not be utilized for purposes of retirement credit and no additional benefits (e.g., annual leave, vacation/sick leave, or administrative leave) will accrue or be owed during the six (6) month severance period, except as otherwise stated herein. This paragraph shall not be interpreted to allow Employee to obtain dual payment of his base salary or other benefits during any time period..

C. This Agreement shall terminate immediately and City shall not be obligated to make any severance payment upon the occurrence of any one of the following events:

- (1) Upon the death of Employee;
- (2) Upon determination that Employee is unable to perform the essential functions of the position with or without a reasonable accommodation, due to a mental, physical or other illness or disability lasting a period of six (6) months or longer;
- (3) In the event Employee is terminated because of serious misconduct or malfeasance, which the Manager determines is related to the effective performance of Employee's official duties, including but not limited to criminal conviction in office;
- (4) Upon six (6) months written notice by the Manager to terminate the Agreement; or
- (5) Upon Employee's thirty (30) day written notice to Manager of intent to resign employment.

D. Employee agrees and acknowledges that if this Agreement is terminated, any cash settlement related to the termination Employee may receive from the City shall be fully reimbursed to the City if Employee is convicted of a crime involving an abuse of his office or position, as defined in California Government Code §53243.4, which currently defines "abuse of office or position" as either: (1) an abuse of public authority, including, but not limited to, waste, fraud, and violation of the law under color of authority; or (2) a crime against public justice, including, but not limited to, a crime described in Title 7 (commencing with Section 92) of Part 1 of the Penal Code.

## **SECTION 5. PROFESSIONAL DEVELOPMENT**

A. City shall budget and pay for Employee's attendance at one professional organization conference per year, which may include attendance at a California League of Cities Conference. Attendance at additional professional conferences, classes, or meetings may be approved in advance by the Manager, subject to budgetary constraints.

B. City shall pay for the travel and subsistence expenses of the Employee for official travel, meetings, short courses, institutes, seminars, and occasions reasonably necessary to continue the professional development of Employee and to reasonably pursue necessary official and other functions of the City, subject to budgetary constraints.

## **SECTION 6. ARBITRATION OF DISPUTE**

A. In the event of any dispute involving any provision of this Agreement, or any dispute regarding Employee's employment with the City or termination from the City (with the exception of claims for workers' compensation, unemployment insurance and any matter within the original jurisdiction of the California Labor Commissioner), including, but not limited to, a claim of constructive discharge, retaliation, wrongful termination, discrimination, or harassment, Employee and the City agree to submit any such dispute to non-binding arbitration, pursuant to the provisions of the California Code of Civil Procedure, commencing at Sections 1280 et seq. (or any successor or replacement statutes).

B. Employee shall have the opportunity to seek all relief that would otherwise be available in law or equity.

C. The arbitration provision shall not relieve Employee of obligation to timely pursue an administrative or governmental tort claim within the jurisdiction of any administrative or public agency (e.g., the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the City of Fresno, etc.) before asserting any such claim against the City.

D. If Employee and the City are unable to agree on the selection of a neutral arbitrator, the City at its discretion and cost, shall obtain a list of at least three arbitrators from the State Mediation and Conciliation Service or American Arbitration Association. Employee (first) and then the City, will alternately strike names from the list until only one (1) name remains; the remaining person shall be the arbitrator. Arbitration proceedings shall be held in

California at a location mutually convenient to the Employee and the City, but not outside of Fresno County unless mutually agreed to by the Employee and the City.

E. Employee and the City agree that each party shall be entitled to pursue discovery, including written discovery and depositions, which is sufficient to adequately arbitrate their claims. However, absent consent from the arbitrator for good cause shown, discovery initiated by each party shall not exceed three (3) depositions, 35 interrogatories, 35 requests for production and 35 requests for admissions, save and except requests to authenticate any document. The arbitrator shall hear and resolve any discovery disputes between the parties, and is empowered to award discovery sanctions pursuant to the California Code of Civil Procedure.

F. Following a hearing conducted by the arbitrator, in a manner mutually agreed to by the parties or as determined by the arbitrator, the arbitrator shall issue a written opinion and award, if applicable, which shall be signed and dated. The arbitrator shall be permitted to award only those remedies in law or equity which are requested by the parties and which the arbitrator determines to be supported by credible, relevant evidence.

G. The arbitrator's opinion will be subject to judicial enforcement or review pursuant to California Code of Civil Procedure Sections 1285 et seq.

H. Except as provided by statute, Employee and the City shall each bear their own costs incurred for legal representation as part of any such arbitration. The City shall bear all reasonable costs of the arbitrator, court reporter, if any, and any related costs of arbitration, except to the extent that Employee would have been required to pay such costs (e.g., filing fees, court reporting fees at deposition and at trial, or discovery sanctions) if said claim were to be litigated in a court of law.

I. Employee and the City hereby agree that this Section 6 shall survive the termination of Employee's employment and shall survive the termination and/or expiration of this Agreement.

J. The failure or delay of City at any time or times to require performance of, or to exercise any of its power, rights or remedies with respect to any term or provision of this Agreement or any other aspect of Employee's conduct or employment in no manner (except as otherwise expressly provided herein) shall affect City's right at a later time to enforce any such term or provision.
