

## **FIRE PREVENTION MANUAL**

### **CODE REQUIREMENTS**

#### **402.005 HAZARD CLASS DETERMINATION**

**EFFECTIVE: JUNE 2008**

### **SCOPE**

This policy clarifies the Department's requirements for hazard class determination for changes of occupancy that may require fire sprinklers.

### **PURPOSE**

This policy has been established to clarify the requirements when a change of occupancy may initiate the installation of fire sprinklers.

### **REQUIREMENTS**

Both the joint policy between DARM and CRRD and the Hazard Categories and Classifications Table shall be used to determine if a change of occupancy will initiate the installation of fire sprinklers in the subject building. The Fire Marshal (or designee) shall make the ultimate determination on behalf of the City of Fresno Fire Department.
