#### A. PURPOSE

This Memorandum of Understanding (MOU), entered into between the City of Fresno, hereinafter referred to as the City, and Operating Engineers Local Union No. 3, hereinafter referred to as the Union, representing the Fresno Airport Public Safety Supervisors Association, hereinafter referred to as FAPSS, Association or Unit, has as its purpose the establishment of wages, hours, and other terms and conditions of employment, and to promote collaboration in the resolution of issues affecting all parties. The parties have met and conferred in good faith and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

#### B. DEFINITIONS

Unless the particular provision or the context otherwise requires, and, except to the extent that a particular word or phrase is otherwise specifically defined in this MOU, the definitions and provisions contained in Sections 3-101, 3-201, 3-202, 3-501 and 3-603 of the Fresno Municipal Code, hereinafter FMC, shall govern the construction, meaning, and application of words and phrases herein. The definition of each word or phrase shall constitute, to the extent applicable, the definition of each word or phrase which is derivative from it, or from which it is a derivative, as the case may be.

#### C. GOVERNING LAWS

The legal relationship between the City and its employees and the City and the Union is governed by Chapter 10 of Division 4 of Title 1 of the Government Code (Section 3500 et seq., commonly known as the Meyers-Milias-Brown Act), as may be amended from time to time; Article 6 of Chapter 3 of the FMC; and, the Public Safety Officers Procedural Bill of Rights Act, Government Code Section 3300 et seq., for employees who are public safety officers as defined by Government Code Section 3301. In the event of any conflict between said laws and this MOU, or in the event of conflicts in interpretation, said laws shall govern.

ARTICLE II  
EMPLOYEE RIGHTS

A. GENERAL

The rights of employees are set forth in FMC Section 3-604 and said section presently reads as follows:

"Employees shall have the right to form, join and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations including, but not limited to, wages, hours, and other terms and conditions of employment. Employees shall have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in their employment relations with the City. No employees shall be interfered with, intimidated, restrained, coerced, or discriminated against by the City or by an employee or an employee organization because of their exercise of any of these rights. No management employee or confidential employee shall act as a representative of any employee organization which represents employees other than management employees or confidential employees."

B. NONDISCRIMINATION

The provisions of this MOU shall apply to and be exercised by all members of the Union consistent with state and federal nondiscrimination statutes.

C. EMPLOYEE RESPONSIBILITIES

All employees in the FAPSS Unit acknowledge that the City shall consider the positions and proposals of the Union as the meet and confer positions and proposals of all employees, individually and collectively, in said Unit.

D. PERSONNEL FILES

1. The Human Resources Division, under the direction of the Director of Personnel Services, shall maintain the official personnel file for each employee. Access and inspection of personnel files shall fall under the guidelines of Section 3306.5 of the California Government Code known as the Public Safety Officers Procedural Bill of Rights Act for employees covered by the Act. Each employee may review, or authorize in writing its review by a designated representative, subject to reasonable rules and regulations, and receive a copy of all material placed in either their official file

or departmental file. No instrument shall be placed in a peace officer's personnel file, until the officer has reviewed it, and shall follow the guidelines as stated in Section 3305 of the California Government Code.

If an employee disagrees with the content of a document placed in either file, or requests said document to be removed from the file if believed to be obsolete, it shall be the right of the employee to submit a response to the Director of Personnel Services to be attached to the document in question. Within thirty (30) calendar days of receipt of said request, the City shall either grant the officer's request or notify the officer of the decision to refuse to grant the request. If the City refuses to grant the request, in whole or in part, the City shall state in writing the reasons for refusing the request and that written statement shall be included in the appropriate file. Personnel files are considered confidential and access is limited.

2. Documents, including performance evaluations, retained in the officer's departmental file shall be forwarded to the officer's new department if the officer transfers, promotes, or demotes. The file should be forwarded to the Personnel Services Department when the officer leaves City service.
3. Inquiries regarding employment references shall be administered in accordance with existing City policies.

ARTICLE III

retained by and reserved to the City unless explicitly waived by the City by resolution of the Council or by Council-approved MOU.

4. Nothing in this MOU shall be construed as delegating to others the authority conferred by law on the City, or in any way abridging or reducing such authority.
5. This MOU is not intended to restrict consultation in good faith with the Union regarding matters within the right of the City to determine.

ARTICLE IV  
RECOGNITION

A. UNION RECOGNITION

The City recognizes Operating Engineers Local Union No. 3 (OE3)(the Union), as the exclusive bargaining agent representing the Fresno Airport Public Safety Supervisors Unit (FAPSS) and therefore, shall meet and confer in good faith promptly upon request by the Union and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals, and to endeavor to reach agreement on an MOU. In order that the meet and confer process includes adequate time for full consideration of the proposals of both parties and for the resolution of any impasse, the City will entertain proposals from the Union as early as March 1, in the year that the MOU expires.

B. UNION OFFICERS

A written list of the Executive Board Members of the Union shall be furnished to the City immediately after their designation and the Union shall notify the City promptly in writing of any changes of such members.

The Union may use designated portions of City Bulletin Boards in the City Facilities in which members of this Unit are on duty.

D. NEW EMPLOYEE ORIENTATION

The Personnel Services Department (PSD) provides a new employee orientation program to all new City employees (i.e., NEO). PSD will notify the Union at least 10 days in advance of a scheduled NEO, and at the end of the work week immediately preceding the NEO if the NEO will include any individuals who will be represented by the Union, unless the City is unable to reasonably do so because of an unforeseeable urgent need critical to City operations.

A representative of the bargaining unit will be invited to the NEO meeting room immediately prior to a session to be conducted by the Union and will be introduced by a City staff member. The Union will be provided an opportunity to meet with new Union members at the last session of the NEO. The session will be scheduled for twenty (20) minutes. This session will not be held if there are no new Union members attending the NEO or if the Union representative is not available.

E. EMPLOYEE INFORMATION

The City will provide the employee City contact information it has on file in compliance with AB 119 for all new hires in the bargaining unit within 30 days of hire, as well as all employees represented by OE3 at least once per quarter.

F. UNIT DESCRIPTION

1. The Unit consists of all employees holding a permanent position, as defined in FMC Section 3-202, in the class of Airport Public Safety Supervisor listed in Exhibit 15 of the Salary Resolution, as such Unit may be modified from time to time in the manner designated in the FMC.
2. The class of Airport Public Safety Supervisor shall remain allocated to the Department of Airports under the supervision of the Public Safety Division.
3. The parties agree to meet and confer at a mutually acceptable time following Council approval of this MOU for the purpose of determining the need for any modification(s) to the job specifications of an Airport Public Safety Supervisor.

G. CITY RECOGNITION

The Union recognizes the City Manager of the City of Fresno, or such person as may be designated in writing, as the designated representative of the City, and shall meet and confer in good faith promptly upon request by the City and continue for a reasonable period of time in order to exchange freely information, options, and proposals, and to endeavor to reach agreement on an MOU.

H. RECOGNITION OF MUTUAL OBLIGATION

The Union and the City recognize and acknowledge their mutual obligation and responsibility to effectuate the purposes set forth in, and to adhere to the conditions and clauses set forth in, this MOU.

I. STRIKES

No unlawful strikes of any kind shall be caused or sanctioned by the Union during term of this MOU.

J. UNILATERAL ACTION

In the event the meet and confer process for a successor MOU results in an impasse, as defined in the FMC, the City shall not take unilateral action regarding wages, hours, and other terms and conditions of employment prior to completion of the impasse procedures outlined in the FMC.

K. BY-LAWS

The Union shall provide a copy of the Union By-Laws to the Labor Relations Division. The Union shall provide an updated copy of the Union By-Laws to the Labor Relations Division whenever there is a change in the By-Laws.

## ARTICLE V

### SCOPE OF REPRESENTATION AND GRIEVANCES

#### A. GENERAL

“Scope of Representation” means all matters relating to employer-employee relations, including, but not limited to wages, hours, and other terms and conditions of employment. Employee rights as set forth in FMC Section 3-604, and City rights, as set forth in FMC Section 3-605(a), are excluded from the scope of representation.

#### B. GRIEVANCE PROCEDURE

1. A grievance is a dispute concerning the interpretation or application of any existing City policy, written rule or regulation governing personnel practices or working conditions, including this MOU. A grievance involves the claimed misapplication or misinterpretation of a rule or regulation relating to an existing right or duty; it does not relate to the establishment or abolishment of a right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to appeal to the Civil Service Board, Retirement Board, unfair employer-employee relations charge, fact-finding procedure, or as outlined below.
2. A written grievance must set forth the rule, regulation, policy, or specific section of the MOU claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee. The Committee shall rule on the dispute before proceeding with the hearing. The Committee will be bound by the agreement of the parties regarding timeliness.
3. At the request of the grievant, the Union may represent employees covered by this MOU on grievances under the grievance procedure.
4. The parties agree that it is in their mutual interest to resolve grievances at the earliest possible opportunity. In an effort to further this goal, Union Officers designated under this MOU in Article IV, Section B, shall be excused without loss of compensation from their regular duties for such time as is necessary to attend and represent the grievant at grievance hearings, beginning at the first level of supervision.
5. The procedure and sequence in filing and processing a grievance shall be as follows:

- a. The employee and/or Union representative shall discuss the grievance with the grievant's immediate supervisor before a written grievance may be filed.
  - (1) If the grievance is not settled through this discussion, it either may be discussed with the next highest supervisor or a written grievance may be filed with the grievant's immediate supervisor. A written grievance must be filed, with a copy being sent to Labor Relations, within eighteen (18) calendar days from the date the grievant becomes aware, or should have become aware of, the issue or incident giving rise to the problem.
  - (2) Upon receipt of a written grievance, the immediate supervisor shall give the grievant a written reply within ten (10) calendar days.
- b. Should the grievant not be satisfied with the answer received from their immediate supervisor, the employee may, within ten (10) calendar days, file an appeal to the Department Head. The Department Head shall have ten (10) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The Department Head may confer with the grievant, the grievant's representative and appropriate supervisors in an attempt to bring about a harmonious solution.
- c. The City, the grievant and/or Union may mutually agree to waive steps one (1) and two (2) and proceed directly to hearing by the Grievance Advisory Committee when the issue is one over which the grievant's supervisor or Department Head has no jurisdiction.
- d. If the grievant is not satisfied with the decision of the Department Head, the grievant may, within ten (10) calendar days after receipt of the written reply, file a request for a review of the Department Head's decision to the Grievance Advisory Committee, with a copy sent to Labor Relations. The review/appeal to the Grievance Advisory Committee shall be reviewed by the Union before it is delivered to the Labor Relations Division.
- e. The City, the grievant and/or Union may agree to seek resolution of the grievance through mediation using the services of the State Mediation and Conciliation Service, prior to hearing by the Grievance Advisory Committee. Time limits for processing of the grievance are automatically extended for as long as mediation is in process.

- f. The Grievance Advisory Committee shall be comprised of three (3) members: One selected by the Union, one selected by the City, and the Chairperson. The Chairperson may be chosen either by mutual agreement of the Union and the City, or by the "strike" method from a list of neutrals provided by the State Mediation and Conciliation Service. If the Chairperson is selected by the strike method from the list of neutrals provided by the State Mediation and Conciliation Service, then the Grievance Advisory Committee shall be comprised exclusively of the selected neutral.
  - (1) Fees and expenses of the chairperson shall be paid half by the City and half by the Union or the individual grievant(s); provided, however, that the Grievance Advisory Committee may recommend that the City or the Union or the individual grievant(s) pay the total of such fees and expenses should it find that, but for the unreasonableness of that party's posture, the convening of the Committee would not have been necessary. The City and the Union shall select a chairperson within fourteen (14) calendar days of the receipt of a grievance requesting review by a Grievance Advisory Committee by the Labor Relations Division.
  - (2) The neutral Grievance Advisory Committee shall be bound by the language of the MOU, City Administration Orders (AOs), ordinances, rules, and regulations, and department rules and regulations consistent therewith in considering any issue properly before them. The neutral Grievance Advisory Committee shall be expressly confined to the precise issues submitted and shall have no authority to consider any other issue not so submitted. The neutral Grievance Advisory Committee may not recommend changes in established wages or benefits, nor recommend the payment of back wages or benefits, prior to the date the grievance was timely filed.
- g. A date for the Grievance Advisory Committee to convene will be set within thirty (30) calendar days from the date that a grievance reaches the Labor Relations Division at Art. V.B.5.d. above provided it meets all criteria for the filing and processing of a grievance.
- h. All time limits herein may be extended by mutual agreement of the parties.
- i. The Grievance Advisory Committee shall conduct an evidentiary hearing, interview witnesses, and consider all relevant documents prior to submitting its conclusions and recommendations to the City Manager within thirty (30) calendar days of its last meeting.

- j. The City Manager shall review the decision of the Department Head and recommendations of the Grievance Advisory Committee, and shall render a written decision to the employee within fourteen (14) calendar days after receipt from the Grievance Advisory Committee.
- k. Failure of the grievant to file an appeal within the specified time limit shall constitute an abandonment of the grievance process. Failure of the responsible supervisor or official of the City to render a decision within the specified time limit established by this procedure shall automatically move the grievance to the next higher level for action, without action required of the grievant.

## ARTICLE VI

Should there be a dispute regarding the deduction of dues, the Union, shall provide the City with a copy of the authorization(s) signed by the employee.
2. The Union, in consideration for and as a condition of the City withholding and transmitting payroll and benefit deductions authorized by this Section and in compliance with SB 866, shall hold harmless the City of Fresno, its officers, and employees from any liability that may result from making, canceling, or changing requested deductions.

#### B. EXCEPTIONS TO DUES DEDUCTION AUTHORIZATION

When a member is in a non-pay status for an entire pay period, no dues deductions shall be made from future earnings to cover that pay period, nor may the member be required to deposit the amount which would have been deducted if the member had been in pay status during that period. In the case of a member who is in a non-pay status during only a part of the pay period, and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made.

OPERATING ENGINEERS LOCAL UNION NO. 3  
FRESNO PUBLIC EMPLOYEES DIVISION

D. UNION BUSINESS

1. The City shall allow a reasonable number of employees of this Unit a reasonable amount of time off without loss of compensation when members are conducting contract negotiations within the scope of representation.
2. Approval of time off pursuant to subsection D.1, above, shall not be unreasonably withheld, however the City may deny use of time, if the time off requested would preclude the Department from maintaining the efficiency and needs of governmental operations.
3. Each fiscal year of this agreement, the Union may require members of the Union to donate four (4) hours of their monthly vacation leave accrual levels (denoted in Section VII E. 2. Vacation Leave), to the Union, which shall be placed in a time bank and administered by the Department for Union business use. The donated time shall be used by business officials of the Union to attend conferences, training, and to conduct Union business as needed, and directed by the Union. The Department is not required to grant time off for Union business if it will require filling the position on an overtime basis. The Union shall have the responsibility of notifying the Finance Department and Labor Relations when the hours are to be donated. Upon receipt of this notification, the Finance Department shall deduct the designated hours at the next feasible pay period.
4. Any time spent by the Union President, and by members designated by the Union to be on such business, shall be deducted from the Union's time banked balance. It is further agreed by the parties that once accrued vacation leave is donated to the Union, the City no longer has any obligation to compensate, either in cash or in equivalent time off, such members.

#### C. FRESNO CITY EMPLOYEES HEALTH AND WELFARE TRUST

The City and the Association agree that the Fresno City Employees Health and Welfare Trust has the sole authority to determine the benefits that will be provided during the term of this MOU. The sole responsibility of the City under this clause is to provide a set dollar amount to be contributed to the Trust on behalf of the employee represented by the Association. Effective July 1, 2015, the City's contribution will be seventy-five percent (75%) of the premium established by the Fresno City Employees Health and Welfare Trust Board prior to July 1, 2014, plus fifty percent (50%) of any increase in the premium effective July 1, 2015. Future increases to the health and welfare premium will be split so that fifty percent (50%) will be absorbed by the City and fifty percent (50%) will be absorbed by employees, except that the employee share shall not exceed thirty percent (30%). Should the employee share be set at thirty percent (30%), the City share shall be seventy percent (70%). During periods of open enrollment or due to a change in circumstances as defined by the Trust, an employee may opt to contribute the amount necessary to make up the difference through payroll deductions, or accept a reduced coverage option.

Should any other represented bargaining unit in the City negotiate a successor MOU, or extend the period of an MOU, or have terms imposed resulting in a greater contribution by the City, upon the Union's request, the City will match that benefit.

The parties also agree to work collectively in conjunction with their Board representatives to research and recommend potential cost-saving measures for the

Health & Welfare Trust, which may include a choice of health program options based on individual need or preference, including a reduced option equivalent to the City's premium contribution, a separate rate for single employees with no dependents, or other flex plan programs; mandatory generic mail order drug maintenance for employees who require prescription drug therapy for any period of 90 days or more; or other measures that may be identified as this work progresses.

  - (c) during the open enrollment period for the Health Plan\* \* \*

If other insurance is discontinued, the employee will not be eligible to opt out of the City's Health and Welfare Trust plan until they submit proof of other insurance either within thirty (30) days of a qualifying event or during the open enrollment period for the Health Plan.**
4. Proof of **other** health insurance will be \* \* \* by a current insurance identification card \* \* \* or **proof of eligibility from the insurance provider** \* \* \*  
\* **Proof of other insurance must include the employee's name.**

2. The Unit is on a 14 day work period with a schedule consisting of three twelve (12) hour shifts in one week and four twelve (12) hour shifts in another week. As noted below, this work period and schedule can be changed with appropriate notice.
3. Work schedules are established solely at management's discretion based upon the need to provide service to the public and operational efficiency requirements. Work schedules may be rotated, at management's discretion. Such decisions shall not be appealable or grievable.
4. Management will provide thirty (30) calendar days written notice of a change in work schedules to employees and the Union. A copy will be sent to Labor Relations. [§ deleted]

#### 4. Supplemental Sick Leave

On July 1 and each July thereafter of each fiscal year during the term of this MOU, employees in this Unit shall be credited forty (40) hours of Supplemental Sick Leave with an accrual limit of eighty (80) hours. Employees who have earned eighty (80) hours or more prior to June 29, 2015, shall retain those hours but shall not accrue any additional time. However, if an employee is absent from work on a leave without pay status on July 1<sup>st</sup>, the additional forty (40) hours shall be prorated and received upon the employee's return to work. Employees may use Supplemental Sick Leave for this purpose only once the employee has exhausted their regular Sick Leave balance.**

Accruals shall be prorated for employees hired after July 1<sup>st</sup> but shall not be reduced if the employee is on protected leave.

Accruals shall be prorated for employees hired after July 1<sup>st</sup> but shall not be reduced if the employee is on protected leave.

#### 5. Leave Conversion

Employees who were previously assigned to a 56 hour schedule and had leave calculated at a rate commensurate with a 56 hour schedule shall have accumulated holiday, vacation and sick leave converted by a factor of 1.4 upon conversion to a 14 day work period with 12 hour shifts.

#### 6. Health Reimbursement Arrangement

The City currently maintains a Health Reimbursement Arrangement (HRA) that qualifies as a "health reimbursement arrangement" as described in Internal Revenue Service (IRS) Notice 2002-45 and other guidance published by the IRS regarding HRA's. The City agrees to maintain the HRA such that it will continue to qualify as a health reimbursement arrangement for the term of the MOU.

At service retirement, or at a disability retirement if a Tier I or Tier II member is otherwise eligible for service retirement, or upon resignation if the employee is otherwise eligible for service retirement, employees who have used one hundred twelve (112) hours or less of sick leave used for sick time (excluding only hours used for Workers' Compensation benefits and/or protected leaves such as Family & Medical Leave, and Family Sick Leave, and/or Bereavement Leave) in the 24 months preceding their date of retirement, will be credited with an account for the employee under the HRA to be used solely to pay premiums for medical insurance (including COBRA premiums) **and qualified medical expenses pursuant to the City of Fresno Retiree HRA Plan Document**. The "value" of the account shall be determined as follows:

- The number of accumulated sick leave hours in excess of 240 hours at the time of retirement multiplied by \* \* \* **80%** of the employee's then current hourly base rate of pay.
- The hourly base rate of pay for employees shall be the equivalent of the monthly salary for an employee as reflected in the \* \* \* **Salary Resolution**, multiplied by twelve (12) months then divided by 2,080 hours; or

At the employer's option, the HRA accounts shall be book accounts only – no actual trust account shall be established for any employee. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

The HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) **and qualified medical expenses pursuant to the City of Fresno Retiree HRA Plan Document** covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.
