AGREEMENT

SECTION I

Covenants of Responsible Agency

Responsible Agency agrees to abide by the terms and conditions of this Agreement for the receipt of Measure "C" and RTMF funds (as applicable) and to comply with the Expenditure Plan, Handbook, and adopted Policies and Procedures, as well as any subsequent amendments, updates, or other applicable plans.

1.1 Project Scope, Schedule and Funding Program. The Project scope of work, schedule and funding program, as well as any change thereto such may not be implemented or initiated until it has been approved by the Authority in accordance with the Handbook. For purposes of this Agreement, the Project scope, schedule and funding program is as defined and described in the Handbook and as further described below. The Responsible Agency must demonstrate in the funding program that the Project or Project phase is fully funded.

1.1.1 Project Scope. See Attached Exhibit A.

1.1.2 Project Schedule. See Attached Exhibit B.

1.1.3 Project Funding Program. See Attached Exhibit C.

1.2 Eligible Project Costs. Notwithstanding section 1.1, the Authority reserves the right to consider on a case by case basis, eligible costs incurred after July 1, 2007, but before a Responsible Agency has entered into an Agreement with the Authority. Eligible Project costs shall be equal to or less than Measure "C" and RTMF funds (as applicable) allocated to a Project as specified in Section 1.1.3 of this Agreement and in the Handbook. State Transportation Improvement Program (STIP) or other funding allocations (other than Measure "C" and RTMF) identified in the Handbook are considered "other" contributions available to the Project. The Responsible Agency must match Measure "C" funds with other such funds consistent with the funding program referenced in Section 1.1.3 and consistent with the Handbook and Expenditure Plan.

NOTE: Expenses incurred after July 1, 2007, but before a Responsible Agency has entered into an Agreement with the Authority for a currently active project, are incurred at the risk of the Responsible Agency.

1.3 Compliance with California PUC Code 142257. Responsible Agency agrees to the following:

1.3.1 Measure "C" funds will not be used to substitute for property tax funds, which the Responsible Agency had previously used for regional or other transportation purposes. It is hereby acknowledged by Responsible Agency that such substitution of property tax funds is expressly prohibited by California Public Utilities Code Section 142257.

1.3.2 The Responsible Agency has segregated property tax revenues from its other general fund revenues used to support the Project so that verification of non-substitution can be proved through audit or that the non-substitution of funds shall apply to the Responsible Agency's entire general fund.

1.3.3 Responsible Agency shall account for Project funds received pursuant to Public Utilities Code Section 142257. Responsible Agency shall maintain current records in accordance with generally accepted accounting principles, and shall separately record expenditures for each type of eligible purpose. Responsible Agency shall make such records available to the Authority for inspection or audit at any time.

1.4 Compliance with Other Laws. In performance of its obligations relating to administration and completion of the Project, Responsible Agency shall at all times comply with all federal, state and local laws, ordinances and regulations currently in force as well as those that are subsequently enacted, promulgated or amended and thereby become applicable during the term of this Agreement.

1.5 Measure "C" Funds Defined. For purposes of this Agreement, eligible Project Measure "C" and RTMF funds (as applicable) are deemed available as of the effective date of this Agreement. Eligible Project costs shall be equal to or less than the amount of funding available for the Project on a fiscal year basis as specified in the Handbook and in Section 1.1.3 of this Agreement. In no case shall the total amount of Measure "C" or RTMF funds for the Project in the Handbook or referenced in Section 1.1.3 be exceeded without written amendment to this Agreement and to the Handbook.

- 1.6 Invoices.** The Responsible Agency shall submit invoices to the Authority no more frequently than monthly for activities conducted over the prior unbilled month. These documents shall include the following specified information:
- 1.6.1 Monitoring Expenditures and Progress Payments. The Responsible Agency will monitor expenditures and progress payments against the "not to exceed" limits specified in Section 1.1.3 of this Agreement.
 - 1.6.2 Project Progress. If Project costs have not been invoiced for a six-month period, Responsible Agency agrees to submit a written explanation of the absence of the Project's progress to the Authority, along with a target billing date and a target billing amount.
 - 1.6.3 Direct and Indirect Costs. Responsible Agency may include in the Project invoice, direct and indirect costs of the Project. Indirect costs (as defined by OMB Circular A-87) will be considered an eligible expense.
 - 1.6.4 Copies of Invoices. Responsible Agency shall provide the Authority with one (1) copy of appropriate source documentation to substantiate Project expenses or costs.
 - 1.6.5 Eligible Project Cost Request Deadline. Invoices for eligible Project costs incurred by the Responsible Agency shall be submitted to the Authority on the approved form. The appropriation request will specify the use of the funding and the manner in which local matching funds were applied. The Authority's Executive Director will review invoices for accuracy and sufficiency in terms of compliance with the foregoing requirements. Unsatisfactory or inadequate invoices will be returned to the Responsible Agency for correction and resubmission. Upon receipt of a proper invoice, eligible Measure "C" and RTMF funds (as applicable) shall be provided to the Responsible Agency within 45 days.
 - 1.6.6 Use of Funds. Responsible Agency shall use Measure "C" and RTMF funds (as applicable) consistent with the Expenditure Plan, Handbook, and Section 1.1.1 of this Agreement.
- 1.7 Reporting Form.** Responsible Agency will indicate in the invoice form, its intent to complete and return the Annual Reporting Form (reference Appendix C in the Handbook) to the Authority no later than November 15th of each year.

If the Responsible Agency does not return the Annual Reporting Form to the Authority by that deadline, the Authority will withhold Measure "C" and RTMF funds (as applicable) until such time as the form is returned by the Responsible Agency and reviewed for correctness by the Authority.

1.8 Cost Savings and Excess Costs.

1.8.1 Cost Savings. After the Project has been accepted by the Responsible Agency as complete, any positive difference between the total Project cost, as approved by the Authority pursuant to Section 1.1.3 and the total amount invoiced to the Authority shall be considered Project cost savings and shall be reprogrammed to other Tier 1 projects by Fresno COG and the Authority as the Handbook is amended or updated.

1.8.2 Excess Costs. In the event the actual total Project costs exceed the estimate approved by the Authority, this amount will be considered an Excess Cost.

1.8.3 Reconciliation of Excess Costs. In the event that costs to complete the Project exceed the total amount of funds programmed, the Responsible Agency will be fiscally responsible for the full amount of Excess Costs associated with the Project, unless otherwise agreed by the parties pursuant to Section 2.3.

1.9 **Project Management/Formation of Project Development Team (PDT).** To ensure that the Project is implemented in a timely manner and consistent with the Handbook and Expenditure Plan, a Project Development Team (PDT) shall be formed under the control of the Responsible Agency. The Responsible Agency will form, notice, conduct and administer the PDT for the Project. The PDT formed for the Project shall include a staff member from both the Authority and Fresno COG.

1.10 **Award of Project.** The Responsible Agency shall administer the Project, including but not limited to its advertisement and award of all contracts, in accordance with applicable legal requirements as provided above in Section 1.4 and in full conformity with the standards applied by Responsible Agency in the administration of its own road construction projects.

1.11 **Maintenance of Project Records.** Responsible Agency shall maintain complete and accurate records with respect to costs addressed in Section

1.1.3 of this Agreement. All such records shall be maintained on a generally-accepted accounting basis and be clearly identified and readily accessible. Responsible Agency shall provide free access to the Authority at all times to such books and records. Responsible Agency shall maintain all work data, documents, and proceedings of this Agreement for a period of five (5) years from the date of final audit from the Authority.

1.12 Project Groundbreaking and Ribbon Cutting Ceremonies. Responsible Agency shall acknowledge Measure "C" funding contribution to the Project at the groundbreaking and ribbon cutting ceremony should the Responsible Agency conduct such a ceremony. Groundbreaking and ribbon cutting ceremonies are encouraged, but not required. The costs of all ceremonies will be considered a project construction expense.

1.13 Project Signage. Responsible agency shall provide signage at construction sites or on equipment, as appropriate, for the projects funded partially or wholly by Measure "C" sales tax revenue included in the Handbook so that Fresno County Taxpayers are informed as to how funds are being used. The signage shall be in conformance with specifications approved by and on file with the Authority, and included in Appendix D in the Handbook.

SECTION II

Covenants of Authority

Authority agrees to provide Measure "C" and RTMF funds to the Responsible Agency for eligible Project costs in accordance with the terms and conditions set forth herein, and in compliance with the Expenditure Plan, the Handbook, all Measure "C" Policies and Procedures, as well as any subsequent amendments or updates, and to other applicable plans and programs.

- 2.1 Eligible Project Cost Payments.** The Authority shall make payments to Responsible Agency for actual incurred eligible Project costs as specified in Section 1.1.3 of this Agreement and consistent with the Handbook. To receive payments for Project work completed, the Responsible Agency shall comply with the following procedures:
- 2.1.1 Ineligible Costs. The Authority reserves the right to recover payment from the Responsible Agency if an invoice includes ineligible Project costs.
 - 2.1.2 Payment Amount. The amount of Project payments to the Responsible Agency shall be made pursuant to the Handbook and this Agreement.
 - 2.1.3 Suspension of Payment. Payments for eligible Project costs shall be suspended without interest when a dispute arises as to whether or not a cost item(s) is eligible for payment.
 - 2.1.3.1 Dispute Resolution. All disputes shall be settled in accordance with the laws of the State of California. Once a dispute has occurred, the Authority and Responsible Agency shall attempt to resolve the dispute informally in a mutually agreeable manner.
- 2.2 Right to Conduct Audit.** The Authority shall have the right to conduct an audit of all Responsible Agency's records pertaining to the Project at any time following completion of the Project.
- 2.2.1 Notice of Audit. The Authority must provide at least 30 days' advance notice to the Responsible Agency if an audit is to be conducted.

- 2.3 Reconciliation of Excess Costs.** Excess project costs to complete a Project are not eligible for reimbursement. The amount of Measure "C" and RTMF funds identified in Section 1.1.3 of this Agreement and in the Handbook are the maximum funds available for reimbursement to the Responsible Agency and will not be exceeded by the Responsible Agency without an approved amendment to this agreement. If needed for that purpose, the Responsible Agency shall make a written request to the Authority for an amendment to this Agreement. Any such amendment shall constitute an effective modification of this Agreement only if signed and approved by duly authorized representatives of both the Authority and the Responsible Agency.

SECTION III

Mutual Covenants

The Authority is released from any liability to Responsible Agency regarding the Authority's administration and issuance of the Measure "C" and RTMF proceeds except for any breach of Authority's fiduciary duty as set forth in the Expenditure Plan and Handbook.

- 3.1 Effective Date and Term.** This Agreement shall become effective as of the date of its execution by the Authority and Responsible Agency and shall remain in full force and effect through **December 31, 2014**, unless earlier terminated as provided in Section 3.2 or in Section 3.4 or unless the Agreement's term is extended by amendment in accordance with Section 3.8.

- 3.2 Discharge.** This Agreement shall be subject to discharge as follows:

3.2.1 Termination by Mutual Consent. This Agreement may be terminated at any time by mutual consent of Responsible Agency and Authority. If this Agreement is mutually terminated by the parties, Responsible Agency will no longer receive Measure "C" or RTMF funds (as applicable) unless a new agreement between Responsible Agency and Authority is formed.

3.2.2 Discharge Upon Completion of Project. Except as to any rights or obligations which survive discharge as specified in Section 3.14, this Agreement shall be discharged, and the parties shall have no further obligation to each other, upon completion of the Project as certified by the Authority.

3.2.3 Termination by Authority. The Authority reserves the right to terminate the Agreement at any time by giving written notice to Responsible Agency of such termination and specifying the effective date thereof. If this Agreement is terminated by the Authority as provided herein, Responsible Agency will be paid for eligible Project costs incurred prior to termination of the Agreement by the Authority consistent with the funding program contained in Section 1.1.3 and in the Handbook. In that event, all finished or unfinished documents and other materials shall, at the option of the Authority, become its property subject to the terms and conditions of Section 1.11.

3.3 Indemnity. It is mutually understood and agreed, relative to the reciprocal indemnification of Authority and Responsible Agency:

3.3.1 Responsible Agency shall fully defend, indemnify and hold harmless Authority, and any officer or employee of Authority, against any and all damages, liabilities, claims and expenses, arising out of Responsible Agency's errors, omissions, negligent acts or willful misconduct during the term of this Agreement. It is also fully understood and agreed that, pursuant to Government Code Section 895.4, Responsible Agency shall fully defend, indemnify and hold the Authority harmless from any liability imposed for injury as defined by Government Code Section 810.8 occurring by reason of anything done or omitted to be done by Responsible Agency under this Agreement or in connection with any work, authority, or jurisdiction delegated to Responsible Agency under this Agreement.

3.3.2 Authority shall fully defend, indemnify and hold harmless Responsible Agency, and any officer or employee of Responsible Agency, against any and all damages, liabilities, claims and expenses, arising out of Authority's errors, omissions, negligent acts or willful misconduct during the term of this Agreement. It is also fully understood and agreed that, pursuant to Government Code Section 895.4, Authority shall fully defend, indemnify and hold the Responsible Agency harmless from any liability imposed for injury as defined by Government Code Section 810.8 occurring by reason of anything done or omitted to be done by Authority under this Agreement or in connection with any work, authority, or jurisdiction delegated to Authority under this Agreement.

3.4 Limitation. All obligations of the Authority under the terms of this Agreement are expressly subject to the Authority's continued authorization to collect and expend the sales tax proceeds provided by Measure "C" and RTMF funds. If for any reason the Authority's right to collect or expend such sales tax and RTMF proceeds is terminated or suspended in whole or part, the Authority shall promptly notify the Responsible Agency, and the parties shall consult on a course of action. If, after twenty-five (25) working days, a course of action is not agreed upon by the parties, this Agreement shall be deemed terminated by mutual or joint consent; provided, that any future obligation to fund from the date of the notice shall be expressly limited by and subject to (i) the lawful ability of the Authority to expend sales tax or RTMF proceeds for the purposes of the Agreement; and (ii) the availability, taking into consideration all the obligations of the Authority under all outstanding contracts, agreements to other obligations of the Authority, of funds for such purposes.

EXHIBIT A – PROJECT SCOPE

Urban Project K5B – Herndon Avenue Eastbound Widening, Blythe Avenue to Brawley Avenue

Responsible Agency

City of Fresno

Project Limits

The project limits include 0.5 miles of added travel lanes on eastbound Herndon Avenue between Blythe Avenue and Brawley Avenue.

Project Phase

- Phase 1 - Preliminary Engineering *[Includes Preliminary Design/Engineering (PS&E) and Environmental]*
- Phase 2 - Right-of-Way Acquisition
- Phase 3 - Construction *[Includes Project Construction & Construction Management]*

Project Phase(s) Scope

Phase 1 includes preparation of contract construction documents including engineer's estimates for construction and the preparation of the environmental documents to comply with CEQA requirements. Phase 2 includes the processing and acquisition of right-of-way along the south side of Herndon Avenue between Blythe Avenue and Brawley Avenue. Phase 3 includes construction of the Project, the associated traffic control operations and construction management activities.

Complete Project Scope

The project scope will include widening eastbound Herndon Avenue from two lanes to three lanes from Blythe Avenue to Brawley Avenue, a total length of 0.5 miles. The project improvements will also include constructing protected-left-turn-lanes, curb and gutter, Class 1 multi-purpose bicycle and pedestrian trail, streetlights, and modifications of existing traffic signal facilities.

Project Purpose

The purpose of this project is to provide for improved mobility by increasing capacity along eastbound Herndon Avenue between Blythe Avenue and Brawley Avenue.

Transportation Benefit

The project is expected to improve air quality, reduce traffic congestion thereby improving travel time, and motorist and pedestrian safety.

Implications of Not Doing the Project

It was determined in various traffic studies that the existing number of travel lanes along Herndon Avenue will not be sufficient to accommodate the traffic demands in the Year 2035. Also, other portions of Herndon to the east and the west of this project have already been widened. If this project is not completed there will ultimately create a bottleneck along Herndon Avenue.

Community Engagement

The project limits are within a moderately populated residential and commercial area. Residents and property owners will be kept informed of the Project's status and schedule through Project newsletters, the City's website and local media.

Construction Staging

Construction phasing may be implemented due to the potential impacts on adjacent residences, businesses, schools, which use this street to access their property.

Detours

No traffic detours will be needed during the construction of the widening project. Access to residences, businesses, and schools adjacent to Herndon Avenue will be provided and maintained throughout construction.

Current Status

Phase 1 and Phase 2 have been initiated and will be completed before the next phase. Phase 3 will be initiated after completion of Phase 1 and 2.
