FRESNO, CA – Councilmember Esmeralda Soria and the Fresno Arts Council are excited to announce the repainting of the Echo and Weldon Avenues crosswalk art! The initial art installation occurred back on July 6, 2019. The event will take place on Saturday, August 28, 2021 at the Echo and Weldon intersection and will begin at 7AM.

Volunteers will do the repainting of the artwork and the original artists will be present overseeing the project.

This is a chance for community members to become involved in the beautification of their neighborhoods. Through this project, we are able to bind our community both physically and culturally through art.
