FOR LEAD AGENCY OPERATION OF MOSQUEDA COMMUNITY CENTER

This Agreement is made and entered into this 8th day of April, 2011, by and between the CITY OF FRESNO, a municipal corporation ("CITY") and READING AND BEYOND, a California nonprofit corporation ("USER").

RECITALS

- A. CITY is the owner of the property located at 4670 E. Butler and commonly known as the Mosqueda Community Center ("Center").
- B. CITY's Director of Parks, After-school, Recreation and Community Services ("Director") (including Director's designated representatives) is charged with the responsibility of supervising the use of CITY's parks and recreational facilities.
- C. USER is organized as a California nonprofit corporation to provide services and opportunities for all ages with an emphasis on school aged children.
- D. USER has an objective of providing community services to the public.
- E. CITY and USER desire to enter into an Agreement to operate the Center, pursuant to the terms hereof.
- F. The right to use and operate the Center without payment of full fair market value rent conveys a valuable benefit. CITY intends to grant use of certain recreational facilities, such as the Center, to nonprofits on the condition that the USERS will provide a minimum amount of "Community Services." "Community Services" is broadly defined as including programs, services and activities that are consistent with the CITY's Parks, After-school, Recreation and Community Services Department ("PARCS") mission of creating 'community' through people, parks, and programs by enriching the lives of Fresno citizens through investment in park and open spaces for recreation, and providing diverse opportunities for human development and social interaction.

In light of the foregoing, the parties hereto do hereby agree as follows:

AGREEMENT

SECTION 1. TERM OF AGREEMENT.

This Agreement shall be for a term commencing on June 1, 2011, and expiring no later than May 31, 2016 unless sooner terminated pursuant to the provisions of this Agreement. CITY may extend this Agreement by granting up to two (2) one-year extensions to USER. This Agreement may be terminated by the CITY or USER at any time and upon ninety (90) days prior written notice to the other party, as further provided herein. Regardless of the date of execution of this Agreement, the effective date shall be June 1, 2011.

SECTION 2. CITY'S OUTSOURCING POLICY

- A. The Center was constructed to provide Community Services. This Agreement grants certain use and operation of the Center without payment of facility use fees. In exchange for the authority to use and operate the Center as set forth herein, USER agrees to provide, at a minimum, the Community Services identified in this Agreement. USER acknowledges that its agreement to provide at least the minimum level of Community Services and programs to the CITY and the community is a material provision of this Agreement. USER understands that CITY is relying upon USER actually delivering the program of Community Services as contained within, and during hours of operations that are comparable to those currently operated by the CITY.
- B. USER acknowledges and agrees that any religious or political activity is subject to a separate rental agreement to be executed by USER and PARCS.
- C. CITY may receive requests from the public to rent the Center for an event. The CITY shall refer any such requests to USER. Any third party other than CITY that wishes to rent the Center must do so pursuant to a rental agreement with the USER. USER shall be entitled to collect and retain reservation revenue associated with reservation activity to cover facility costs and event staffing. USER acknowledges

that no alcoholic beverages shall be sold, served or furnished during the rental of the Center.

- D. USER agrees to make a good faith effort to accommodate existing use of Center social hall by Hula Ohana of Fresno and Police Activities League. Both groups currently do not pay for use of the facility.

SECTION 3. CONTRACT COMPLIANCE AND MONITORING.

- A. USER shall be subject to the standards of performance as set forth in this Agreement. USER shall submit semi-annual reports regarding USER's performance of the Program and other requirements necessary for CITY to monitor review and evaluate the performance of the USER. USER's reports must be in a form approved by the CITY.
- B. Records, Reports and Audits of USER:
 - a. Preservation of Records. USER shall preserve and make available its records:
 - i. For the period of four (4) years from the date of termination or expiration of this Agreement; or
 - ii. For such longer period, if any, as may be required by applicable law.
 - b. Examination of Records. At any time during normal business hours, and as often as may be deemed necessary, USER agrees that the CITY, and/or any of its respective authorized representatives shall have access to and the right to examine all of USER's records with respect to all matters covered by this Agreement. USER also agrees that the CITY, or any of its authorized representatives shall have the right to audit, examine, and make excerpts or transcripts of and from such records, and to make audits of all applicable contracts and subcontracts, invoices, payrolls, records of personnel, conditions of employment, materials, and all other data relating to matters covered by this Agreement. CITY may examine records pursuant to this Section throughout the term of this Agreement and

- i. For a period of four (4) years after termination or expiration of this Agreement; or,
- ii. For such longer period as may be required by applicable law; or
- iii. If this Agreement is completely or partially terminated, for a period of four (4) years from the date of any resulting settlement.

C. CITY Audits. The CITY may perform an independent audit. Such audits may cover programmatic as well as fiscal matters. USER will be afforded an opportunity to respond to any audit findings, and have the responses included in the final audit report. Costs of such audits will be borne by the CITY, unless the audit has been initiated by CITY in response to a default hereunder by USER, in which event USER shall be responsible for such audit cost.

SECTION 4. PROGRAM COORDINATION.

- A. Prior to the Effective Date of this Agreement, and each year thereafter during the term of this Agreement, USER shall provide CITY with a draft annual program plan for CITY's approval. Upon approval of the annual program by the CITY, USER (or USER's approved subcontractors) shall offer the Community Services described in the Program to the public in accordance with the approved written plan.
- B. USER shall comply with the requirement that the Center shall be made available for the PARCS Senior Hot Meals Program if applicable, and Fresno County EOC Sack Lunch program to provide no-cost snacks and/or lunch during extended school breaks, at no cost, and the USER shall cooperate with the provider of those programs.
- C. USER represents that USER shall employ, at its sole cost and expense, an administrator who shall act as the director of the Program and shall have overall responsibility for the progress and execution of this Agreement, as well as supervise the operation of the Program. USER shall provide CITY with the contact information for USER's Program Director upon execution of this Agreement. Should circumstances or conditions

subsequent to the execution of this Agreement require a substitute Program Director, USER shall notify the CITY immediately of such occurrence. Any change in Program Director will be subject to approval by the CITY. USER's staff shall cooperate fully with the CITY with respect to all matters related to this Agreement.

- D. USER's staff shall attend meetings as required or requested by CITY or Director, which except in cases of emergency, shall be scheduled with reasonable notice.
- E. The parties agree that USER shall be solely responsible for the recruitment, training, supervision and compensation of USER's employees, including Program employees. The parties further agree that USER shall be solely responsible for the recruitment, training and supervision of volunteers to assist in the operation of Center or the Program.
- F. USER may contract with third-party organizations to provide programming at the Center; however, any such contract shall be subject to advance review and approval by CITY. Subsequent changes and amendments to such contracts shall also be subject to advance review and approval by CITY.

SECTION 5. OPERATION OF CENTER.

- A. CITY grants permission to USER to conduct the Program during the term of the Agreement, and pursuant to the terms of this Agreement. The use of the Center by USER shall not be exclusive, and CITY shall have the right at all times to enter upon the Center for any purpose and to use the same for any purpose not inconsistent with USER's obligations hereunder. USER acknowledges that the Center is one component at the Mosqueda site, and other groups having existing leases or licenses at the Mosqueda site. USER agrees to take reasonable efforts to minimize any disturbance to the operation and/or other uses of the Mosqueda site by CITY, other lessees or licensees, and the public. USER shall not pay facility use fees to CITY for USER's Community Service Program activities which have been expressly approved by CITY, subject to the

provisions of this Agreement, provided that other costs and charges as set forth herein, may apply. USER shall have access to the outdoor spaces around the Center; however, paid reservations made through the CITY for the use of the outdoor spaces shall be given first priority.

- B. Minimum Hours of Operation. USER shall operate the Center at a minimum every Monday through Friday from 3:00 p.m. to 7:00 p.m. with recreational and/or enrichment activities geared toward school aged children from the surrounding neighborhoods offered during those hours.
- C. A location-specific program calendar shall be submitted to CITY on a quarterly basis and continuously posted for public display at the Center.
- D. Minimum Programming Requirements. USER shall, at a minimum, provide the following:
 - 1. Provide daily homework assistance and/or computer lab access.
 - 2. Provide a variety of indoor recreation activities, e.g., arts and crafts, board games, table games.
 - 3. Provide opportunities for community service activities, e.g., neighborhood clean-up, adopt-a-park, etc.
 - 4. Coordinate diverse cultural/holiday activities, e.g., Valentine's, Easter/Spring, Cinco de Mayo, Juneteenth, Fourth of July, Halloween/Harvest, Thanksgiving and Winter Holiday neighborhood celebrations.
 - 5. Provide access for the PARCS Senior Hot Meals Program, if applicable.
 - 6. Continue partnership with Fresno County EOC to provide no-cost snacks and/or lunch during extended school breaks (Sack Lunch Program).
- E. USER shall report any suspicious or illegal behavior or activity at the Center or surrounding grounds to appropriate authorities, including timely reporting of any graffiti or vandalism at or affecting the Center.

- F. USER shall be responsible for conducting services at the Center consistent with CITY's policies and procedures for facility operation, including without limitation, nondiscrimination practices and procedures.
- G. USER's operational obligations shall include reasonable staffing of the Center and running the Community Service Programs in a manner satisfactory to CITY. USER agrees that a minimum of two (2) staff members shall be on the Center premises during all hours of operation.
- H. USER agrees that any and all personnel, either paid or volunteer, whom USER utilizes in conducting the Program shall be qualified to perform the duties assigned to them. USER shall provide CITY with job descriptions of all volunteer and paid positions. All Center personnel shall be neatly attired and shall conduct themselves at all times in a courteous and businesslike manner.
- I. USER understands and agrees that the permission granted herein by the CITY to USER to use and occupy the center is contingent upon the Center being CITY-owned property. If, at any time during the term of this Agreement, the Center should no longer be CITY-owned property or should become unsafe or unusable for any cause or if CITY terminates for any other reason, CITY shall have no obligation to provide other facilities. USER further affirms and acknowledges that USER has no relocation rights with respect to the Center or the Program if this Agreement is terminated for any reason.
- J. While it is anticipated that USER may apply for grants from various sources to assist in running USER's programs, nothing herein obligates the CITY to provide any funding to USER in the operation of any program within the Center. Furthermore, nothing herein grants USER any priority or special consideration from the CITY when the CITY is considering the distribution of grant funding to nonprofits and similar entities.

- K. No fees may be charged for the Minimum Program Requirements set forth in Paragraph C of this Section. USER may charge fees for participation in approved Community Serving programming beyond the Minimum Program Requirements. For all programs for which a fee will be charged, USER must submit a detailed description of the program to the Director at least fifteen (15) days prior to the initiation of the program. CITY reserves the right to disallow any fees assessed for participation in USER programs and activities which the CITY deems to be excessive or inconsistent with the mission of the PARCS Department.
- L. USER is herein authorized to retain such collected fees for USER use in meeting programming and operational expenses for Community Serving programs at the Center.
- M. CITY agrees that USER may conduct community events and fundraising activities at CENTER with the prior written approval of PARCS Director, so long as activities do not adversely impact access for the general public to the Center. CITY approval may be contingent upon USER providing appropriate services needed to adequately support the event. Proceeds from fundraising activities must have a direct correlation to USER operations at the Center. USER must contact the Director prior to any outdoor event to ensure that the outdoor space is not already reserved by another group or organization. No alcoholic beverages will be allowed on premises.
- N. USER agrees that CITY shall retain two private offices and a customer service/administrative support area at the Center that are necessary for CITY programs. The selection of office locations shall be subject to agreement by both parties. The CITY Life & Environmental Sciences lab shall also remain in its current location until June 30, 2012, whereupon use of said space will revert to USER. In addition, City will retain sole use of two existing modular storage units located on the grounds.

- O. USER shall be allowed to post signage to identify its presence at the Center. All signage and its placement will require CITY approval and be in accordance with the City sign ordinance.
- P. CITY shall have sole rights and responsibility to operate the Bike Park and pool at Center, subject to availability of funds.

SECTION 6. INVENTORY AND USE OF EQUIPMENT. CITY may agree to make available to USER, at CITY's sole discretion, certain CITY-owned equipment and furnishings for USER's use in the conduct of the Program. An inventory of such CITY-owned equipment and furnishings in the Center as of the effective date of this Agreement is included in Exhibit A. USER agrees to maintain all CITY equipment and furnishings applicable to this provision in good condition and safe working order, and to return same to CITY in the same condition as when received by USER, reasonable wear and tear excepted. The use of City equipment for other purposes outside the scope of this agreement is not permissible.

SECTION 7. UTILITIES .

- A. USER shall pay 100% of electricity and gas costs for the Center beginning September 1, 2011. CITY will pay 100% of existing services for water, sewer, garbage, alarm and pest control. Should USER elect to add additional structures on leased premises, subject to CITY approval, USER shall be responsible for 100% of all additional utility services.
- B. USER shall bill annually Fresno County Library, an existing tenant on premises, for their proportionate share of electricity and gas usage, using the predetermined reimbursement formula covered under a separate Agreement between CITY and Fresno County Library, as shown in Exhibit D of this Agreement. CITY will continue to bill Fresno County Library for their proportionate share of all other utilities.
- C. CITY agrees to provide outside garbage and refuse containers at the Center for the deposit of refuse collection services.

SECTION 8. MAINTENANCE AND REPAIR.

- A. USER shall provide routine janitorial maintenance and repair of the Center necessary through reasonable wear and tear; which includes, at a minimum, spot vacuuming, mopping, and restroom service. Routine repairs that are the result of normal wear and tear on the facility will also be the responsibility of USER.
- B. CITY shall be responsible for maintaining all turf areas, irrigation, and tree trimming at the Center and surrounding grounds, subject to available budgetary resources during the Agreement. CITY shall also maintain all landscape and concrete within the Bike Park and pool areas. USER shall be responsible for maintaining all non-turf landscape areas including, but not limited to: Butler street flower beds, bedding areas adjacent and surrounding the Center, courtyard planter boxes, tot lot area, eastern perimeter of park, flower beds and tree wells within parking lot area, and all concrete and asphalt areas. Typical activities for non-turf landscaping would include raking, blowing, weed control, trimming, edging, re-planting, fertilizing, and litter control. Concrete and asphalt area maintenance is limited to litter and weed control. The Center will continue to be included in the CITY Adopt-a-Park program; and at the time of the execution of this Agreement, the Center has been adopted by Sunnyside High School.
- C. USER shall make no alteration or change in any manner to the Center or the surrounding grounds, including electrical, gas or plumbing equipment or facilities. If USER desires to alter, modify, change or relocate any utility, equipment, or facilities or of any part or portion of the Center, such action shall be subject to the prior approval of CITY and the costs thereof shall be borne by USER. The parties acknowledge that USER contemplates the addition of modular structures to the site during the term of this Agreement, subject to CITY approval.
- D. USER has inspected the Center and agrees to use and occupy the Center in an "as-is" condition as of the date of this Agreement. Any maintenance or repairs required as a result of misuse or negligence of USER (including USER's agents, subcontractors, invitees, and employees) shall be corrected within thirty (30) days by USER. USER may make arrangements for CITY to make necessary repairs at USER's sole cost and expense. Failure to complete said repairs within the specified time period may be grounds for

termination.

- E. The USER shall hold the CITY harmless against claims if the CITY determines that it must temporarily shut down the Center to perform major system repairs.

- F. CITY shall be responsible for structural, equipment repair and other long term capital repairs of the Center, except to the extent such repair may be caused by the misconduct or negligent actions or omissions of USER or USER's invitees. USER shall report all necessary facility maintenance and repairs to CITY in a timely manner. CITY shall conduct preventative maintenance in a manner consistent with the majority of other similar CITY community center facilities. Enhanced maintenance requested by USER above the CITY's minimum levels of service are subject to CITY's approval. Should USER elect to erect additional structures on leased premises, subject to CITY approval, USER shall be responsible for 100% of the maintenance and repair costs.

- G. No alterations or improvements, including capital improvements and installations of additional phone lines, T1 lines, electrical lines, security systems, or changing of locks and keys, shall be made to the CENTER without the CITY's prior written approval. If the CITY provides written approval, the USER shall be responsible for obtaining all CITY permits through the City of Fresno Public Works Department necessary for the construction of any alterations or improvements. USER will be responsible for meeting all permit requirements at no cost to the CITY.

SECTION 9. NO WASTE OR NUISANCE. USER shall not commit, or suffer to be committed, any waste upon the Center, or any public or private nuisance.

SECTION 10. REPORTING REQUIREMENTS. User shall be subject to the reporting requirements set forth in Exhibit C attached hereto.

SECTION 11. INDEPENDENT CONTRACTOR. The parties mutually agree that USER and its employees are and shall be at all times independent contractors and not agents or employees of the CITY, and that USER and its employees shall not be entitled to any salary, fringe benefits, pension, Workers' Compensation, sick leave, insurance, or any other benefit or right connected with employment by the CITY, or any compensation other than as prescribed herein and USER expressly waives any claim it may have to such rights.

SECTION 12. LICENSE RIGHTS/NOT A LEASE. The rights granted to USER under this Agreement are non-exclusive license rights only and in no respect shall the same constitute or be construed as an assignment of a leasehold or other interest in the property described in this Agreement.

SECTION 13. ASSIGNMENT OR SUBLEASE BY USER. This Agreement shall not be assigned by USER in whole or in part nor subleased or subcontracted in any respect without written authorization of CITY, which may be withheld in CITY's sole discretion.

SECTION 14. NONDISCRIMINATION. In the performance of this Agreement, including without limitation, the programs and services provided at the Center, USER shall not discriminate against any employee or applicant for employment because of race, sex, color, age, religion, sexual orientation, actual or perceived gender identity, disability, ethnicity, or national origin, in connection with or related to the performance of this Agreement.

SECTION 15. COMPLIANCE WITH LAWS/BACKGROUND CHECKS/REPORT OF CHILD ABUSE.

- A. USER shall comply with all applicable laws, ordinances, codes and regulations of the federal, state and local governments.
- B. USER shall be responsible for payment of all taxes, fees, contributions or charges applicable to the conduct of USER's business.
- C. Without limitation of any other provision herein, if the services provided hereunder (i) involve direct contact with minors or if minors are supervised as part of the services provided hereunder, or (ii) if services provided hereunder include services in the human

services field and involve the care and security of children, the elderly, the disabled, or the mentally impaired, then USER represents and warrants to CITY that prior to services being provided hereunder by any personnel or volunteers retained by USER that the USER has or will conduct a criminal background check as provided in California Penal Code Section 11105.3, as well as an FBI criminal database background check and, has or will verify prior to services being provided that the personnel or volunteers do not have any criminal record for the offenses listed in California Penal Code Section 11105.3, which include, certain offenses related to the possession or use of controlled substances, sex offenses or any criminal offense involving violence.

- D. USER shall comply with the provisions of the Child Abuse and Neglect Reporting Act, California Penal Code Section 11164 et seq.
- E. USER shall request subsequent arrest service from the Department of Justice as provided under Section 11105.2 of the Penal Code.
- F. No person whether paid or not paid by USER shall be permitted to provide services described in this Agreement unless, prior to commencing services hereunder, USER shall deliver a letter to CITY listing such person and certifying that the USER has conducted a proper background check on such person or persons, and each of the named persons is legally permitted to perform the services described in this Agreement. If requested by City during the term of this Agreement, USER shall provide an updated certification letter verifying that the background checks for each of the named persons is current and in compliance with this provision.

SECTION 16. WAIVER OF CLAIMS. USER, as a material part of the consideration to be rendered to CITY under this Agreement, hereby waives all claims or causes of action against the CITY, its officers or employees which USER may now or hereafter have for damages to goods, wares, merchandise or other property in, about or upon the Center or any portion of the building in which Center is located, and for injuries to persons in or about the Center, from any

cause or causes arising at any time. In particular, but not by way of limitation, USER hereby waives any and all claims or causes of action which USER may now or hereafter have against the CITY, its officers or employees: (a) for loss, injury or damage sustained by reason of any deficiency, impairment and interruption of any service or system serving Center or any portion of building in which Center is located, and (b) for any loss or damage to the property of, or injury or damage to USER, USER's officers, employees, or agents, from any cause or causes arising at any time because of USER's use or occupancy of the Center or any portion of building in which Center is located.

SECTION 17. INDEMNIFICATION AND HOLD HARMLESS. USER shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and authorized volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by CITY, USER or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. USER'S obligations under the preceding sentence shall apply regardless of whether CITY or any of its officers, officials, employees, agents or volunteers are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of CITY or any of its officers, officials, employees, agents or authorized volunteers.

If USER should subcontract all or any portion of the work to be performed under this Agreement, USER shall require each subcontractor to indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

If USER should rent the Center, USER shall require each renter to indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraphs.

This section shall survive termination or expiration of this Agreement.

SECTION 18. INSURANCE REQUIREMENTS. Throughout the life of this Agreement, USER shall pay for and maintain in full force and effect all insurance as required in Exhibit B or as may be authorized in writing by CITY'S Risk Manager or his/her designee at any time and in his/her sole discretion.

If at any time during the life of the Agreement or any extension, USER or any of its subcontractors fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately. Any failure to maintain the required insurance shall be sufficient cause for CITY to terminate this Agreement. No action taken by CITY pursuant to this section shall in any way relieve USER of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by CITY that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

The fact that insurance is obtained by USER shall not be deemed to release or diminish the liability of USER, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify CITY shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by USER. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of USER, its principals, officers, agents, employees, persons under the supervision of USER, vendors, suppliers, invitees, USERS, sub-USERS, subcontractors, or anyone employed directly or indirectly by any of them.

Upon request of CITY, USER shall immediately furnish CITY with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.

If USER should subcontract all or any portion of the services to be performed under this Agreement, USER shall require each subcontractor to provide insurance protection in favor of CITY and each of its officers, officials, employees, agents and volunteers in accordance with the

terms of this section, except that any required certificates and applicable endorsements shall be on file with USER and CITY prior to the commencement of any services by the subcontractor.

If USER should rent the Center, USER shall require each renter to provide insurance protection in favor of CITY and each of its officers, officials, employees, agents and volunteers in accordance with the terms of this section, except that any required certificates and applicable endorsements shall be on file with USER and CITY two (2) weeks prior to the date(s) of the rental.

SECTION 19. COMPLIANCE WITH LAWS. USER shall comply with CITY policies and all applicable state and federal laws, regulations and rules related to the use of the Center and the operation of the Program, including but not limited to, laws, regulations and rules applicable to health, safety and equal opportunity employment.

SECTION 20. POSSESSORY INTEREST TAX. USER understands and agrees that this Agreement may create a possessory interest subject to property taxation and that USER may be subject to payment of property taxes levied on such interest, and that any such tax shall be the liability of and be paid by USER.

SECTION 21. TIME OF ESSENCE. Where performance of a covenant is specified herein to be performed on or before a certain date, time shall be of the essence of that said covenant. Performance by USER of each and every covenant of this Agreement is material, the breach of which shall constitute a material breach of this Agreement for which the CITY may terminate this Agreement.

SECTION 22. EFFECT OF WAIVER. The waiver by CITY of any breach of any term, covenant or condition of this Agreement shall not be deemed a waiver of such term, covenant or condition of waiver of any subsequent breach of such term, covenant or condition. The consent or approval by CITY to or of any act by USER requiring CITY's approval or consent shall not be deemed to waive provisions for CITY's approval or consent to any such subsequent acts by USER.

SECTION 23. AUTOMATIC TERMINATION. The right of USER to use the Center described herein shall be automatically terminated without notice on the occurrence of any one of the following conditions subsequent, in which event USER shall forthwith and without demand by the CITY, surrender the Center without delay.

- A. The appointment of a receiver to take possession of all or substantially all of the assets of USER;
- B. A general assignment by USER for the benefit of creditors;
- C. Any action taken or suffered by USER under any insolvency or bankruptcy act;

- E. Failure to comply with any material term of any other agreement between USER and CITY, including without limitation, any grant agreement.

SECTION 24. ELECTIVE TERMINATION. This Agreement may be terminated by either party at any time during the term for any reason, upon giving to the other party at least ninety (90) days written notice of termination. In the event such notice of termination is given, this Agreement shall be deemed terminated ninety (90) days after delivery of notice is given pursuant to Section 28. Notwithstanding the foregoing, the City shall have the right to immediately terminate part or all of this License Agreement when the facilities are required for public necessity or emergency use.

SECTION 25. The parties acknowledge that CITY may terminate this Agreement under this provision without cause, notwithstanding USER's compliance with the terms of this Agreement including payment of utilities, delivery of reports and program services. The Director is authorized to decide, on the part of the CITY, that this Agreement is to be terminated and to furnish written notice thereof to USER.

SECTION 26. TERMINATION UPON DEFAULT. In the event of any default on the part of USER in USER's performance of or compliance with any of the terms, conditions and covenants of this Agreement, CITY shall have the right, in addition to or as an alternative to any other right it may have at law or in equity or pursuant to this Agreement, to terminate this Agreement upon (30) days prior written notice; provided, however, that CITY shall first give written notice to USER of such default and USER shall thereafter have a period of seven (7) days to correct the default.

SECTION 27. SURRENDER ON TERMINATION. Upon the expiration or termination of this Lease, Tenant shall peaceably vacate and surrender the Premises to the Landlord in good condition (with the exception of ordinary wear and tear and acts of God) and shall surrender all keys to the Premises. At Landlord's sole option, Tenant shall either remove Tenant's Property on or before the Termination Date and promptly repair all damage to the Premises caused by such removal, or title to such Property shall vest in the Landlord free and clear at no cost to Landlord. If Tenant abandons or surrenders the Premises, or is dispossessed by process of law or otherwise, any of Tenant's Property left on the Premises shall be subject to the foregoing option in Landlord unless the law or judicial decision of the jurisdiction in which the Premises is located provides otherwise. If Landlord elects to remove all or any part of such Tenant owned Property, the cost of removal, including reasonable storage costs and the cost of repairing any damage to the Premises caused by such removal, shall be paid by Tenant.

SUBJECT: A RESOLUTION OF THE COUNCIL OF THE CITY OF FRESNO, CALIFORNIA, AUTHORIZING THE CITY MANAGER OR DESIGNEE TO NEGOTIATE AN AGREEMENT WITH READING & BEYOND FOR THE OPERATION OF MOSQUEDA COMMUNITY CENTER

RECOMMENDATIONS

Staff recommends that the City Council approve the attached resolution authorizing the City Manager or designee to negotiate and execute an agreement with Reading & Beyond for the operation of Mosqueda Community Center, subject to City Attorney review and approval.

EXECUTIVE SUMMARY

As of October 1, 2010, the PARCS Department was no longer be able to fund recreational programs at ten (10) of the seventeen (17) City neighborhood centers. These centers were: Einstein, Quigley, El Dorado, Pinedale, Mary Ella Brown, Lafayette, Melody, Sunset, Fink White, and Highway City. Currently, we have Community Based Organizations (CBOs) operating seven centers in a lead capacity and one agency operating as a secondary. Quigley and Highway City do not yet have an agency identified. Due to ongoing economic impacts to General Fund revenue, which is the primary funding source for neighborhood recreation centers, the Department has begun the process of identifying partners for the remaining 'flagship' sites.

The Department was approached by Reading & Beyond with a unique opportunity to become the lead agency at Mosqueda Community Center and set up a one-stop-shop for the community by utilizing partner agencies. Reading and Beyond (RAB) plans to continue to administer the City of Fresno Parks and Recreation programs currently offered at Mosqueda Center, in addition to operating during the same days and times and make the center available for community use. To supplement current programs, RAB also plans to administer their series of research- and evidence-based programs for children and families, including: early childhood education programming, after-school literacy intervention and tutorial, parent involvement and education, college preparation, and workforce development utilizing the Fresno Bridge Academy model.

Their goal is to transform the Mosqueda Center into a one-stop-shop of programs for children and families, whereby in addition to RAB directly providing programs, other community partners will also be invited to deliver essential programming that aligns and integrates with Mosqueda operations. Community partners will include the County of Fresno Department of Social Services, Fresno County Economic Opportunities Commission (EOC), UC Cooperative Extension, and WIC. RAB's workforce development program (which utilizes the Fresno Bridge Academy model) will be the focal point of all programs.

The Bridge Academy model requires that all aspects of employability and life needs are provided through a collaborative, co-managed and wrap around triage of specialized community/neighborhood and employment/training resources. The model also requires that partners leverage all local resources as part of an integrated City/community strategy to provide residents trapped in the cycle of poverty and dependence with a renewed sense of hope and empowerment to alter the course of their lives.

Time is of the essence because Reading & Beyond is currently working out the proposed sub-Agreements with the partnering agencies that will operate at Mosqueda; which will result in additional funding for interior improvements at the Center. Much of this additional funding is subject to partner agencies internal budget deadlines for expenditure of funds during this fiscal year; and a delay of even weeks could put this funding in jeopardy. A majority of the deal points between the City and Reading & Beyond have already been worked out (see below) however the Agreement is still being finalized by completing insurance requirements, attorney reviews, exhibits, etc. As such the Agreement is not in final form, so to remedy the time crunch; approval of the attached resolution will authorize the City Manager or designee to execute the Agreement on behalf of the City, subject to City Attorney review and approval.

The Agreement with Reading & Beyond will be similar to existing CBO Agreements at other City neighborhood centers:

- Business will continue 'as usual', with afternoon recreation programs run by Reading & Beyond.
- Senior Hot Meal program (including the ceramics class) will continue in its current state
- Swim pool & Bike Park will continue to be operated by PARCS, subject to available funding.
- PARCS will retain a small staff presence at the Center along with a customer service portal.
- Environment Science Lab will remain until the grant funding its operation lapses (June 30, 2012)
- Facility reservations will be handled by Reading & Beyond
- Fresno County Library and Head Start will remain at the Center under their separate existing leases.
- Access to green space is unaffected
- Reading & Beyond will make an effort to accommodate existing use of the social hall by Hula Ohana and Police Activities League (Tae Kwan Do)

The contract term for all current CBOs is a three year commitment with an option to renew for an additional two years. Reading & Beyond has requested a five year term with a two year extension option so they can fully depreciate their expected investment in the property such as new furniture, interior improvements, and possible placement of modular structures on the property to expand programming space.

A significant difference from existing CBO sites is that Reading & Beyond will pay 100% of the Center's electricity and gas costs starting September 1, 2011. The City will continue to pay existing services for water, sewer, garbage, alarm and pest control. Should Reading & Beyond elect to add additional structures on leased premise (subject to City approval) they will be responsible for 100% of all additional utility services. Consistent with other CBOs, Reading & Beyond will maintain and operate programs in the buildings, cover all janitorial service, and will have discretion to facilitate programs that are operated inside the facility. The buildings and green space of all centers will remain the responsibility of the PARCS Department for maintenance in a manner consistent with the majority of other similar neighborhood parks and center facilities. Enhanced maintenance requested by a CBO above the Department's minimum levels of service are subject to available funding.

BACKGROUND

Reading & Beyond will abide by all operational and program requirements as other CBOs, specifically:

Minimum Operational Requirements:

- Open/Close/Secure Facility
- Reporting of suspicious or illegal behavior, graffiti and vandalism
- Provide interior janitorial service and maintenance
- Reporting of outside facility maintenance needs to the City in a timely manner

Minimum Program Requirements:

- Provide public access to the facilities Monday through Friday from 3:00 to 7:00 p.m. with recreational and/or enrichment activities geared for school-aged children from the surrounding neighborhoods offered during those hours. Community partners must ensure the same or greater levels of public access and recreational/enrichment activities.
- Provide daily homework assistance and/or computer lab access
- Continue partnership with Fresno County EOC to provide no-cost snacks and/or lunch during extended school breaks, i.e. summer vacation, winter break. (Sack Lunch Program)
- Provide a variety of indoor recreation activities, i.e. arts & crafts, board games, table games.
- Provide opportunities for community service activities, i.e. neighborhood clean-up, adopt-a-park, etc.
- Coordinate diverse cultural/holiday activities, i.e. Valentines, Easter/Spring, Cinco De Mayo, Juneteenth, Fourth of July, Halloween/Harvest, Thanksgiving and Winter Holiday neighborhood celebrations
- Provide access for the PARCS Senior Hot Meals Program.

Reading and Beyond (RAB) has been providing "cradle to career" programming for children and families since 1999. Specifically, RAB has expertise in providing and coordinating early childhood programming (including educational home visitation, childcare and preschool programs, and developmental screening); educational and enrichment programming for children in grades Kindergarten through 8th (including literacy and academic intervention, physical fitness and sports, social-emotional development, drug prevention, and violence prevention); College Preparation for high school students and adults; and Workforce Development for older youth and adults. In addition, RAB has experience and expertise designing and implementing an array of programs for children, adults, and families at neighborhood sites – including school sites and community-based sites, such as churches and most recently the City of Fresno's Einstein Parks and Recreation site.

At present, Reading and Beyond is serving 2,000 children and their families on a daily basis at more than 30 different, neighborhood based sites throughout Fresno County. Approximately 70 to 100 children and their families are enrolled at each site. Programs at each site vary based upon needs of families. Although every site has its unique mix of programs (based on the needs of children and families) – all are coordinated and operated in a standard, quality fashion.

FISCAL IMPACT

The Agreement will have a positive financial impact in that Reading & Beyond will pay PG&E costs that are currently paid by the General Fund. This savings is approximately \$39,000 in FY 2012 and \$60,000 in FY 2013 and subsequent years of the Agreement. Additional ancillary savings will also be realized from transferring responsibility of phone lines, janitorial services, and recreation supplies.
