Dear Resident,

I am honored to serve as your Councilmember and look forward to staying connected. I pride myself in being accessible and I am dedicated to addressing your concerns. District 1 includes Tower District, Fresno High, neighborhoods near Lions Park and west of Highway 99. Our district is diverse but many of the needs are the same. I am committed to finding strategies to ensure that our neighborhoods are safer, prioritize the repair of aging infrastructure, create job opportunities, help connect our neighborhoods through bike lanes and trails, and engage our youth.

I invite you to attend any of the Thursday City Council meetings or visit my office at City Hall. My team is here to serve you!

Sincerely,

Esmeralda Soria
