Councilmember Soria, Councilmember Arias and Fresno Arts Council to Host Olive and Wishon Avenues Crosswalk Repainting

FRESNO, CA – Councilmember Soria, Councilmember Arias and the Fresno Arts Council are excited to announce the repainting of the Olive and Wishon Avenues crosswalk art! The initial art installation occurred back on July 13, 2019. The event will take place on Friday, July 30, 2021 at the Olive and Wishon intersection and will begin at 6PM.

Volunteers will do the repainting of the artwork and the original artists will be present overseeing the project.

Also, as part of the Tower District Beautification we will be revealing the new Olive Avenue overhead street lighting!

This is a chance for community members to become involved in the beautification of their neighborhoods. Through this project, we are able to bind our community both physically and culturally through art.
