SANITATION SUPERVISOR

DEFINITION

Under direction, plans, coordinates, assigns, participates in and supervises the day-to-day operation and maintenance of the City’s solid waste, sanitation or street sweeping programs.

SUPERVISION RECEIVED/EXERCISED

Receives supervision from an Assistant Director or designee. Exercises direct supervision over staff and crews.

DISTINGUISHING CHARACTERISTICS

Sanitation Supervisor supervises the day-to-day work activities of an assigned program involving residential, multi-family and commercial services; container maintenance, construction and demolition; recycling collection and commodities, composting, landfill, transfer stations, material recovery, hazardous waste and disposal; community sanitation, street sweeping; or safety and training. Sanitation Supervisor is distinguished from the Division Manager in that incumbents of the latter, plan, coordinate and direct the overall operation and maintenance activities of a City division.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES

*May include, but are not limited to, the following:

- Plans, schedules, assigns, evaluates, and trains staff and crews; including adult offenders and parolees.
