SUBJECT: BUDGET HEARING REQUEST

During the Police Department Budget Hearing on June 15, 2020, Council Member Nelson Esparza requested the number of calls for service involving the Homeless Task Force (HTF) where Task force members were involved with a violent or escalated altercation with a homeless individual.

In 2019, HTF handled 3,208 FresGo complaints. The team came into contact with 8,186 homeless individuals while clearing 6,504 encampments. Several of the contacts were with the same individuals which is why the number of contacts is much higher than the estimated homeless population in Fresno. Of those contacts, 510 (6.2%) resulted in either an arrest or a citation and only two (2) of those arrests resulted in a HTF officer using force.
