TRANSIT SUPERVISOR I

DEFINITION

Under general direction, supervises the day to day assignments and performance of Bus Drivers on an assigned shift.

SUPERVISION RECEIVED/EXERCISED

Receives supervision from the Transit Operations Manager or designee. Exercises supervision over assigned staff.

DISTINGUISHING CHARACTERISTICS

Transit Supervisor I is the first-line supervisory class in the Transit Operations Division. Incumbents coordinate the activities of Bus Drivers and implement and enforce division operating procedures. Transit Supervisor I is distinguished from Transit Supervisor II in that incumbents of the latter coordinate the activities of the programs and staff. It differs from Bus Driver in that incumbents of the latter operate buses on assigned routes and do not exercise supervision.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES

*May include, but are not limited to, the following:*

Assigns and supervises the daily assignments of buses, bus drivers, and other assigned staff in accordance with applicable local, state, and federal statutes, rules, and regulations.

Monitors route service; restores service in cases of delay or interruptions to service; investigates service interruptions, rule infractions, and accidents.

Investigates and resolves customer complaints and minor grievances.

Prepares a variety of reports, memoranda, logs, correspondence, and other documents.

Conducts assessment and analysis in order to evaluate employee performance; recommends corrective action, commendations, and other personnel actions to department management.

Responds to any field situations or incidents requiring intervention.

Identifies service problems and recommends improvements.

Depending on assignment, checks drivers in at the beginning and completion of runs; rides with drivers to evaluate performance and make corrections and suggestions as necessary.
Depending on assignment, provides driver safety and skills training and uses relevant evaluation data to revise or recommend changes in training programs.

Depending on assignment, serves as system controller for radio control operations, and ensures compliance with applicable local, state, and federal statutes, rules, and regulations.

Depending on assignment, supervises the operation of demand-response paratransit service.

Performs related duties as required.
