SENIOR PROPERTY AND EVIDENCE TECHNICIAN

Class Definition

Under general supervision, provides lead direction to assigned staff, and receives, stores, and disposes of property, evidence, and department supplies; safeguards items utilizing established inventory control methods.

Distinguishing Characteristics

Senior Property and Evidence Technician is the lead level in the Property and Evidence Technician series. The incumbent may assign, and direct the work of technicians and other assistants in the Property and Evidence Section of the Police Department. Work consists of monitoring incoming property and evidence for adherence to Department policies and procedures, inventory control, narcotic and gun destruction, and maintaining of records. It differs from Property and Evidence Technician in that incumbents of that class do not have lead responsibilities. The incumbents may be assigned to work any shift including nights, weekends, and holidays.

Typical Tasks

(This list is neither inclusive nor exclusive. Consequently, this information may not reflect Essential Functions for this class.)

Provides lead direction and participates in police property and evidence activities including receiving, recording, classifying, storing, safeguarding and releases/returns of money, firearms, evidence, and property, including found property, recovered or received as a result of search warrants, or from prisoners and suspects by sworn and other Police personnel.
