

STREET SWEEPER LEAD OPERATOR

DEFINITION

Under general supervision, operates a motor driven street sweeper and provides lead direction to other workers engaged in street and gutter cleaning operations.

SUPERVISION RECEIVED/EXERCISED

Receives supervision from the Division Manager or designee. This class provides lead direction to other street sweeper operators and workers engaged in street and gutter cleaning operations. The class does not exercise supervision.

DISTINGUISHING CHARACTERISTICS

Street Sweeper Lead Operator is the advanced working/lead level class in the Street Sweeper Operator series. Incumbents operate a motor driven street sweeper to clean City streets and gutters and provides lead direction to other street sweeper operators and workers engaged in street and gutter cleaning operations. Incumbents may be assigned to any eight-hour shift. This class is distinguished from the Street Sweeper Operator in that incumbents of the latter do not have ongoing lead responsibility over other operators.
