SUBJECT: COUNCIL DIRECTION #53

On Tuesday, June 16, 2020, at the FY2021 Budget Meeting, Councilmember Soria requested the following information:

**53) Provide status of EOC agreement for food distribution at centers and for PARCS to look at potential systems that would allow for food distribution to continue during the pandemic utilizing COVID-19 funds.**

The Senior Aggregate Meal Program recommencement is predicated upon the Public Health department to authorize and provide operational guidance related to serving seniors in a congregate environment. PARCS staff has contacted both FMAAA, our contract service provider, as well as EOC directly, to inquire of alternative food service options using COVID funding. Staff will report to council once a formal response is received.

As for food programs for youth, we have provided a listing of current community-wide food distribution programs for youth 1-18 years (attached).
