LIGHT EQUIPMENT OPERATOR

DEFINITION
Under supervision, operates trucks, light tractors, and related automotive equipment; may lead one or more workers on an assigned route or project.

SUPERVISION RECEIVED/EXERCISED
Receives supervision from a Manager or designee. Exercises no supervision, may provide lead direction.

DISTINGUISHING CHARACTERISTICS
Light Equipment Operator incumbents operate trucks, light tractors, and related automotive equipment and may lead a small crew of workers. This class is distinguished from the Heavy Equipment Operator class, in that incumbents of the latter operate heavy and moderately heavy automotive and related equipment.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES
May include, but are not limited to, the following:

Loads and operates flat-bed dump trucks with trailers; operates brush chipper and chain saw; hauls treetrimmings, trash, and refuse to City dump.

Operates water-tank truck on an assigned route, irrigating trees along City streets, on traffic divider islands and in park areas.

Operates truck-mounted hydraulic spray rigs applying a variety of chemical pest control sprays to street trees.

Operates multi-unit hydraulic gang mowers, rubber-tired tractors, backhoe, packer-type refuse trucks, hydro-lifts, and a variety of medium equipment in Parks and Recreation assignments.

May lead one or more workers on an assigned route or project.

Hauls lumber, soil, compost material, nursery stock, and miscellaneous supplies.

Picks up and delivers animals, materials, and supplies to the appropriate destination.

Performs related duties as required.
