Who We Are and What We Do:

The purpose of the Youth Commission is to bring Fresno's young people to the decision-making table on issues impacting youth within the jurisdiction of the city. The Youth Commission will serve as a space where young people can work to create positive change in our local city districts. Young people will have a voice in shaping and developing social, economic, recreational, and educational programs that serve our community's youth.

The City of Fresno Youth Commission will be comprised of 16 individuals, eight voting members, and eight alternate, non-voting members. Two members will be appointed from each of Fresno's seven city council districts and two will be appointed by the Mayor. Appointments are for a two-year term. Procedures are in place to ensure that the members of the Youth Commission are representative and inclusive of the rich diversity of the City of Fresno, including but not limited to:

- Ethnically and culturally diverse youth,
- youth with health disparities,
- youth who are out of school,
- youth who are unemployed,
- youth who are homeless, and
- youth who are LGBTQIA

Youth Commissioners will be trained and supported by the Youth Leadership Institute and the City of Fresno. Each year, Youth Commissioners benefit from youth leadership training and prioritize those issues that most impact youth and/or that have little or no youth input or representation.
