## EXHIBIT "F" - PROMISSORY NOTE

DO NOT DESTROY THIS NOTE: When paid, this note, must be surrendered to Borrower for Cancellation.

---

PROMISSORY NOTE  
Secured by Deed of Trust

Loan Amount: \$1,000,000  
Fresno, California

Date: \_\_\_\_\_

Promise to Pay. For value received, the undersigned, Viking Village, LP ("Borrower"), promises to pay to the order of the City of Fresno, a California municipal corporation ("Lender"), the sum of One Million dollars and 00/100 (\$1,000,000.00), to the extent that such funds are loaned to Borrower, with interest on the unpaid principal balance running from the date of disbursement with simple interest at the rate of 3% annually in accordance with the HOME Investment Partnerships Agreement dated \_\_\_\_\_, 2013, entered into between the Lender and BORROWER, ("Agreement"), with all principal and interest due and payable on or before the earlier of (i) Borrower's uncured default under the Agreement with respect to the Project, and (ii) fifty-five (55) years from the date of this Note, ("Maturity Date"), on which date the unpaid balance of principal with unpaid interest thereon shall be due and payable, along with attorney's fees and costs of collection, and without relief from valuation and appraisal laws.

This is a Residual Receipts Note. Principal and interest payments equal to 40% of annual Residual Receipts, to the extent that Residual Receipts exist and are itemized in audited financial statements supplied to Lender with each payment hereunder, shall be due one hundred eighty (180) days following the end of the year in which the Project converts to its permanent phase under the Financing, and said payment continues each successive year thereafter until the Maturity Date, upon which all principal and interest shall be due and payable (prorated amounts to be paid for the first and last year of the Note). Any failure to make a payment required hereunder within ten (10) days after such payments are due shall constitute a default under the Agreement with respect to the Project and this Note. It shall not be a default hereunder if no payment was made because Project Residual Receipts did not exist for any particular year. Additionally any failure to timely submit to Lender audited financial statements within thirty (30) days after such financial statements are due shall constitute a default under the Agreement with respect to the Project and Note.

Residual Receipts means in each operating year after the conversion of the Project financing to its permanent phase, the sum of: (i) all cash received by the Project from (A) rents, lease payments, and all sources generally considered in the apartment industry to be "other income" (which does not include payments for optional services provided by Borrower), (B) payments from HUD under a Housing Assistance Program Section 8 Contract to the Project, if any, and excluding (a) tenant security or other deposits required by law to be segregated, and (b) interest on reserves not available for distribution, and (ii) the net proceeds of any insurance (including rental interruption insurance), other than fire and extended coverage and title insurance, to the extent not reinvested, less the sum of: (i) the Project related annual fee payable to the investment limited partner and the annual fees payable to the nonprofit managing general partner; (ii) all payments on account of any loans (including unpaid principal and accrued reasonable interest) made for the benefit of the Project by the Borrowers pursuant to the terms of any equity investor limited partnership agreement, and; (iii) payments towards the deferred developer fee (including repayment of loans or capital contributions made by a partner to a partnership specifically for the purpose of paying the deferred developer fee); (iv) contributions to any prudent and reasonable cash reserves for working capital, capital

expenditures, repairs, replacements and anticipated expenditures, in such amounts as may be reasonably required by the lenders to the Project for the operation of the Project not to exceed the amount required by the Project's permanent lender, annually adjusted in proportion to the average increase of the following indices (a) the United States Bureau of Labor Statistics for Hourly Wage Rates of all workers in manufacturing, and (b) of all Commodity Wholesale Prices, said indices shall be re-defined to the mutual satisfaction of the parties in the event of change in form and basis of indices, all increases shall use the indices for calendar year 2010 as their base; (v) the payment of principal and interest, and any associated fees, expenses, and costs, with respect to the Financing; (vi) payments made to the investors which are required to reimburse the investors a portion of its capital contribution in relation to the Project when there is a shortfall in funding initially promised pursuant to any equity investor or partnership agreement; (vii) the payment of any deferred development costs.

Operating Expenses means actual, reasonable and customary (for comparable quality, newly constructed rental housing developments in Fresno County) costs, fees and expenses directly incurred, paid, and attributable to the operation, maintenance and management of the Affordable Project in a calendar year, including, without limitation: painting, cleaning, repairs, alterations, landscaping, utilities, refuse removal, certificates, permits and licenses, sewer charges, real and personal property taxes, assessments, insurance, security, advertising and promotion, janitorial services, cleaning and building supplies, purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishings which are not paid from the capital replacement reserve, fees and expenses of property management and common area expenses, fees and expenses of accountants, attorneys and other professionals, the cost of social services, repayment of any completion or operating loans including any and all deferred contractor's fees per the Budget, made to Borrower, its successors or assigns, and other actual operating costs and capital costs which are incurred and paid by Borrower, but which are not paid from reserve accounts.

All capitalized terms used in this Note, unless otherwise defined, will have the respective meanings specified in the Agreement. In addition, as used in this Note, the following terms will have the following meanings:

Business Day means any day other than Saturday, Sunday, or public holiday or the equivalent for banks generally under the laws of California. Whenever any payment to be made under this Note is stated to be due on a day other than a Business Day, that payment may be made on the next succeeding Business Day.

Note Maturity Date means fifty-five (55) years from the date the permanent loan converts.

This Note, and any extensions or renewals hereof, is secured by a Deed of Trust and Assignment of Rents, on real estate in Fresno County, California, that provides for acceleration upon stated events, dated as of the same date as this Note, and executed in favor of and delivered to the Lender ("Deed of Trust"), insured as a 3<sup>rd</sup> position lien on the Property.

Time is of the essence. It will be a default under this Note if Borrower defaults under the Agreement, any other Loan Document with the Lender, or this Note and such default continues beyond the notice and cure period as provided in such documents. In the event of a default by Borrower with respect to any sum payable under this Note and the failure to cure such default within ten (10) days, the Borrower shall pay a late charge equal to the lesser of two percent (2%) of any outstanding payment or the maximum amount allowed by law. All payments collected shall be applied first to payment of any costs, fees or other charges due under this Note or any other Loan

Documents then to the interest and then to principal balance. On the occurrence of an uncured default or on the occurrence of any other event that under the terms of the Loan Documents give rise to the right to accelerate the balance of the indebtedness, then, at the option of Lender, this Note or any notes or other instruments that may be taken in renewal or extension of all or any part of the indebtedness will immediately become due without any further presentment, demand, protest, or notice of any kind. Lender acknowledges and agrees that it shall send notice of any default hereunder to the limited partners of Borrower and shall accept any cure offered by such limited partners on the same basis as it would accept a cure from Borrower.

The indebtedness evidenced by this Note may, at the option of the Borrower, be prepaid in whole or in part without penalty. Lender will apply all the prepayments first to the payment of any costs, fees, late charges, or other charges due under this Note or under any of the other Loan Documents and then to the interest and then to the principal balance.

All Loan payments are payable in lawful money of the United States of America at any place that Lender or the legal holders of this Note may, from time to time, in writing designate.

Borrower agrees to pay all costs including, without limitation, reasonable attorney fees, incurred by the holder of this Note in the successful enforcement of payment, whether or not suit is filed, and including, without limitation, all costs, reasonable attorney fees, and expenses incurred by the holder of this Note in connection with any bankruptcy, reorganization, arrangement, or other similar proceedings involving the Borrower that in any way affects the exercise by the holder of this Note of its rights and remedies under this Note. All costs incurred by the holder of this Note in any action undertaken to obtain relief from the stay of bankruptcy statutes are specifically included in those costs and expenses to be paid by Borrower.

Any notice, demand, or request relating to any matter set forth herein shall be in writing and shall be given as provided in the Agreement.

No delay or omission of Lender in exercising any right or power arising in connection with any default will be construed as a waiver or as acquiescence, nor will any single or partial exercise preclude any further exercise. Lender may waive any of the conditions in this Note and no waiver will be deemed to be a waiver of Lender's rights under this Note, but rather will be deemed to have been made in pursuance of this Note and not in modification. No waiver of any default will be construed to be a waiver of or acquiescence in or consent to any preceding or subsequent default.

The Deed of Trust provides as follows:

Except as provided herein or in the Agreement, if the Trustor/Grantor shall sell, convey or alienate said property, or any part thereof, or any interest therein, or shall be divested of his title or any interest therein in any manner or way, whether voluntarily or involuntarily, without the written consent of the Beneficiary being first had and obtained, Beneficiary shall have the right, at its option, except as prohibited by law, to declare any indebtedness or obligations secured hereby, irrespective of the maturity date specified in any Note evidencing the same, immediately due and payable.

Lender may transfer this Note and deliver to the transferee all or any part of the Property then held by it as security under this Note, and the transferee will then become vested with all the powers and rights given to Lender; and Lender will then be forever relieved from any liability or

responsibility in the matter, but Lender will retain all rights and powers given by this Note with respect to Property not transferred.

If any one or more of the provisions in this Note is held to be invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions will not in any way be affected or impaired. This Note will be binding on and inure to the benefit of Borrower, Lender, and their respective successors and assigns.

Borrower and Lender agree that this Note will be deemed to have been made under and will be governed by the laws of California in all respects, including matters of construction, validity, and performance, and that none of its terms or provisions may be waived, altered, modified, or amended except as Lender and Borrower may consent to in a writing duly signed by Borrower or Lender or its authorized agents.

This Note shall be nonrecourse to Borrower and all its constituent members and may be prepaid at any time without penalty. Neither Borrower nor any of its general and limited partners shall have any personal liability for repayment of the Loan. The sole recourse of the Lender under the Loan Documents for repayment of the Loan shall be the exercise of its rights against the Property pursuant to the Deed of Trust and Lender shall have no right to seek or recover any deficiency amount from Borrower or any partner of Borrower.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal. Borrower shall promptly pay when due the principal indebtedness evidenced by the Note.
2. Hazard Insurance. Borrower, at its sole cost and expense, for the mutual benefit of Borrower and Beneficiary, shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require and in such amounts and for such periods as Lender may require as set forth in the HOME Agreement referenced above.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

3. Preservation and Maintenance of Property. Leaseholds; Condominiums; Planned Unit Developments. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. Borrower shall not permit overcrowded conditions to exist as defined by the U.S. Department of Housing and Urban Development.
4. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorney's fees, and take such action as is necessary to protect Lender's interest. If Lender requires mortgage insurance as a condition of making the loan secured by this Deed of Trust, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable laws.

Any amounts disbursed by Lender pursuant to this Paragraph 5 shall become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 5 shall require Lender to incur any expense or take any action hereunder.

5. Inspection. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall provide Borrower notice prior to any such inspection specifying reasonable cause therefore related to Lender's interest in the Property.
6. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.
7. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust be reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be waiver of or preclude the exercise of any such right of remedy.
8. Successors and Assignees Bound; Joint and Several Liability; Co-Signers. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to the respective successors and assignees of Lender and Borrower. All covenants and agreements of Borrower shall be joint and several. Any borrower who co-signs this Deed of Trust, but does not execute the Note, (a) is co-signing this Deed of Trust only to grant and convey that Borrower's interest in the Property of Trustee under the terms of this Deed of Trust, (b) is not personally liable on the Note or under this Deed of Trust or the Note, without that Borrower's consent and without releasing that Borrower or modifying this Deed of Trust as to that Borrower's interest in the Property.
9. Transferability. One of the inducements to Beneficiary for making the Loan is the identity of Borrower. The existence of any interest in the Property other than the interests of Borrower and Beneficiary and any encumbrance permitted in this Deed of Trust, even though subordinate to the security interest of Beneficiary, and the existence of any interest in Borrower other than those of the present owners, would impair the Property and the security interest of Beneficiary, and, therefore, except as provided herein or in the Loan Documents, Borrower will not sell, convey, assign, transfer, alienate, or otherwise dispose of its interest in the Property, either voluntarily or by operation of law, or agree to do so, without the prior written consent of Beneficiary. Consent to one transaction by Beneficiary will not be deemed a waiver of the right to require consent to further or successive transactions. If Borrower is a corporation, any sale, transfer, or disposition of fifty percent (50%) or more of the voting interest of Borrower or of any entity that directly or indirectly owns or controls Borrower, including, without limitation, the parent company of Borrower, and the parent company of the parent company of Borrower, will constitute a sale of the Property for purposes of this article. If Borrower is a partnership any change or addition of a general partner of Borrower, change of a partnership interest of Borrower, or sale, transfer, or disposition of fifty percent (50%) or more of the voting interest or partnership interest of any partner of Borrower or of any corporation, partnership or entity

640

that directly or indirectly owns or controls any partner of Borrower, including, without limitation, each parent company of a partner of Borrower and each parent company of any parent company of a partner of Borrower, will constitute a sale of the Property for purposes of this section. If Borrower is a limited liability company, any change of the manager or any sale, transfer or disposition of fifty percent (50%) or more of the partnership interests of Borrower, or disposition of fifty percent (50%) or more of the voting interest of Borrower or of any corporation, partnership or entity that directly or indirectly owns or controls any member of Borrower, including without limitations, each parent company of Borrower and each parent company of any parent company of a member of Borrower, will constitute a sale of the Property for purposes of this section. Any transaction in violation of this section will cause all Indebtedness, irrespective of the maturity dates, at the option of the Beneficiary and without demand or notice, immediately to become due, together with any prepayment premium in accordance with the terms of the Note except as prohibited by law.

10. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to lender shall be given by certified mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.
11. Governing Law; Severability. The state and local laws applicable to this Deed of Trust shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of Federal law to this Deed of Trust or if the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Deed of Trust and the Note are declared to be severable. As used herein, "costs", "expenses", and "attorney's fees" include all sums to the extent not prohibited by applicable law or limited herein.
12. Borrower's Copy. Borrower shall be furnished a conformed copy of the Note and of this Deed of Trust at the time of execution or after recordation thereof.

NON-CONFORMING COVENANTS. Borrower and Lender further covenant and agree as follows:

13. Acceleration; Remedies. Upon Borrower's breach of any covenant or agreement of Borrower in this Deed of Trust, including the covenants to pay when due any sums secured by this Deed of Trust, the Note or the Program restrictions, Lender prior to acceleration shall give notice to Borrower as provided in paragraph 10 hereof specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, not less than 10 days from the date notice is mailed to Borrower, by which such breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the nonexistence of a default or any other defense of Borrower to acceleration and sale. If the breach is not cured on or before the date specified in the notice, Lender, at Lender's option may declare all of the sums secured by this Deed of Trust to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this paragraph 13, including, but not limited to, reasonable attorney's fees. If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which the Property or

some part thereof is located. Lender or Trustee shall mail copies of such notice in the manner prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law. After the lapse of such time as may be required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in such order as Trustee may determine.

Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or Lender's designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property so sold without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorney's fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto.

14. Borrower's Right to Reinstate. Notwithstanding Lender's acceleration of the sums secured by this Deed of Trust due to Borrower's breach, Borrower shall have the right to have any proceedings begun by Lender to enforce this Deed of Trust discontinued at any time prior to five days before sale of the Property pursuant to the power of sale contained in this Deed of Trust or at any time prior to entry of a judgment enforcing this Deed of Trust if: (a) Borrower pays Lender all sums which would be then due under this Deed of Trust and the Note had no acceleration occurred; (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Deed of Trust; (c) Borrower pays all reasonable expenses incurred by Lender and Trustee in enforcing the covenants and agreements of Borrower in paragraph 13 hereof, including but not limited to, reasonable attorney's fees; and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Deed of Trust, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Deed of Trust shall continue unimpaired. Upon such payment and cure by Borrower, this Deed of Trust and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.
15. Nonrecourse. Borrower shall not have any personal liability for repayment of the loan. The sole recourse of the Lender under the Loan Documents for repayment of the Loan shall be the exercise of its rights against the Property.
16. Withdrawal, Removal and/or Replacement. General partner of the Borrower pursuant to the terms of a partnership agreement due to violation by a general partner of the terms of a partnership agreement, or a voluntary withdrawal from a partnership by a general partner, and any transfer of limited partnership interest or interests in the same, shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the loan.
17. Lien of Deed of Trust. Beneficiary agrees that the lien of this Deed of Trust shall be subordinated to any extended low-income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code) (the "Extended Use Agreement") recorded against the Property, provided that such Extended Use Agreement, by its terms, must terminate upon foreclosure under this Deed of Trust or upon a transfer of the Property by instrument of lieu of foreclosure, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code, subject to the limitations upon evictions, terminations of tenancies and increases in gross rents of tenants of low-income units as provided in that Section.

WS

18. Assignment of Rent; Appointment of Receiver; Lender in Possession. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 13 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 13 hereunder or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Deed of Trust. Lender and the receiver shall be liable to account only for those rents actually received.

19. Reconveyance. Upon payment of all sums secured by this Deed of Trust, Lender shall request Trustee to reconvey the Property and shall surrender this Deed of Trust, and all notes evidencing indebtedness secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled thereto. Such person or persons shall pay all costs of recordation, if any.

20. Substitute Trustee. Lender at lender's option, may from time to time, appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the Fresno County Recorder's Office. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Instrument is recorded and the name and address of the successor trustee. The successor trustee shall, without conveyance of the Property, succeed to all the title, powers and duties conferred upon the Trustee herein and by applicable law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

21. Statement of Obligation. Lender may collect a fee not to exceed \$50 for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

22. Event of Default. Prior to declaring or taking any remedy permitted under Loan Documents, (where applicable) Borrower's limited partners shall have an additional period of not less than thirty (30) days to cure such alleged default. Notwithstanding the foregoing, in the case of a default that cannot with reasonable diligence be remedied or cured within thirty (30) days, Borrower's limited partners shall have such additional time as reasonably necessary to remedy or cure such default, but in no event more than ninety (90) days from the expiration of the initial thirty (30) day period above, and if the Borrower's limited partners reasonably believe that in order to cure such default, Borrower's limited partners must remove one or both of Borrower's general partners in order to cure such default, Borrower's limited partners shall have an additional (30) days following the effective date of such removal to cure such default. To the extent that there is a conflict between this paragraph 22 and any remedy permitted by the HOME Agreement, Loan Documents, or Loan, the terms of this paragraph 22 shall control.

The following events are each an "Event of Default":

~~-----~~(a) ~~Default in the payment of any sum of principal or interest when due under the Note or any other sum~~ ~~-----~~  
due under the Loan Documents.

(b) Failure to maintain insurance as provided in Section 2 hereof.

- (c) The failure (without cure during the applicable period, if any, for cure) of any Borrower to observe, perform, or discharge any obligation, term, covenant, or condition of any of the Loan Documents, any agreement relating to the Property, or any agreement or instrument between any Loan Party and Beneficiary.
- (d) The assignment by Borrower, as lessor or sublessor, as the case may be, of the rents or the income of the Property or any part of it (other than to Beneficiary) without first obtaining the written consent of Beneficiary.
- (e) The following events:
  - (i) the filing of any claim or lien against the Property or any party of it, whether or not the lien is prior to this Deed of Trust, and the continued maintenance of the claim or lien for a period of thirty (30) days without discharge, satisfaction, or adequate bonding in accordance with the terms of this Deed of Trust;
  - (ii) the existence of any interest in the Property other than those of Borrower, Beneficiary, any tenants of Borrower, and any one listed in a title exception approved by Beneficiary in writing; or
  - (iii) the sale, hypothecation, conveyance, or other disposition of the Property except with the express written approval of Beneficiary, any of which will be an Event of Default because Borrower's obligation to own and operate the Property is one of the inducements to Beneficiary to make the Loan;
- (f) Default under any agreement to which Borrower is a party, which agreement relates to the borrowing of money by Borrower from Beneficiary.
- (g) Any presentation or warranty made by any Loan Party or any other Person under this Deed of Trust or in, under, or pursuant to the Loan Documents, is false or misleading in any material respect as of the date on which the representation or warranty was made.
- (h) Any of the Loan Documents, at any time after their respective execution and delivery and for any reason, cease to be in full force or are declared null and void, or the validity or enforceability is contested by Borrower or any stockholder or partner of Borrower, or Borrower denies that it has any or further liability or obligation under any of the Loan Documents to which it is a party.

If one or more Event of Default occurs and is continuing, then Beneficiary may declare all the Indebtedness to be due and the Indebtedness will become due without any further presentment, demand, protest, or notice of any kind, and Beneficiary may:

- (i) in person, by agent, or by a receiver, and without regard to the adequacy of security, the solvency of Borrower, or the existence of waste, enter on and take possession of the Property or any party of it in its own name or in the name of Trustee, sue for or otherwise collect the rents, issues, and profits, and ~~apply them; less costs and expenses of operation and collection, including reasonable attorneys' fees,~~ upon the Indebtedness, all in any order that Beneficiary may determine. The entering on and taking possession of the Property, the collection of rents, issues, and profits, and the application of them will not cure or waive any default or notice of default or invalidate any act done pursuant to the notice;
- (ii) commence an action to foreclose this Deed of Trust in the manner provided by law for the foreclosure

of mortgages of real property;

- (iii) deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause the Property to be sold, which notice Trustee or Beneficiary will cause to be filed for record;
- (iv) with respect to any Personalty, proceed as to both the real and personal property in accordance with Beneficiary's rights and remedies in respect of the Land, or proceed to sell the Personalty separately and without regard to the Land in accordance with Beneficiary's rights and remedies; or
- (v) exercise any of these remedies in combination or any other remedy at law or in equity.

#### 24. Protection of Security.

If an Event of Default occurs and is continuing, Beneficiary or Trustee, without notice to or demand upon Borrower, and without releasing Borrower from any obligations or defaults may:

- (a) enter on the Property in any manner and to any extent that either deems necessary to protect the security of this Deed of Trust;
- (b) appear in and defend any action or proceeding purporting to affect, in any manner, the Obligations or the Indebtedness, the security of this Deed of Trust, or the rights or powers of Beneficiary or Trustee;
- (c) pay, purchase, or compromise any encumbrance, charge, or lien that in the judgment of Beneficiary or Trustee is prior or superior to this deed of Trust; and
- (d) pay expenses relating to the Property and its sale, employ counsel, and pay reasonable attorneys' fees.

Borrower agrees to repay on demand all sums expended by Trustee or Beneficiary pursuant to this section with interest at the Note Rate of Interest, and those sums, with interest, will be secured by this Deed of Trust.

#### 25. Effect of Assignment.

The assignment rents as provided herein will not impose on Beneficiary any duty to produce rents, issues, or profits from the Property, or cause Beneficiary to be:

- (a) a "mortgage-in-possession" for any purpose;
- (b) responsible for performing any of the obligations of the lessor under any of the Leases; or
- (c) responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property.

Beneficiary will not be liable to Borrower or any other party as a consequence of the exercise of the rights granted to Beneficiary under this assignment or the failure of Beneficiary to perform any obligation of Borrower arising under Leases.

Any purchaser under a contract of sale covering any right, title or interest in any part of the Property, by accepting a deed or a contract of sale or agreement of purchase, accepts the document subject to, and agrees to be bound by, any and all restrictions, covenant, and limitations set forth in this Declaration commencing on the date the DECLARANT is notified by the CITY that the Affordable Unit Homebuyer information is has been entered into HUD's Integrated Disbursement and Information System (IDIS) as provided in the HOME Agreement, constituting the commencement of the fifty-five (55) year Affordability Period.

1. Declarations. These covenants and restrictions are as follows:

a. The DECLARANT for itself and its successor(s) on title covenants and agrees that from the date the Project is entered into IDIS as complete, until the expiration of the Affordability Period, it shall cause six (6) of the Affordable Units to be used as Affordable rental housing Units. The DECLARANT further agrees to file a recordable document setting forth the Project Completion Date and Affordability Period when determined by the CITY. Unless otherwise provided in the Agreement, the term Affordable Housing shall include, without limitation, compliance with the following requirements:

i. Nondiscrimination. There shall be no discrimination against nor segregation of any persons or group of persons on account of race, color, creed, religion, sex, marital status, national origin, ancestry, or handicap in the sale, transfer, use, occupancy, tenure, or enjoyment of any of the Property, nor shall DECLARANT establish or permit any practice of discrimination or segregation with reference to the selection, location, number, use or occupancy of owners or vendees of the Project and/or Property.

However, the requirements with respect to Affordable Unit shall be revived according to their original terms, if during the original Affordability Period, the owner of record before the foreclosure or other transfer, or any entity that includes the former owner of those with whom the former owner has or had formally, family or business ties, obtains an ownership interest in the Project or the Property, the Affordability Period shall be revived according to its original terms.
