Summary

The City of Fresno (City) is a federal entitlement community that receives annual allocations of HOME Investment Partnerships Program (HOME) and Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD). As an entitlement community, the City is required to prepare an Annual Action Plan detailing the uses of entitlement funds to meet its affordable housing and community development goals as outlined in its Consolidated Plan.

For Program Year 2019 – 2020, the City is proposing to make a substantial amendment to its submitted plan. The purpose of the substantial amendment is to allocate program income funds the City has received through its HOME program and payment to the City’s Letter of Credit with HUD for the development of affordable housing. This effort is in alignment with the City’s 2015 – 2019 Consolidated Plan goal to increase development, preservation, and rehabilitation of affordable housing for low-income and special needs households.

As part of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) passed by the U.S. Congress and signed into law by the President on March 27, 2020, HUD has issued guidance to allow for remote citizen participation and shortened public comment periods for substantial amendments during the coronavirus (COVID-19) pandemic. In order to expedite the provision of affordable housing solutions and in light of the ongoing environment restricting public gatherings and access to public spaces, the City is also revising its Citizen Participation Plan to add provisions for citizen participation requirements for substantial amendments during the COVID-19 pandemic.
**Funds To Be Programmed**

Substantial Amendment 2019-04 will program $7.11 million for the development of affordable housing in areas of opportunity, as described below. This $7.11 million consists of $5,366,900 in HOME Program Income and a $1,750,000 City payment to the City's letter of credit (L.O.C.) with HUD.

Second Amendment to Citizen Participation Plan

In response to the Coronavirus (COVID-19) Pandemic, HUD has issued guidance and waivers for Citizen Participation Plans. In response, jurisdictions are required to revise their Citizen Participation Plans to adopt requirements for Substantial Amendments to Consolidated Plans (including Annual Action Plans). The two waivers are:

- **Citizen Participation Public Comment Period for Consolidated Plan Amendment (including Annual Action Plan)**

  Through the end of the recipient’s 2020 program year, the 30-day minimum for the required public comment period (CFR 91.505(c)(2)) is waived for Substantial Amendments. Grantees must provide no less than 5 days for public comments on each Substantial Amendment. The City of Fresno’s 2020 program year ends on June 30, 2021.

- **Citizen Participation Reasonable Notice and Opportunity to Comment**

  HUD waives 24 CFR 91.105(c)(2) and (k), 24 CFR 91.115(c)(2) and (i) and 24 CFR 91.401 to allow grantees to determine what constitutes reasonable notice and opportunity to comment given their circumstances.

The City will make the following changes to its 2015-2019 Citizen Participation Plan:

1. The ‘Notice of Hearing and Review Periods’ section will be revised to indicate the following:
   a. The City will establish a 5-day minimum public review period for Substantial Amendments made during a declared COVID-19 State of Emergency

2. The ‘Public Hearings’ section will be revised to indicate the following:
2015-2019 Citizen Participation Plan
Draft Second Amendment

Introduction

The City of Fresno (City) is a federal entitlement jurisdiction that receives federal grant funding from the U.S. Department of Housing and Urban Development (HUD).

The City of Fresno receives federal entitlement grant funding for the following program:

- Community Development Block Grants (CDBG)
- HOME Investment Partnership Program (HOME)
- Housing Opportunities for People with AIDS (HOPWA)
- Emergency Solutions Grants (ESG)

As an entitlement jurisdiction, the City is required to prepare a:

- Five Year Consolidated Plan (Consolidated Plan)
- Annual Action Plan (Action Plan)
- Annual Consolidated Annual Performance Evaluation Report (CAPER)

Under HUD’s Code of Final Regulations for the Consolidated Plan (24 CFR Part 91 Sec. 91.105), the City must adopt a Citizen Participation Plan (CPP) that sets forth the City’s policies and procedures for citizen participation in the planning, execution, and evaluation of the Consolidated Plan, Action Plans, and CAPER. This CPP provides guidelines for the City to provide and encourage public participation by residents, community stakeholders, and grant beneficiaries in the process of drafting, implementing, and evaluating the Consolidated Plan and related documents. The citizen participation process includes outreach, public hearings, community forums, and opportunities for comment.

Definitions

- **Annual Action Plan**: The Action Plan summarizes the activities that will be undertaken in the upcoming Fiscal Year (FY) to meet the goals outlined in the Consolidated Plan. The Action Plan also identifies the federal and non-federal resources that will be used meet the goals of the approved Consolidated Plan.

- **COVID-19 Substantial Amendment**: A Substantial Amendment to a Consolidated Plan or Annual Action Plan made for Program Year 2019 to enable expending of funds to prevent, prepare for, and respond to the coronavirus (COVID-19) either specifically allocated through and authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) passed by the U.S. Congress and signed into law by the President on March 27, 2020, or which include the programming or reprogramming of other entitlement funds to prevent, prepare for, and respond to the coronavirus (COVID-19).

- **Citizen Participation Plan**: The CPP provides guidelines by which the City will promote engagement in the planning, implementation, and evaluation of the distribution of federal funds, as outlined in the Consolidated Plan, Action Plan, and CAPERs.

- **Community Development Block Grant**: HUD’s CDBG program provides communities with
resources to address a wide range of housing and community development needs that benefit very low and low-income persons and areas.

- **Consolidated Annual Performance Evaluation Report:** The CAPER assesses the City’s annual achievements relative to the goals in the Consolidated Plan and proposed activities in the Action Plan. HUD requires the City to prepare a CAPER at the end of each fiscal year.

- **Department Of Housing And Urban Development:** HUD is the federal government agency that creates and manages programs pertaining to federal home ownership, affordable housing, fair housing, homelessness, and community and housing development.

- **Displacement:** Displacement refers to the involuntary relocation of individuals from their residences due to housing development and rehabilitation activities paid for by federal funds.

- **Eligible Activity:** Activities that are allowable uses of the CDBG funds covered by the CPP as defined in the Code of Federal Regulations Title 24 for HUD.

- **Emergency Solutions Grant:** HUD’s ESG program provides communities with resources to serve homeless individuals and families via Street Outreach, Emergency Shelter, Homelessness Prevention, Rapid Re-Housing Assistance, Homeless Management Information System (HMIS), and Administrative Activities.

- **Entitlement Jurisdiction:** A city with a population of at least 50,000, a central city of a metropolitan area, or a qualified urban county with a population of at least 200,000 that receives grant funding from HUD.

- **Five Year Consolidated Plan:** HUD requires entitlement jurisdictions to prepare a Consolidated Plan every five years. The Consolidated Plan is a strategic plan that identifies housing, economic, and community development needs and prioritizes funding to address those needs over a five-year period.

- **HOME Investment Partnerships Program:** The HUD HOME program provides resources to fund a wide range of activities that build, buy, and/or rehabilitate affordable rental or homeownership housing or provide direct rental assistance to low-income people.

- **Housing Opportunities for Persons with AIDS:** The HUD HOPWA program provides resources that benefit low-income persons medically diagnosed with HIV/AIDS and their families, including housing and social services, chemical dependency treatment, nutritional services, case management, and assistance with daily living.

- **Low- and Moderate-Income:** As defined annually by HUD, Low- and Moderate-Income (LMI) is 0-80 percent of area median family income (AMI) for a jurisdiction, with adjustments for smaller or larger families. This includes those individuals presumed by HUD to be principally LMI (abused children, battered spouses, elderly persons, severely disabled adults, homeless persons, illiterate adults, persons living with AIDS and migrant farm workers). HUD utilizes three income levels to define LMI households:
  - Extremely low-income: Households earning 30 percent or less than the AMI (subject to specified adjustments for areas with unusually high or low-incomes)
  - Very low-income: Households earning 50 percent or less than the AMI (subject to specified adjustments for areas with unusually high or low-incomes)
• **Public Hearing:** Public hearings are designed to provide the public the opportunity to make public testimony and comment. Public hearings related to the Consolidated Plan are to be advertised in local newspapers and made accessible to non-English speakers and individuals with disabilities.

• **Substantial Amendments:** Amendments are considered “Substantial” whenever one of the following is proposed:
  
  o A change in the allocation priorities or a change in the method of fund distribution.
  
  o A change which increases or decreases by 25 percent the amount allocated to a category of funding, or a project or activity budget funded by the entitlement grant programs.
  
  o To implement an activity using CDBG funds for new programs that were not described in the Consolidated Plan or the current year Annual Action Plan.
  
  o To change the purpose or intended beneficiaries of an activity approved for CDBG funding, e.g., instead of primarily benefitting lower income households the activity instead proposes to benefit mostly moderate income households.

Hard copies of all documents will be available at the Fresno Planning and Development Department, Room 3065, 2600 Fresno Street, Fresno, CA 93721 and upon written request. If the City is unable to provide immediate access to the documents requested, it will make every effort to provide the documents and reports within 15 business days from the receipt of the request.

During the public review and comment period, copies of the document will be available to the public for review at libraries, recreation centers, community centers, and through the City’s website at www.fresno.gov. In the event that City Hall, Fresno County Libraries, or City Neighborhood and Community Centers are closed to the Public due to a local, state, or federal order, the requirement to distribute documents at these locations will be waived.

Displacement Policy

As part of the CPP, the City must maintain a displacement policy. Displacement refers to the involuntary relocation of individuals from their residence due to housing development and rehabilitation paid for with federal funds. The City will continue to use existing federal and state relocation guidelines, as applicable, to minimize displacement and to alleviate the problems caused by displacement. Both the federal government and the State of California have specific requirements dictating the amount of benefits and assistance that must be provided to lower income persons and households relocated from their homes as a result of displacement. Depending on the funding source, displaced persons may be offered one or more of the following:

- A rent subsidy for another unit
• A cash payment to be used for rent or a down payment on the purchase of a dwelling unit
• Moving and related expenses

The City’s rehabilitation programs may also incur relocation issues when they provide minor additions to existing dwellings in order to address overcrowding. Any temporary relocation costs are included in the rehabilitation package offered to clients.

Technical Assistance

The City will, to the extent feasible, respond to requests for technical assistance from entities representing LMI groups who are seeking federal entitlement funding in accordance with grant procedures. This may include, but is not limited to, providing information regarding how to fill out applications, other potential funding sources, and referrals to appropriate agencies within and outside the City. "Technical assistance," as used here, does not include the provision of funds to the entities requesting such assistance. Assistance will also be provided by Department of Housing staff to interested individuals and resident groups who need further explanation on the background and intent of the Housing and Community Development Act, interpretation of specific HUD regulations, and project eligibility criteria for federal grants.
