Conducts surveys over the phone, or in the field.

Conducts research using standard reference materials, interviews, and field observation.

Assists in the compilation and analysis of statistical and other types of information.

May be assigned responsibility for completion of a short-term project or report.

Prepares administrative memos and informational material for use by administrative or other staff.

May perform a variety of general office duties, such as filing, answering the phone, logging information, and completing routine forms and inquires.

Performs related tasks as assigned.

### Knowledge, Abilities and Skills

Some knowledge of basic research methods and sources.

Some knowledge of report writing techniques.

Some knowledge of standard office practices and procedures.

Ability to collect, compile, analyze and interpret data.

Ability to establish and maintain effective working relationships.

Minimum Qualifications

Education and experience equivalent to graduation from High School and some College training.

Necessary Special Requirements

Possession of a valid California Drivers License may be required, depending on the nature of the specific assignment.
