Quigley Park Tree Planting With Council President Soria And Tree Fresno

FRESNO – Fresno City Council President Esmeralda Soria along with Tree Fresno and community volunteers are out at Quigley Park this morning to plant 100 trees. The irrigation for these trees is funded by a Calfire grant and through an MOU agreement with the city.

Tree Fresno has planted hundreds of trees in parks throughout the San Joaquin Valley. These trees help make our region cooler, healthier, cleaner, and a more beautiful place to live, work, and play. Trees planted will be an immediate benefit for community. We are excited to be a part of the effort to improve Quigley Park.
