Summary

The City of Fresno (City) is a federal entitlement community that receives annual allocations of HOME Investment Partnerships Program (HOME) funds from the U.S. Department of Housing and Urban Development (HUD). The City is required to prepare an Annual Action Plan detailing the uses of entitlement funds to meet its affordable housing and community development goals as outlined in its Consolidated Plan.

For Program Year 2020-2021, the City is proposing to make a substantial amendment to its submitted plan. The purpose of this substantial amendment is to allocate HOME program income for the City to develop affordable housing in areas of opportunity.

These efforts are in alignment with the City’s 2020-2024 Consolidated Plan goal to increase development of low-income and affordable housing in high opportunity areas.
Sources of Reprogrammed Funds

Substantial Amendment 2020-02 will program $1,159,704.42 of HOME program income funds for the development of affordable housing.
