established to receive transfers of appropriations from department
appropriations for capital improvements in two or more different funds for the
same capital project.

Section 4. CONTRADICTION PROVISIONS OF PREVIOUS RESOLUTIONS. Any other prior Resolution or provision thereof of the Council respecting the appropriation and administration of the FY 2020 budget which is in contradiction with this Resolution is hereby superseded. Notwithstanding any other provisions of this Resolution, no funds appropriated into the reserves (other than the unappropriated Reserve Fund set forth in Charter Section 1212) and contingencies of the City shall be expended, transferred, obligated, used, encumbered or otherwise disposed of except as specifically authorized by previously approved bonded indebtedness or until Council establishes a City policy for the expenditure, transfer, obligation, use, encumbrance, or other disposition of reserves or contingencies.

Section 5. ADMINISTRATION. The Chief Administrative Officer or his designee shall maintain all changes to this Resolution and shall cause to be filed with the City Clerk's Office and the Accounting Division of the Finance Department a copy of, and subsequent amendments to, this Resolution following adoption by the Council and approval by the Mayor.

Section 6. CLERICAL CORRECTIONS. 1. The Neighborhood Services Department, as described in the Mayor's proposed FY2020 Budget, including all of its functions, authority, and resources, shall be reorganized to be under the City Attorney.
2. The transfer shall be effective as of July 1, 2019 (date of transfer). The effects upon represented personnel should be minimal, as this action was already proposed to be separated from DARM in the Mayor's proposed Budget, and merely transfers oversight authority, and represented employees will continue to perform the same job functions for the same compensation and employment terms. Nonetheless, the Personnel Director and City Attorney shall immediately provide notice to affected bargaining units and allow for comment on the effects, if any, of this transfer.
3. All equipment, supplies, vehicles, facilities, office space, contracts, and all other resources currently assigned to the applicable code enforcement functions and personnel and necessary to carry out this motion shall be transferred to the City Attorney's Office. The Administration shall coordinate with the City Attorney to provide substantially the same necessary and efficient City Hall office space to allow for minimal disruption of code enforcement activities, with at least much space as is being provided currently for the applicable code enforcement activities; in the event the allocation of physical space and resources cannot be agreed upon, the Council will give direction on the unresolved issues.
4. All funding, as described in the proposed Budget for Neighborhood Services, of \$10,430,000, and related fine and fee revenue, interdepartmental charges, and grants, necessary to carry out this action shall be transferred to the City Attorney's Office, without interruption, as of the date of transfer. The intent is for this transfer to be over-all budget neutral.
5. All 80 employees designated in the proposed Budget for Neighborhood Services shall as of the date of transfer be added to and under the authority of the City Attorney, as will also be reflected in the Position Authorization Resolution.
6. The ASET Resolution shall be deemed modified to allow the City Attorney to allocate resources and personnel as deemed necessary to fulfill the goals of ASET as well as provide for the implementation of other code enforcement functions. The restriction upon employees to work solely upon rental housing issues is removed.
7. The City Attorney shall have the authority and discretion to approve transfers of funds between line items within the City Attorney's Office budget and available funding, including the primary City Attorney's Office budget and the Code Enforcement budget funds.
8. Council hereby directs the Administration, Staff, and the City Attorney to take all actions necessary to implement this action.

FROM: Mayor Lee Brand

DATE: July 8, 2019

SUBJECT: Fiscal Year 2020 Budget

City Councilmembers,

Thank you for your collaborative efforts in working with me and my Administration to adopt a balanced budget to provide top quality services for the people of Fresno for Fiscal Year 2020.

After much discussion and negotiation, I believe we have reached an undeniably solid consensus and conclusion that adheres to the letter of the law in terms of satisfying the new balanced budget requirement of Charter Section 1205, which was modified by an affirmative vote of 80.43% in the November 6, 2018 election.

Therefore, I am vetoing the following line items in this budget:

1. Action to add one Fire Inspector is vetoed, saving \$43,000 in this year's budget as well as the elimination of the ongoing funding.
2. Action to add two paralegals will be reduced to one paralegal, reducing funding this year from \$164,000 to \$82,000 and similar reductions in ongoing funding.
3. Action to add \$40,000 in one-time funding for the Fresno Historical Society is vetoed.
4. Action to add \$300,000 in one-time funding for the Immigration Affairs Committee is vetoed.
