

**FIRE PREVENTION MANUAL**  
**DEVELOPMENT POLICIES**  
**403.001 GENERAL GUIDELINES**  
**EFFECTIVE: JUNE 2008**

**SCOPE**

These development policies establish the minimum requirements for Fresno Fire Department (FFD or Department) access, water supplies and other fire service features within the City of Fresno and where necessary, contract service areas.

**PURPOSE**

The purpose of this policy is to outline the requirements for Department access, water supplies and other fire service features.

**NOTE**

Additional requirements not found in these policies may be found in the *California Fire Code* (CFC). These are minimum fire protection requirements and are not to be considered as inherently compliant with regulations promulgated by other City departments.
