Purpose

To establish the issuance, accounting, monitoring, retrieval and general oversight of the purchasing card (CAL-Card as currently used by US Bank) use policy for the City of Fresno.

The CAL-Card will be the “Official” purchase card for the City. No other credit card(s) will be authorized and no payments will be made on any other credit card except as indicated in AO 1-9.

Policy

1. The Purchasing Manager is designated to be responsible for the City of Fresno purchasing card issuance, accounting, monitoring, retrieval, and for general oversight of compliance with this purchasing card use policy.

2. The purchasing card may be used only by those authorized to whom cards have been issued in their names and only for the purchase of goods for the official business of the City of Fresno.

3. All authorized users of purchasing cards shall submit documentation including receipts, invoices, packing slips, etc., detailing the goods purchased, the cost of the goods, the date of the purchase and the official business for which it was purchased.

4. Upon separation, job transfer or promotion to a position which no longer necessitates the use of a purchasing card, the employee issued the purchasing card shall immediately notify and then return the purchasing card to the City of Fresno Purchasing Manager.

5. An authorized employee, who is issued a purchasing card in their name, is responsible for its protection and custody and proper use, and shall immediately notify their Department Director or designee and the Purchasing Manager if the purchasing card is lost or stolen.
6. Upon payment, Accounts Payable will follow all established internal control procedures for approval, documentation and payment of purchase card charges.

7. Intent is to avoid use of petty cash, decrease payment processing costs for small purchases, and as an alternative payment method for bid or quoted contracts or work.

Unauthorized use of a purchasing card shall result in disciplinary measures to the fullest extent of the law.

**Procedures**

1. Issuance of Purchasing Cards:
   
   a) Purchasing cards will be issued to employees who are authorized by their Department Director. The cards will be issued to individuals, in the name of the individual; there will be no department cards. Only one card will be issued in an individual's name. Cards are nontransferable.

   b) The authorized credit limit of all purchasing cards issued shall be determined by the Purchasing Manager and Department Director or their designee. The amount will be based on the specific operational needs of each cardholder. The authorized limit may be subsequently adjusted based on actual experience. Changes to the limit will be reviewed and approved by the Purchasing Manager and Department Director or their designee. The initial authorized credit limit shall not exceed $2,500 per transaction and $10,000 per monthly billing cycle.

   c) All employees issued a City of Fresno purchasing card (CAL-Card) shall sign a CAL-Card Purchasing Card Agreement issued by Purchasing,
