

Councilmember Esmeralda Soria District 1 News

Making Neighborhoods Safer and Stronger

2018 First Edition

Councilmember Soria Works Hard To Keep Our Neighborhoods Clean & Safe!

Tower District Neighborhood coming together for the Tower District Neighborhood Team-up to Clean-up! Thank you neighbors & friends!

2017 marked the beginning of the first ever District 1

Participatory Budget Process which opened the door to creative ideas from our residents on how to spend \$50,000 in District 1. All projects have been submitted and residents will determine which projects will be funded.

Councilmember Esmeralda Soria also hosted the Tower District Neighborhood Clean-up in which over one-hundred volunteers came out to pick up trash, clean up graffiti, and steam-clean sidewalks. This event would not have been possible without the support of the neighborhood, local organizations, and business owners.

We welcome the new 2018 year and thank all District 1 residents and stakeholders for their invaluable support.

Please join us and your neighbors at our District 1 Community Meetings and events. Together we will work to continue making our neighborhoods safer and stronger!!

- Esmeralda Soria

District 1 Community Projects

District 1 Participatory Budget Process

Councilmember Soria introduced the Participatory Budget Process to her constituents in District 1 by holding three Participatory Budget Meetings throughout District 1 at Slater, Heaton, and Steinbeck Elementary Schools. Participatory Budgeting is a different way to manage public money. It's a process in which you decide how to spend part of our City's budget. The process which has not been used at the Fresno City Level before, allows residents and businesses to decide where tax payer funds allocated to their district should be invested. This was a chance for residents to weigh in on which community projects should be funded. Projects selected by the Delegation Committee will be up for a vote by District 1 residents.

Spring 2018

Quigley Park Tree Planting

Successful morning at Quigley Park planting 100 trees. Thank you to the 120 volunteers from Tree Fresno, BMOC, Jakara Movement, Fresno High ROTC, Gazebo Gardens, FCC Women's Soccer, MidValley Disposal, Sheet Metal Workers, Girl Scouts, Fresno EOC Sanctuary, and local neighbors for the great work.

FCC State Champions!

We want to congratulate our Fresno City College Women's Soccer, Men's Soccer & Wrestling Teams for garnering title of State Champions. We are proud of all your coaching staff. Go Rams!

Tower Police Satellite Station

Grand Opening of the Fresno Police Satellite Station in the Tower District!

FREE FAX RIDES for students!

The City of Fresno & Fresno City College inaugurated their partnership to provide free bus rides to city college students.

District 1 National Night Out

Annual National Night Out at Inspiration Park

5th Annual Holiday Toy Drive

A big thank you to all of our friends who helped make District 1's 5th Annual Holiday Toy Drive a success. As a result, we were able to place a gift in the hands of over 700 children at Heaton Elementary School.

Blackstone & Mckinley Transit Oriented Development

Councilmember Soria has been working to bring this development to Fresno for over 2 years and is proud of what this investment will bring to our city. Not only will it provide affordable housing for low-income working families, it will include a community health clinic, and space for a potential senior center. Additionally, 400 jobs will be created, \$15million will be invested directly into our local economy through the purchase of building materials from local businesses, and we will receive \$2.5-\$4million for sidewalks, bike lanes, trails and other infrastructure upgrades in the neighborhood. This is a huge win for Fresno and District 1.

City of Fresno Pedicabs Ordinance

Councilmember Soria brought to Council a Pedicabs Ordinance that will allow beer-bikes to operate within the City of Fresno. We are excited about the economic boost that it will bring to business districts and connectivity between neighborhoods like Tower District and Downtown.
