

SENIOR HEAVY EQUIPMENT OPERATOR

DEFINITION

Under general supervision, operates various types of construction, agricultural, and related equipment and provides lead direction to other workers engaged in the operation of similar equipment.

SUPERVISION RECEIVED/EXERCISED

Receives supervision from a Manager or designee. This class provides lead direction to assigned staff in the performance of construction and maintenance activities. This class does not exercise supervision.

DISTINGUISHING CHARACTERISTICS

Senior Heavy Equipment Operator is the advanced working/lead class in which incumbents operate various types of construction, agricultural, and related equipment for construction and maintenance activities and provide lead direction to other workers engaged in the operation of similar equipment. Incumbents may also direct the activities of a small crew in the performance of assigned duties. This class is distinguished from Heavy Equipment Operator in that incumbents of the former operates more complex equipment.
