CHAPTER 1
PREAMBLE

1.1 PURPOSE

This Memorandum of Understanding, hereinafter MOU, entered into between the City of Fresno, hereinafter referred to as the City, and the Fresno Police Officers Association, hereinafter referred to as the Association, has as its purpose: to establish wages, hours and other terms and conditions of employment for members of this Unit. Upon approval by the City, other than the modifications set forth herein, the parties agree that until this MOU terminates on June 16, 2024, all economic benefits currently afforded to affected members shall remain intact without modification unless otherwise agreed to in writing by the parties.

1.2 DEFINITIONS

Unless the particular provision or the context otherwise requires, and, except to the extent that a particular word or phrase is otherwise specifically defined in this MOU, the definitions and provisions contained in Article 3 of Chapter 1, Sections 3-101, 3-201, 3-301, 3-302, and 3-603 of the Fresno Municipal Code, (hereinafter FMC), shall govern the construction, meaning, and application of words and phrases used herein. The definition of each word or phrase shall constitute, to the extent applicable, the definition of each word or phrase or from which it is a derivative.

1.3 GOVERNING LAWS

The employer-employee relationship between the City and its employees and the City and the Association is governed by Chapter 10 of Division 4 of Title I of the Government Code (Section 3500 et seq., commonly known as the Meyers-Millas-Brown Act), applicable provisions of the Public Employment Relations Board (PERB), the Public Safety Officers Procedural Bill of Rights Act (POBOR), as may be amended from time to time, and Article 6 of Chapter 3 of the FMC. In the event of any conflict between said laws and this MOU, or in the event of conflicts in interpretation, said laws shall govern.
CHAPTER 2
EMPLOYEE RIGHTS

2.1 GENERAL - EMPLOYEE RIGHTS

Except as otherwise provided in this MOU, the rights of employees include those set forth in FMC Section 3-604, and said section presently reads as follows:

"Employees shall have the right to form, join and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations including, but not limited to, wages, hours, and other terms and conditions of employment. Employees shall have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in their employment relations with the City. No employees shall be interfered with, intimidated, restrained, coerced, or discriminated against by the City or by an employee or an employee organization because of their exercise of any of these rights. No management employee or confidential employee shall act as a representative of any employee organization which represents employees other than management employees or confidential employees."

2.2 EMPLOYEE RESPONSIBILITIES

All employees in the Non-Supervisory Police Unit, hereinafter Unit, acknowledge that the City shall consider the positions and proposals of the Association as the meet and confer positions and proposals of all employees, individually and collectively, in said Unit.

2.3 NONDISCRIMINATION

The provisions of this MOU shall apply equally to and be exercised by all members of the Unit consistent with state and federal nondiscrimination statutes.

2.3.01 A member seeking to utilize the grievance procedure, claiming a violation of Section 2.3, shall make an election of remedies between arbitration, and any other remedy available at law, through local, state, or federal law. The election of remedy shall take place at the step in the grievance procedure leading to final and binding arbitration.

2.3.02 When a member seeks to go to arbitration claiming a violation of Section 2.3, the member, the City, and the Association shall enter into an
agreement which provides that in exchange for the member’s commitment to voluntarily determine the matter through arbitration, the member agrees to waive the member’s right to pursue any other remedy otherwise available through local, state, or federal law. Said agreement shall comply with all statutory and judicial requirements and contain a provision that the member has been advised of the member’s right to consult an attorney and/or local, state, or federal anti-discrimination agency regarding the member’s discrimination claim and that the member’s consent to the agreement is voluntary and knowing.

(4) With the support of the Association, the City will make efforts to amend the Municipal Code to allow the additional contribution amounts above in Section 7.2.02 (2) and 7.2.02 (3) to become part of the Member Normal Contribution Rate. *** If the Municipal Code is so amended, the City and the Association agree that, on the first pay period following the date the new FMC provision goes into effect, all of the following will apply if approved by City Council:

(a) The Member Normal Contribution Rate for members of Tier 2 in the Fire and Police Retirement System hired on or after September 11, 2014, shall be twelve percent (12%).

(b) Active members in Tier 2 who were hired before September 11, 2014, shall have their Normal Contribution Rate increased from nine percent (9%) to ten percent (10%).

(c) Members of Tier 1 in the Fire and Police Retirement System shall have their Member Normal Contribution Rate increased by an additional one percent (1%) which will be
added to their existing Entry Age Normal Contribution Rate effective with the change in the FMC in accordance with this Section.

(d) Members who entered DROP prior to March 7, 2011 are not required to make Member Normal Contributions in accordance with the provisions in the Fresno Municipal Code.

(e) Members who enter DROP on or after March 7, 2011 are required to make Member Normal Contributions as per Section 7.2.02 (4) (a) through (c), and their Member Normal Contributions shall continue to be deposited into the member’s DROP account.

Therefore, the deferred salary increases listed in this subsection (1) below shall be included, if appropriate, in any retirement benefit or DROP calculations pursuant to the applicable FMC sections for members who separate from City service by service retirement or by disability retirement, or enter DROP.

- Effective January 1, 2011, One percent (1%)
- Effective July 1, 2011, Two percent (2%)
- Effective January 1, 2012, One percent (1%)

(2) With respect to Section 7.2.03 (1), members who retire or enter DROP and are credited with the January 1, 2011, July 1, 2011 and January 1, 2012 deferred salary increases in their retirement benefit or DROP calculation shall not be entitled to also add the July 1, 2014 and July 1, 2015, salary increases set forth in Section 7.2.01 to their retirement benefit or DROP calculation.
(3) In accordance with FMC Sections 3-411 and 3-424, should the CPI percentage for the more recent full calendar year decrease below the CPI percentage for the full calendar year immediately prior, that percentage decrease shall not be used to reduce retirement allowances or deposits to the members' DROP account. It shall instead be used to reduce any previously banked cost of living increases. Any decreases in excess of the members'/retirees' cost of living banks shall be accumulated in the bank and offset by future cost of living increases as occurring in succeeding years.

7.10 TIME CHANGE

This is to clarify and confirm City processes when a time change occurs. Any member regularly scheduled to work, and who does work, an eight-hour, ten-hour, or twelve (12) hour, shift during which a change from Pacific Standard Time to Pacific Daylight time, or vice versa, occurs, will be paid as follows:

When such shift occurs in the spring, the member shall receive the full eight, ten, or twelve, hours pay. Any time worked in excess of the regular shift as scheduled shall be at the applicable overtime rate.

When such shift occurs in the fall, the member shall receive the regular eight, ten, or twelve, hours pay. Overtime at the applicable rate shall only be paid for work which is performed immediately before the scheduled starting time and for work which is performed after the scheduled end of the shift. No overtime, at any rate,
shall be paid when the actual number of hours worked during such scheduled shift is nine or eleven hours because of the change from daylight savings to standard time.

7.11 LEAVES

7.11.01 Sick Leave:

Members shall accrue sick leave at the rate of eight (8) hours, for each completed calendar month of employment, with unlimited accumulation.

Members shall be allowed to take up to forty-eight (48) hours of accrued sick leave per fiscal year for Protected Sick Leave under Labor Code 233. Protected Sick Leave may be used for kin care or any other purpose defined in California Labor Code section 233. The member shall elect whether Sick Leave taken will be designated Protected Sick Leave pursuant to this Subsection. The first three days or twenty-four hours, whichever is greater, shall also be considered leave taken under California Labor Code section 246.5 (i.e., AB 1522, Healthy Workplace Healthy Family Act of 2014). Use of Protected Sick Leave shall be authorized and recorded by a department head or designee. Members who separate City employment and return within one (1) year of such separation will be entitled to reinstatement of unused Sick Leave balances at the time of separation from City employment, up to a total of forty-eight (48) hours.

7.11.02 Retirement Attendance Incentive An employee who meets the criteria as outlined below, will receive only one of the following benefits based on whether or not the employee enters the Deferred Retirement Option Program (DROP) before retiring from City employment.

(1) Election into DROP An employee who has reached the minimum retirement age and has elected to enter the DROP the calculation of the member’s Final Average Salary (FAS) shall include an amount equal to fifty percent (50%) of the member’s unused sick leave as if it were a one-time-payment at the hourly base rate of pay in effect for the member as of the DROP entry date. The member's pension contribution on this additional pensionable compensation will be calculated as of the date of DROP entry by multiplying the amount in this subparagraph by the member's pension contribution rate, and that amount will be deducted from the member’s DROP account. The City will also be required to make a corresponding pension contribution to the retirement system based on the additional pensionable compensation created by the Retirement Attendance Incentive. The value of the additional
amount in this subsection may be included in the member’s gross pay at the time of DROP entry for taxable compensation purposes under IRS regulation calculations.

(2) **Election Not to Enter DROP** - For an employee who has reached the minimum retirement age and who retires from the City for service or for disability without entering DROP, an amount equal to fifty percent (50%) of the member’s unused sick leave balance shall be included in the computation of the member’s Final Average Salary (FAS) as if it were a one-time-payment at the hourly base rate of pay for the employee in effect at the date of retirement. The member and the City will make a corresponding pension contribution to the retirement system based on the additional pensionable compensation created by the Retirement Attendance Incentive. The member’s retirement contribution will be calculated as of the date of retirement by multiplying the amount described above in this subparagraph by the employee’s pension contribution rate and the employee agrees to have this amount withheld from the employee’s first retirement benefit payment from the Retirement System as the employee’s retirement contribution for this additional amount of pensionable compensation. The value of the additional amount in this subsection may be included in the member’s gross pay at the time of retirement for taxable compensation purposes under IRS regulation calculations.

This provision shall not apply to members who retire prior to age 50 due to a disability or to former members who have separated from City service and have elected a Deferred Vested status in the City of Fresno Fire & Police Retirement System.

(3) Hourly base rate shall be the equivalent of the monthly salary for the employee as provided in Exhibit I, multiplied by twelve (12) months then divided by 2,080 hours.

7.11.03 **Health Reimbursement Arrangement (HRA)**

(1) The City currently maintains a Health Reimbursement Arrangement (HRA) that qualifies as a "health reimbursement arrangement" as described in Internal Revenue Service (IRS) Notice 2002-45 and other guidance published by the IRS regarding HRAs. The City agrees to maintain the HRA such that it will continue to qualify as a “health reimbursement arrangement” for the term of the MOU.
(2) At separation from permanent employment with the City of Fresno by service retirement or at disability retirement if the member is otherwise eligible for service retirement, the value of the member's accumulated sick leave shall be credited to an account for the employee under the HRA such "value" shall be determined as follows:

(a) Sick Leave

For employees hired before September 11, 2014, and any employee who does not enter DROP, all accumulated sick leave hours multiplied by either:

- 50% of the employee's then current hourly base rate of pay at the time of retirement, or

- 80% of the employee's then current hourly base rate of pay at the time of retirement if the employee retires within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of an application for disability retirement, or an application for service retirement (not having submitted an application for disability retirement).

For employees in DROP hired on or after September 11, 2014, accumulated sick leave hours multiplied by:

- 50% of the employee's then current hourly base rate of pay at the time of retirement, except that the accumulated sick leave hours shall not exceed the number of sick leave hours which the employee had at the time of entry into DROP or

- 80% of the employee's then current hourly base rate of pay at the time of retirement if the employee retires within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of an application for disability retirement, or application for service retirement (not having submitted an application for disability retirement), except that the accumulated sick leave hours shall not exceed the number of sick leave hours which the employee had at the time of entry into DROP.
(b) Holiday Leave

The total number of all accumulated holiday leave hours at the time of separation for retirement purposes shall be paid at the member's then current hourly base rate of pay.

(3) The hourly base rate of pay for sick and holiday leave balances shall be the equivalent of the monthly salary for a member as reflected in Exhibit I, multiplied by twelve (12) months then divided by 2,080 hours.

(4) At the City's option, HRA accounts may be book accounts only. A book account means that no actual trust account shall be established for any member. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

(5) The HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents as well as other qualified medical expenses as defined in Internal Revenue Code Section 213(D), and further detailed in Internal Revenue Service Publication 502. Once a participant's account under the HRA has been reduced to $0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to $0, no death benefit shall be payable to any person by the HRA.

(6) While this provision is in effect members shall not be allowed to cash out any accumulated or accrued sick leave at retirement.

[§§ deleted]

(7) It is the intent of the parties to delete the following phrase: “if the member is otherwise eligible for service retirement,” from Section 7.11.03(2), provided that removal of such language will not result in any material detriment to the plan or the City, its plan participants, or to the tax status of the plan. In the event that such detriment exists, the City will notify FPOA within 90 days with an explanation in writing. It is understood that a change in the plan document will require meet and confer with all affected bargaining units.
7.11.04 **Protected Sick Leave:**

Effective October 1, 2014, members shall be allowed up to forty-eight (48) hours of accrued sick leave per fiscal year for Protected Sick Leave. Protected Sick Leave shall be used only for those purposes defined in the California Labor Code Section 233, **as designated by the member.** Use of Protected Sick Leave shall be authorized and recorded by the department head or their designee.

7.11.05 **Vacation Leave:**

(1) Members shall accrue vacation leave hours for each completed calendar month of employment as reflected in the table below. (Pursuant to Section 6.3.01, each Officer's applicable accrual rate will be reduced monthly by .66666 hours for Association time bank purposes.) Members with less than 15 years of continuous employment are allowed to accrue 340 hours of vacation leave, and members with 15 years or more of continuous employment are allowed to accrue 420 hours of vacation leave.

(2) No member’s vacation accumulation shall cease due to refusal by the City to grant vacation leave prior to the member reaching the vacation accrual cap applicable to the member’s position and length of service. In the event a member requests in writing vacation leave one month prior to the month in which the cap would be reached, and such request is refused, the Chief of Police or designee shall extend the member’s accrual cap for ninety (90) days, during which time the member shall be scheduled for vacation leave sufficient to reduce the member’s balance below the
accrual cap. Request for extensions under this section may be denied if the member failed to sign up for and take his/her maximum accrued annual vacation leave during dates which were available for that purpose.

(3) Any employee returning to full time peace officer City of Fresno employment after previously serving in another agency(s) in a permanent position in a classification equivalent to that of a full time sworn peace officer with the City of Fresno, with no break in service prior to re-employment with the City of Fresno, will be credited with the equivalent years of eligible service in such previous employment solely for determining vacation accruals for City years of service purposes on a prospective basis after certification of the prior years of eligible service is provided by the employee. Time spent in non-full time service, such as time as a Reserve Officer, will not be credited. Any period of 30 calendar days or less when moving between agencies will not be considered a break in service. An employee who has served in multiple agencies with no break in service is eligible to receive credit for all such time.

7.11.06 Holiday Leave:

(1) Members shall accrue eight and two-thirds hours per month as holiday leave in lieu of the Holidays recognized in FMC Section 3-116.

January 1.

The third Monday in January.

The third Monday in February.

The last Monday in May.

July 4.

The first Monday in September.

November 11.

Thanksgiving Day in November.

The Friday after Thanksgiving Day in November.

December 25.

Employee’s Birthday.
Two Personal Business Days.

Any day or part of a day declared by the Council, ordinance or resolution, to be a holiday.

(2) Holiday leave banks are capped at 96 hours. Members who are at the 96 hour cap will receive an automatic pay down of any hours exceeding the cap.

(3) Members may voluntarily request the department to pay down the member's Holiday time up to a maximum of 96 hours per month.

(4) A Tier 2 member who elects to enter DROP or retire (not having entered DROP), shall have amounts equal to the member’s unused holiday leave balance multiplied by the member's current hourly base rate of pay included in the computation of the member’s final average salary as if it were a one-time payment.

(5) At separation, accumulated holiday leave shall be paid at the member’s base rate of pay in accordance with section 7.11.03 if eligible for the Health Reimbursement Arrangement (HRA).

(6) At separation, accumulated holiday leave shall be cashed out at the member’s base rate of pay if not eligible for participation in the Health Reimbursement Arrangement (HRA).

7.11.07 Special Holiday Leave:

On July 1, 2011, all holiday leave balances in excess of 96 hours were placed as a one-time deposit in a Special Holiday Leave Bank.

(1) Employees may not place additional hours in the Special Holiday Leave Bank.

(2) Cash outs of Special Holiday Leave Bank hours are pensionable for Tier 2 members.

(3) Special Holiday Leave hours may be used as follows:

(a) Approved leave;

(b) Absent With Substitute (AWS) agreements transferred only to the substituting employee’s regular holiday bank;

(c) Voluntary cash-out of forty-three (43) hours each FY beginning in FY14. If this option is taken, the value of the cash-out may be included in the member’s gross pay in the
year cashed-out for taxable compensation purposes under IRS regulation calculations; and,

(d) Voluntary cash-out of one-hundred (100) hours immediately prior to separation and prior to the employee filing retirement paperwork. If this option is taken, the value of the cash-out may be included in the member’s gross pay in the year cashed-out for taxable compensation purposes under IRS regulation calculations.

At separation from City service, all remaining hours in the Special Holiday Leave Bank shall be credited to an HRA account for the employee if eligible for service retirement as set forth in Section 7.11.03, or cashed out at separation if not eligible to participate in the HRA.

(4) Tier 2 members who elect to enter DROP or retire (not having entered DROP), shall have an amount equal to the member’s current hourly base rate of pay included in the computation of the member’s final average salary as if it were a one-time payment.

7.11.08 Family Events:

In the event a member requests paid time off (vacation, CTO, or holiday time) not less than two weeks in advance to attend a major family or social event (wedding, birthday, etc.) and permission is granted to attend such event, the permission for time off shall not be cancelled, except in event of emergency. An emergency is defined as circumstances beyond the control of the City and not having been known 48 hours in advance of the circumstance creating the emergency.

7.11.09 Guaranteed Leave:

(1) Two times during each matrix semester period, personnel assigned to the patrol matrix may submit a request for guaranteed leave, which request will be honored, subject to the following conditions and procedures:

No more than eight (8) guaranteed leave requests will be honored for any single date. This limit applies city-wide, and for all shifts combined.

Guaranteed leave requests may not be submitted for Christmas Eve, Christmas Day, New Year’s Eve, New Year’s Day, Thanksgiving Day, the day after Thanksgiving, and July 4th.
Requests must be submitted no less than fifteen (15) calendar days before the date requested to be off, but no more than sixty (60) calendar days before the date requested to be off.

Requests are to be submitted to the Duty Office, to be date and time stamped by Duty Office personnel when received. Requests will be honored on a first-come, first-served basis, to the above stated maximum of eight.

Guaranteed leaves may be taken using vacation time only.

Guaranteed leaves may only be for one (1) work shift per request.

Once submitted, guaranteed leave slots may not be transferred from one member to another.

2) The Duty Office will be responsible for tracking members’ usage of guaranteed leave requests. Once a member submits a guaranteed leave request, the member may cancel the time off, but the request will still count as one of their allowable requests during the semester period, unless the member cancels thirty (30) calendar days prior to the requested date(s).

3) The department will establish a $100,000 fund for each remaining fiscal year of this MOU, for payment of overtime costs associated with the granting of guaranteed leave. The $100,000 shall be split into two equal portions for July 1st through December 31st, and for January 1st through June 30th, for each fiscal year. Should overtime costs to backfill guaranteed leave not consume the $50,000 in any semester of a fiscal year, the excess will be carried over and added to the fund for the following semester, and consideration will be given to increasing the number of allowable requests during following semesters. Any such increases must be with mutual agreement of the department and Association.

4) Should overtime costs to backfill guaranteed leave consume the $50,000 during a semester, or the $50,000 and any carry-overs during any subsequent semester, guaranteed leave requests will not be accepted for the remainder of the affected semester.

7.11.10 Vacation Leave Bidding:

Simultaneously with the bidding for shift assignments in the Patrol Division, during the month of December for each fiscal year during the term of this MOU and at least fifteen (15) days prior to January 1 of each
year, all covered members may bid to schedule vacation according to date of hire as a Police Officer, or in the case of Sergeant, the date of promotion. A member may bid to schedule vacation in an amount equal to the maximum vacation leave time accrued by that member for the fiscal year. At the time of the bidding process, a member has the option to bid for a one time use of the maximum vacation leave time accrued or may choose to schedule two (2) separate vacation periods. If a member chooses to schedule two (2) separate vacation periods, they may participate in a second bidding process to occur following the completion of the initial bidding. If, after a member participates in the second bidding process, they retain additional accrued vacation leave balances, they may participate in a third bidding process immediately after the second. This second and third bidding process shall also be governed by seniority as stated above and be limited to the remaining vacation leave time accrued for that fiscal year. Vacations shall be scheduled to be taken during the Matrix time period and may be scheduled to coincide with the member's regular days off.

Should the member later decide to schedule vacation in an amount in excess of that accrued during that fiscal year, the decision to allow such additional vacation time shall be at the discretion of the department.

7.11.11 Requests for Time Off Work:

Requests for time off work should be submitted at least 24 hours in advance to increase the likelihood of being approved.

7.12 HOURS AND WORK SCHEDULES, MATRIX ASSIGNMENTS, DUTY OFFICE, NON-MINIMUM STAFFING, STAFFING SOFTWARE, AND ABSENT WITH SUBSTITUTE (AWS)

7.12.01 Hours and Work Schedules:

(1) All members will be assigned to an eight (8), ten (10), or twelve (12) hour day as directed by the Chief of Police. All shifts will include a paid thirty (30) minute meal break. Members are encouraged to notify their supervisor if they are unable to take a meal break. Supervisors should make an effort to ensure members have a meal break. Meal breaks may not be taken within the first and last hour of a shift without supervisor approval.

(2) Based on the needs of or significant benefit to the department, the Chief of Police may apply a “5/8”, “4/10”, or “3/12” schedule to specified units outside of patrol matrix duties, either:
With the concurrence of the affected personnel, or

With thirty (30) days notice to affected personnel, on the condition that said affected personnel who wish to remain on a 4/10 schedule will be allowed to return to a patrol shift consistent with their seniority. In addition, affected members may be considered, at management’s discretion, for transfer to another special unit with a 4/10 schedule.

(3) Members who are assigned to attend training may be assigned on a 5/8 basis, to accommodate the training schedule. The department will make every effort not to schedule any member to training which will conclude immediately prior to the member’s four or five-day work period.

7.12.02 Patrol Work Schedule/Matrix (i.e., Matrix time period) /Transfer Portal:

(1) A platoon schedule will be in effect for personnel assigned to patrol matrix duties. The platoon schedule will consist of a work week of five (5) ten-hour days followed by a week of three (3) ten hour days or vice-versa, with a total of six (6) days off during the two work weeks.

(2) Patrol Matrix sign-ups are in the month of December. Every 12 months, all work assignment positions in the patrol matrix shall be declared open for the purpose of bidding by Sergeants, Corporals, and Officers according to date of hire as a Police Officer/Corporal, or in the case of Sergeant, the date of promotion, for the district shift assignment, and days off and on preferences. For the purpose of bidding, Sergeants will precede Officers/Corporals.

(3) Personnel assigned to patrol who are on injury, long-term absence, or other absence status at the time of bidding will not be counted as part of the personnel assigned to the patrol matrix and will not be allowed to participate in matrix sign ups unless they have a medical release to return to work at the time of sign ups.

(4) At the time of bidding, the number of shifts available for Officer/Corporal/Sergeant bid shall be equal to the number of member positions allocated to the patrol matrix. Personnel assigned to patrol who are on injury, long-term absence, or other absence status shall not sign up for a patrol shift, and for purposes of staffing, shall not be considered as currently assigned to the patrol matrix. Upon return of a member to patrol duty status, the member may make a selection from the original matrix.
commensurate with the member’s seniority for shift/district subject to the needs of the department.

(5) Nothing in the preceding sub-sections precludes moving probationary employees.

(6) Assignments as a result of the bidding process will begin on the first day of the first pay period following January 1st of each year. During the 12-month assignment cycle, if a hardship exists, a special request for a change in district and/or shift can be submitted. A member may submit one request to the Chief of Police through the chain of command during a twelve month assignment cycle. The request will be considered based on the needs of the department. A response will be issued to the member within thirty (30) calendar days. Barring a training need, approved requests may be honored once a vacant position that addresses the hardship becomes available.

(7) Beginning when this MOU becomes effective, a Transfer Portal program will be implemented to allow for the transfer of employees to a different district and/or shift. The Chief of Police reserves the right to cancel the program at any point during the term of this MOU if the Chief of Police determines it becomes detrimental to staffing or any other negative impact on the department.

(8) Police management reserves the right to designate specific detail numbers for probationary Officers and Recruits. Police management may also designate certain detail numbers as “not available for sign-up” based upon the anticipated deployment of any Officers or Recruits in the Training Program at the time of the matrix bidding.

(9) Police management reserves the right to designate specific detail numbers for probationary Officers and Recruits to prevent the concentration of probationary personnel on any given shift in a given district. Any such allocation will apply only to swing, lap, and/or midnight shifts, and will be accomplished in such a manner as to ensure balance of probationary employees between policing districts and shifts. Subject to the aforementioned considerations, police management may also designate certain detail numbers as “not available for sign-up” based upon the anticipated deployment of any Officers or Recruits in the Patrol Training Program at the time of the matrix bidding.
7.12.03 Patrol Matrix Schedule - The department and FPOA will meet no later than September 1\textsuperscript{st} of each year during the term of the MOU to discuss staffing and shifts for the patrol matrix, evaluate the effectiveness and necessity of the patrol matrix, as well as to discuss potential alternatives to it. The patrol matrix may be modified or cancelled upon mutual agreement with a side letter agreement.

7.12.04 Duty Office:

(1) Officers assigned to the Duty Office may be scheduled to work a modified “3/12” schedule consisting of three (3) twelve (12) hour work shifts one week, followed by three (3) twelve (12) hour work shifts and one (1) eight (8) hour work shift the next, or vice versa.

(2) Officers working in the Duty Office not scheduled on a “3/12” basis will be scheduled on a “4/10” basis.

(3) Work schedules will contain specific hours and day off patterns established and/or modified by agreement of Police Department Management, acting on behalf of the City, and the Association, acting on behalf of the affected members.

(4) Hours worked in excess of the scheduled eight (8), ten (10) or twelve (12) hour work shift, or in excess of the scheduled thirty-six (36), forty (40) or forty-four (44) work week, will be compensated as overtime.

(5) Either the City or the Association may discontinue this section with thirty (30) days written notice to the other party. The decision to discontinue this section is not grievable or appealable. Discontinuation of this section will result in the reinstatement of all schedule and overtime provisions existing in the current MOU.

7.12.05 Non-Minimum Staffing - Flexing of Hours:

To accommodate the personal needs of members and to create the best working environment, given the context of a police department whose primary goal is service to the community, members assigned to non-minimum staffing units may request and be assigned flexible hours of work. The member’s Supervisor may adjust hours of work under the following conditions:

(1) The operational needs of non-minimum staff unit shall be the primary concern for a Supervisor when determining a request for flexing of hours.
(2) The occasional granting of a flex schedule pursuant to this subsection will be only for specific qualified purposes as determined by a Supervisor. Examples of a specific qualified request by a member may include attending their child’s baseball game, a doctor’s appointment, meeting someone who is arriving at the airport, or some other qualified event.

(3) Granting a long-term flex schedule shall require concurrence of the Bureau Commander. Examples of the need for a long-term flex schedule may include home nurse care for a spouse and the need to relieve the care giver, circumstances involving a "special needs" child, continuing education, or some other qualified event.

(4) A Supervisor may require the members to decide amongst themselves who is to be granted a flex schedule. The decision by the members shall be by mutual agreement. If the members are unable or unwilling to make such decision, the Supervisor shall have the discretion to make whatever decision they deem appropriate.

(5) With the concurrence of the Bureau Commander and in lieu of granting a flex schedule, a Supervisor may offer to a member the option of a fixed 5/8 schedule with the hours of 0730 to 1600, for a minimum of thirty (30) days.

(6) In order to meet departmental operational and service needs, a Supervisor may terminate, at any time, a member’s flexed schedule upon thirty (30) days written notice to the affected member. The decision to discontinue a flex hour schedule is not appealable or grievable.

7.12.06 Staffing Software:

The department and FPOA agree to create preferred staffing in lieu of minimum staffing. Preferred staffing is defined as a staffing level for patrol matrix shifts and policing districts determined by the Chief of Police or his/her designee that meets the needs of the department, the safety needs of the community, and follows the terms and conditions set below. Preferred staffing will be reviewed annually, with the department and FPOA meeting no less than thirty (30) days prior to the annual patrol matrix signups. Both the department and the FPOA must agree to continue preferred staffing or the MOU will revert back to the prior minimum staffing language.

The department may utilize staffing software in the deployment of patrol
personnel (policing districts). Deployment is inclusive of the number and scheduling of shifts, the number and configuration of policing districts, members assigned to each shift, and the day off configuration and/or rotation of days off. Data used to develop staffing recommendations at the beginning of each matrix period, and the resulting district and shift preferred staffing levels will be based on the number of personnel assigned to the patrol matrix who are not expected to be on injury or other absence status longer than thirty (30) days into the matrix period.

Staffing recommendations can be implemented up to a maximum of two (2) times in a fiscal year provided that all affected members receive the change that will occur at sign-ups. No shift shall start before 0600. Although staffing software may recommend Summer/Winter base shift hours, management reserves the right at any time to adjust those hours with five (5) calendar days advance notice based on operational/service needs.

The department reserves the right to determine initial preferred staffing levels in patrol, by shift and district, at the beginning of the matrix period.

During the course of the matrix period, the department may review and adjust preferred staffing levels.

The Association will designate a representative who will participate in the process of determining annual staffing recommendations.

7.12.07 Absent with Substitute

(1) AWS with Trade - In accordance with Section 7 (p)(3) of the Fair Labor Standards Act (FLSA) as discussed in 29 CFR 553.31, the City agrees that members may, with their supervisor's approval, substitute for one another when a member would like to take time off work. The substitution must be during scheduled work hours, and in the performance of work in the same capacity. The hours worked are excluded by the City in the calculation of the hours for which the substitute member would otherwise be entitled to overtime compensation under the FLSA and under Section 7.3. When one member substitutes for another, the member being substituted for will be credited as if they had worked their normal schedule for that shift.

(2) Probationary Officers - Officers on probation may utilize 40 hours of AWS to take time off during any calendar quarter with no restriction on how many hours of AWS they can work during any calendar quarter. Probationary Officers needing to utilize more than
40 hours of AWS to take time off during a calendar quarter may do so with district commander approval.

(3) Non-Probationary Officers - Non-probationary Officers may utilize 120 hours of AWS to take time off during any calendar quarter with no restriction on how many hours of AWS they can work during any calendar quarter. Non-probationary Officers needing to utilize more than 120 hours of AWS to take time off during a calendar quarter may do so with district commander approval.

(4) AWS with Compensation - When one member substitutes for another, the member being substituted for will be credited as if the member had worked their normal schedule for that shift. If the substituting member wishes to be compensated for the substitute shift worked at the base/straight time rate of pay, then the member being substituted for shall transfer the applicable number of holiday leave, vacation, or CTO, hours to the substituting member’s “like” account. The volunteering member shall work the shift in order to receive the time credited to their account. (Note: The member being substituted for may only select one account from which to take hours for transfer, and those hours shall only be transferred to the volunteer substitute’s “like” account. If the substituting member’s selected account is at the maximum allowable balance, the substituting member shall be compensated at the base/straight time rate of pay from the transferred hours. An internal processing form has been established to accomplish this transfer.) If members are “trading” an AWS shift with one another and are compensating each other with leave time, members must exchange time from “like” leave accrual accounts.

(5) AWS Notification to Department - Members wishing to provide a substitute must notify the department at least 24-hours in advance of the substitution by completing an OTTO entry for approval by the member’s supervisor. The substitute must be satisfactory to the department. If the substitute is determined to not be a satisfactory substitute, the commanding Officer shall provide the reason(s) in writing within a reasonable amount of time.

7.13 ASSIGNMENTS, COVERAGE & HOURS - EXCEPTIONAL PROVISIONS

7.13.01 Patrol Matrix (Supervision):

   (1) In the event a Sergeant assigned on the matrix is absent from duty, a position is vacant, or there is no Sergeant assigned to duty, and any commander assigned to the affected district or the Duty Office
determines that a replacement or additional personnel are required, a Corporal may be assigned if their assignment will not cause officer staffing levels to fall below preferred staffing, otherwise, a Sergeant shall be hired back on overtime to fill the vacancy, or, if no Sergeant is available, a Corporal or Police Officer, may be assigned to an acting position to perform the Sergeant’s duties. Any Officer so assigned for the majority of a shift shall be compensated at the lowest step in the salary range of the Police Sergeant class which is at least three and one-half percent higher than the rate received in the employee’s current class. If such compensation requires a payment greater than highest Step, then highest Step shall be paid. Corporals assigned to be Acting Sergeants shall receive pay as provided in Section 7.04.03. This subsection shall be in lieu of the “acting pay” provisions of FMC Section 3-260.

(2) No additional compensation shall be paid to Police Officers or Corporals who are assisting in the day to day administration performed by Sergeants nor for acting as a patrol supervisor (Senior Officer available) when the Sergeant is on-duty but unavailable.

(3) Signups for available overtime as a Sergeant shall be limited to Sergeants.

(4) A Corporal shall not be assigned to a shift if such assignment would cause the number of Corporals to be greater than the number of Sergeants City-wide on that shift.

(5) No Corporal shall be allowed to Act to an individual Sergeant’s position for more than six months.

(6) This provision does not preclude the City/Department from designating provisional Sergeants in accordance with FMC Section 3-258.

7.13.02 Special Units - Flexing of Hours:

Sergeants or Officers in non-patrol matrix assignments may be assigned flexible hours and days off of work to meet the needs of the department. The Police Chief or designee may adjust hours of work and days off under the following conditions, without payment at the overtime rate:

(1) with the concurrence of the Sergeant or Officer; or,
in the event of emergency, which is defined as circumstances beyond the control of the City and not having been known forty-eight (48) hours in advance of the circumstance creating the emergency; or,

(3) with forty-eight (48) hours notice to the Sergeant, or Officer. Adjustments pursuant to this subsection may last no longer than seven (7) consecutive calendar days, nor occur more than once during any thirty (30) day period; or,

(4) where the adjustment has been made to cover a special event and the special event is canceled with less than forty-eight (48) hours notice to the department, and the department then promptly cancels the adjustment and returns the Officer to the regular schedule.

Overtime worked past the scheduled end of a shift shall not be considered as a shift adjustment. An adjustment of hours prior to the shift shall be considered as an adjustment.

Officers assigned to special units receiving “Flexible Hours” premium pay are excluded from the forty-eight (48) hour notice requirement. However, when practical, they will be given as much advance notice as possible when hours and/or days off are to be flexed. Flexing of these Officers is also not limited to seven (7) days in duration, nor as to frequency. However, when such adjustments exceed thirty (30) days, the Association shall be provided with a plan for a return to regular schedules.

This does not prohibit the department from flexing Officers under other provisions of the MOU.

7.13.03 Traffic Bureau:

(1) Traffic Enforcement Unit (TEU):

Hours of Work: Base work hours of the TEU shall be 0730 to 1730. Days off for dayshift TEU Officers will alternate each week from Saturday and Sunday to Friday, Saturday, Sunday and Monday. Base work hours of the nightshift TEU shall be 1700 to 0300. Nightshift TEU Officers will work a 30/50 platoon schedule identical to the patrol platoon schedule. TEU Officers may be assigned flexible hours of work subject to the needs of the department pursuant to the provisions of Section 7.13.02.

Meal Period: The meal period will be between the second and
eighth hour of the work day. It will be the Officer’s responsibility to notify the supervisor if the Officer cannot schedule a meal period during the specified time set aside for this purpose. A meal period taken outside the specified hours requires the approval of a supervisor. No more than one-half of the Officers working a given district may take their meal period at the same time, unless specifically approved by a supervisor.

**Vacations:** TEU vacation sign-ups shall be done by department seniority during assignment sign-ups. No more than fifteen percent (15%) of the entire unit may be allowed annual vacation at once, without prior approval of the division commander.

(2) **Uniforms/Safety Equipment:**
Traffic Bureau Officers assigned to motorcycle duty shall be provided, at the City’s expense, the safety equipment described in Government Code Section 50081.1. This shall include, but not be limited to, one (1) pair of motorcycle riding boots, three (3) pairs of riding pants, one (1) motorcycle jacket, one (1) pair each of summer and winter gloves, one (1) motorcycle safety helmet and one (1) pair of protective glasses. The safety equipment shall be repaired at the City's expense. If an Officer assigned to motorcycle duty leaves the Traffic Bureau for one (1) year or more and then returns, the Officer will be equipped with new safety equipment, with the exception of a new jacket. Jackets will be issued to returning Officers as needed at the discretion of the bureau commander.

(3) **Take-home Vehicles:**
Traffic Bureau Officers assigned to motorcycle duty, and Officers assigned to the Collision Reconstruction Unit (CRU), will be allowed to drive their assigned vehicles to their residences, subject to the provisions of Section 7.9 (Take-home Vehicles.)

(4) The Chief of Police or designee reserves the right to determine the allocation of Traffic Units on both the dayshift and nightshift schedule.

(5) Bidding for allocated positions will be in accordance with Section 7.15.04 and will occur annually to coincide with the start of the patrol matrix.

7.13.04 Canine Unit - The following applies to Officers assigned to the Canine Unit (includes Narcotics Canine):
(1) The City will install kennels at the home of the Officers assigned canines, and pay for veterinary care, food, and miscellaneous supplies. Officers assigned canines will be allowed to drive their assigned City vehicle to their place of residence. Except as provided in Section 7.9, Canine Officers who reside farther than fifteen (15) miles from the City limits must leave their assigned vehicles at an approved City facility, and provide approved secure transportation for the canine from that point to their residences. Unless inconsistent with this section, Administrative Order 8-8 shall apply with reference to the purpose and benefit of City take-home vehicles.

Canine Officers will not be permitted to voluntarily transfer to other assignments during the service life of the Officer's canine. Canine Officers are not precluded from competing for promotional positions.

(2) The canine and the kennel installed by the City at the Officers' home are the property of the City. In the event an Officer is no longer assigned to the canine unit, the City reserves the right to maintain ownership of the canine or return the canine to the original vendor or other designated party, as determined by the Chief of Police or designee.

(3) Canine Officers, with the exception of the narcotics unit canine, are subject to flexible hours of work as described in Section 7.13.02. The base work schedule for Officers assigned to the Canine Unit will consist of a work week of five (5) ten-hour days followed by a work week of three (3) ten hour days, commonly referred to as the Platoon Schedule, with a total of six (6) days off during the two work weeks, to include at least one weekend. Section 7.13.04 (3) shall not apply to the Narcotics Canine Unit.

(4) Police Management reserves the right to determine the allocation of K-9 positions by shift, district, and days off, to ensure the optimal coverage of such units in the field. Bidding for allocated positions will be in accordance with Section 7.15.04. Canine Unit schedules will be established annually to coincide with the patrol matrix, but will not be included in the patrol matrix. Canine units will not be counted to satisfy minimum staffing in the patrol matrix.

(5) Compensation paid pursuant to Section 7.13.04 is overtime, and is therefore not compensation as defined under the first or second tier of the City's Fire and Police Retirement System.
(6) Time spent by the Officers for home care of the canine is considered hours worked pursuant to the Fair Labor Standards Act. The canine Officer will be compensated for one (1) hour each day in the care of the canine. Officers may spend more than one (1) hour a day with the canine, but any time over one (1) hour a day shall be considered as normal owner-related activities for the enjoyment of the individual and the canine. Officers that spend more than one (1) hour a day with the canine, and believe that this time is hours worked shall turn in a time sheet no later than the next working day, after the time spent with the canine, to the canine supervisor.

(7) Compensation under Section 7.13.04 is not for the performance of Police Officer duties and, therefore, compensation for the home care of the canine will be calculated at one-half the applicable overtime rate of pay for “B” step of the Recruit class.

7.14 FILLING SPECIAL UNIT ASSIGNMENTS

**Definition:** Special units are defined as all units (and positions assigned to those units) outside of patrol matrix duties.

7.14.01 Officers must be off probation to be eligible for assignment to a primarily uniformed special unit. Officers must be off probation and have three (3) years’ experience as a sworn peace officer for assignment to a primarily non-uniformed investigative unit.

7.14.02 The conditions below apply to non-probationary Officers/Sergeants who meet the special unit qualifications and wish to be considered for a special unit assignment opening in conjunction with the patrol matrix signups:

(1) On a biannual basis, occurring prior to the second Friday in April and October 1st of each year, the department shall conduct two (2) surveys each year a survey of members in a special unit assignment, and who are eligible for a special unit assignment. The purpose of the surveys is to assist the department with determining member assignment preferences. Members shall identify up to seven (7) specific special assignments where they may want to be assigned.

The survey will close the fifteenth (15th) day following the survey’s opening. Department Staff Officers will utilize the survey information and meet collectively, as needed, for the purpose of making special unit selections.
(2) Members being reassigned out of a special unit assignment shall be notified no later than October 31st. Members requesting to be returned to patrol shall notify the department through their respective chain of command by September 30th of each year.

(3) Members subject to department reorganization will follow procedures outlined in ** 7.16.03 (1) **.

(4) When an opening occurs in a special unit, the department will notify members. All qualified members who expressed interest in the special unit will be considered. The department shall not be required to interview more than ten candidates, provided, however, that if ten or fewer qualified candidates apply, the department will interview all qualified candidates. If additional openings in the special unit are being filled, one additional member will be interviewed for each vacancy. Each unit will be considered separately for the purposes of determining how many Officers and Sergeants need to be interviewed. Interviews shall be by appointment, either by phone or in person.

(5) In the event no qualified candidates expressed interest in the special unit which has a vacancy, the department will notify all members via email and voicemail that the position is available and qualified members may apply.

(6) ** The special unit survey is good for one (1) year or completion of a new survey, whichever comes first. **

(7) For purposes of interviews, the department can designate a Bureau as a special unit.

(8) The department will provide the Association with any prerequisites for special units. If the Association so requests, the department and Association will meet to discuss the impact of any change in the prerequisites.

7.14.03 The department retains the right to assign any Officer to any special unit ** assignment, outside of the above process in Sections 7.14.01 and 7.14.02, when the assignment is made for a specific purpose based on specific need that the Officer assigned can best address. The department will, upon request, verbally identify the specific skill set and the needs to be addressed as well as the time sensitive needs of the department. However, such assignments may be made for no more than one (1) year after which the Officer must have met the above qualifications and process to remain in that or any other special unit ** assignment.
Chief’s Exemption - The Chief may select up to 3% (of filled positions for Unit 4) of sworn Officers and Sergeants to serve in a special unit assignment without time limitations. Officers assigned under 7.14.03 are eligible for assignment under this subsection. The selected Officer or Sergeant must have successfully completed probation and shall sign an acknowledgment of Section 7.14.01 * * *. The department and the association will maintain a copy of the acknowledgment. The Department shall maintain a means of tracking assignments made under the Chief’s Exemption. A copy will be provided to FPOA. Once the selected Officer or Sergeant leaves this special unit assignment, the Officer or Sergeant must meet the above qualifications and process to be eligible for any other special unit assignment as outlined in Section 7.14.01 * * *.

7.14.04 Should there be insufficient candidates qualified through the above process to fill the assignments available, the department may assign any Officer off of probationary status or Sergeant for Sergeant assignment(s) to the open assignments as necessary to fill special units. Such assignments may be for no more than one (1) year for any Officer or Sergeant so assigned, unless the Officer or Sergeant has subsequently met the qualifications as described above. Officers and Sergeants shall be selected using departmental seniority beginning with the least senior Officers and Sergeants.

7.15 DURATION OF ASSIGNMENT - SPECIAL UNITS ONLY

7.15.01 Officers and Sergeants assigned to special unit assignments shall generally be assigned for a minimum of two (2) years. Movement subsequent to assignment to a special unit is at the discretion of the Chief of Police for the good of the department, and may be accomplished either:

With the concurrence of the affected Officer or Sergeant, or, with no less than thirty (30) calendar days notice, The notification shall not occur between November 1st and February 28th.

7.15.02 Assignment Movement under this Section (i.e., 7.15) is not appealable.

7.15.03 Special Unit Seniority and Bidding: For the purposes of bidding on shifts, assignments, and/or vacation schedules, department seniority shall be used.

Members who are assigned to a special unit any time after the annual bidding process has been completed will not be allowed to take
already established shifts, assignments, and/or vacation schedules of members within a unit, regardless of seniority, until the next bidding process.

7.16 SENIORITY

7.16.01 Definitions: Seniority within rank and class shall begin upon the date on which an Officer receives a permanent appointment to a position in the class. A permanent demotion from a promotional position shall result in loss of accrued seniority in the higher rank. A temporary demotion from a higher rank shall not result in loss of accrued seniority in the higher rank, but seniority in the higher rank will not accrue during the term of the demotion. A temporary demotion is defined as a demotion wherein the employee may be reappointed to the higher rank without a competitive process. The seniority of Police Officer/Police Officer Recruit who is hired on the same date shall be as follows:

(1) Placement on a promulgated eligible list by score will be the order of seniority.

(2) In cases where Officers/Recruits are hired from Entry Level Lists promulgated on different dates, those hired from the list promulgated first shall have seniority.

(3) Seniority for Police Cadet shall begin on the date they are sworn-in as Police Officer Recruit.

(4) When hired on the same day from a Lateral Police Officer List and Entry Level Police Officer List, the Lateral Police Officer will have seniority.

(5) When two (2) or more Officers have the same date of hire and no Police Officer promulgated list exists to determine seniority, the most senior will be determined by the Officer’s permanent full-time date of hire as a City employee, and if not applicable, seniority will be determined by lottery. The results of the lottery shall be used to determine present and future seniority.

7.16.02 Vacation Selection: Vacation selection by division, section, district or shift, as determined by the department, shall be based upon, and determined by, seniority within the class.

7.16.03 Shift/Detail Assignments: The primary consideration in making shift or detail assignments shall be the needs of the department subject to the seniority provisions below.
(1) **Patrol Matrix Assignments:** Except as otherwise provided below and in Section 7.12.02 (Matrix Schedules), patrol matrix assignments shall be filled by seniority. Seniority for all work assignments subject to bid in the patrol matrix by Police Officer shall be by date of hire as a Police Officer or, in the case of a Sergeant, the date of promotion. Any subsequent changes in patrol matrix assignments shall be accomplished as vacancies occur and not by "bumping" or changing of previously existing assignments.

**Exception:** An Officer or Sergeant reassigned to the patrol matrix by the department without the consent of the Officer or Sergeant shall be assigned to a shift according to their seniority in that class.

(2) **Department Reorganization/Personnel Reductions-Special Units:** In the event of a departmental reorganization, or a reduction of personnel due to budget restrictions, which reorganization or personnel reduction causes the movement of special units, the "last in first out" rule shall apply within any affected unit.

### 7.17 FEDERAL DRUG POLICY (Federal Omnibus Transportation Employee Testing Act - “ACT”)

**Policy:**

7.17.01 The City maintains two separate policies to distinguish those procedures required by the Federal Transit Administration and the Federal Motor Carrier Safety Administration, entitled:

Fresno Area Express Controlled Substances and Alcohol Testing Policy for “Safety-Sensitive” Employees/Individuals Subject to Federal Transit Administration (FTA) Regulations, which may be amended from time to time, after compliance with applicable collective bargaining laws.

City of Fresno Controlled Substances and Alcohol Testing Policy for “Safety-Sensitive” Employees/Applicants Subject to Federal Motor Carrier Safety Administration (FMCSA) Regulations, which may be amended from time to time after compliance with applicable collective bargaining laws.

7.17.02 The parties agree that each policy sufficiently summarizes the current federal regulations required by the ACT. Both policies will be distributed to every affected member of the Fresno Police Officers Association Non-Supervisory Police Unit upon implementation or amendment of the policies, and at the time of training and orientation.
7.17.03 The parties acknowledge that there currently exists a list of positions subject to the provisions of the two policies: “(a) Controlled Substances and Alcohol Testing Regulations, Fresno Area Express, (b) Controlled Substances and Alcohol Testing Regulations, Federal Motor Carrier Safety Administration”, and should these positions be changed or modified, the parties agree to establish a new list of positions which are subject to these two policies pursuant to the ACT and the Department of Transportation. As personnel changes within these positions, the parties agree that the Department will give notice to the Association and the Risk Management Division of such changes.

7.17.04 The Risk/Safety Manager will be responsible for receiving all information related to the implementation of this policy and directing the applicable disciplinary action in coordination with the Labor Relations Manager.

7.17.05 The parties agree to abide by the federal regulations set forth in each policy. Employees who are members of the Association will also be subject to the provisions of any applicable Department Standing Order, policy or procedure.

7.17.06 Last Chance Agreements do not apply to members of the Association. As required by federal regulations, employees who have tested positive and who have returned to work, will still be subject to random selection for testing and will be subject to six additional tests for drugs and alcohol during the subsequent year.

7.18 GENERAL TESTING GUIDELINES FOR EMPLOYEES NOT COVERED BY THE FEDERAL OMNIBUS TRANSPORTATION EMPLOYEE TESTING

General Requirements
Drug and substance tests may also be required under Departmental Policy and Procedures, as the same may be modified following consultation with the Association pursuant to FMC 3-607.

7.18.01 Whenever a member is selected for a special unit assignment engaging in drug or vice enforcement, such member shall execute a written agreement and release stating full consent for initial and random drug testing if drawn.

7.18.02 In the event the City provides an annual scheduled physical, all members shall be required to submit to a drug test.

7.18.03 Sworn members while assigned to any special unit engaging in drug or vice enforcement shall be placed into a pool from which the names will be randomly drawn for drug testing. Each employee shall have an equal
change at selection and shall remain in the pool after being tested. The number of employees tested annually shall not exceed 50% of the eligible pool (i.e. if there are 100 employees in the pool, only 50 random tests will occur for the calendar year). No employee will be required to test randomly more than 3 times in a calendar year.

7.18.04 The basis for random selection shall be by a valid random number generation method initiated by computer software. A designated representative from the Association shall be permitted to authenticate and confirm the random selection process, but shall not be permitted to view the names of employees who are selected for testing.

7.18.05 Any employee randomly selected for testing will be notified during their work shift and directed to proceed to the test site immediately. Risk Management will contact the designated Police Department Management representative(s) on a monthly basis and provide the names of employees who require drug testing.

7.18.06 All drug testing noted above will be performed in accordance with the Federal Omnibus Transportation Act, except in those instances where members are unable to provide a urine sample such members may elect to provide a blood sample. It is understood that if a member cannot provide a sufficient sample or, in the alternative, refuses to provide a blood sample, the test shall be considered to be positive.

In addition to any testing requirements contained in this MOU provision, all members are subject to the “Identification and Consent Procedures” outlined in Administrative Order 2-25, along with its corresponding testing procedures.

7.19 ADMINISTRATION OF PERSONNEL ACTIONS

During the term of this MOU, the Chief of Police or designee shall administer personnel actions, including but not limited to, the areas of grievances, administrative hearings, Skelly hearings and discipline.

7.20 DISCIPLINARY PROCEDURES

Department Policy * * * #340, as well as the FMC, City Administrative Orders, policies, procedures, operation manuals, rules and regulations, all as the foregoing exist upon execution of this MOU or as they may be amended during the term of this MOU, concerning disciplinary procedures will apply. However, any permanent member receiving a Final Order of Disciplinary Action resulting in a termination, demotion, or suspension of one hundred-twenty (120) hours or more, may, in lieu of submitting an appeal through established means per their respective
procedures, within fifteen (15) calendar days of service of the Final Order of Disciplinary Action request binding arbitration. If a request for binding arbitration is submitted by a permanent member or their representative, the member or their representative shall be required to provide a written waiver of their right to bring the matter through any other established means, including an appeal to the Civil Service Board. The arbitrator shall regulate the conduct of the hearing process. The arbitrator shall set the date, time and place of the hearing, which place shall be on City premises, and shall, by certified United States mail, postage prepaid, give not less than ten (10) days notice of such date, time and place to the appellant, or the appellant’s designed representative and the appointing authority. The hearing shall be recorded by a court reporter or electronic process. Oral evidence may be heard only on oath or affirmation. The arbitrator's decision shall be final and binding, and may be challenged only pursuant to the California Arbitration Act, Code of Civil Procedure Sections 1280 et seq.

The fees and expenses of the arbitrator shall be paid half by the City and half by the Association.

The parties shall endeavor to prepare a mutually agreed panel of seven (7) arbitrators to be utilized for the purposes of discipline arbitrations. In the event that the parties fail to identify a panel of agreed upon arbitrators, the arbitrator shall be selected from a list of seven (7) arbitrators provided by the California State Mediation and Conciliation Service. If the parties cannot agree on an arbitrator from the list of seven, the parties shall alternatively strike names until a single arbitrator's name remains.

[§ deleted]

7.21 USE OF A HEARING OFFICER IN DISCIPLINARY ACTION INITIATED BY CITY

Permanent members may elect the alternate appeal procedure before a Hearing Officer instead of a hearing before the Civil Service Board, as provided in FMC Section 3-283.

7.22 ADMINISTRATIVE HEARING PROCEDURE

It is the purpose and intent of the City and the Association to provide for an administrative appeal procedure for a member to appeal "punitive action" which is proposed to be taken against them for which an appeal is not otherwise provided under the Charter or the Civil Service Rules. For purposes of this section "punitive actions" are defined as written reprimands, reduction or loss of base salary (other than resulting from a termination, demotion, or suspension), and a transfer/reassignment for purposes of punishment. This section is not subject to the grievance procedure.
7.22.01 Where the department proposes "punitive action" (as defined above), the affected member shall be advised, in writing, of the department’s proposed action no less than ten (10) business days (Monday through Friday, excluding holidays) before the proposed effective date of the action.

7.22.02 Any dispute between the parties as to whether the action is "punitive" shall be presented to the Chief of Police or designee. If the Chief is directly involved in the action it shall be presented to the Administrative Hearing Committee as defined in *** 7.22.04, below. The Chief or designee or the Committee shall rule on the dispute before proceeding with a hearing. If the Chief or designee or the Committee find no punitive action then the member shall not be entitled to a hearing.

7.22.03 The member shall have ten (10) business days after receipt of the notice to respond, either orally or in writing, to the appropriate division commander. An appeal from a member shall suspend the proposed punitive action until the conclusion of this procedure.

7.22.04 The division commander has ten (10) business days to respond. If the division commander upholds the proposal or modifies it in a manner unacceptable to the member or fails to respond within the specified time period the member shall have ten (10) business days to appeal, either orally or in writing, to the Chief of Police or designee.

The Chief or designee is disqualified from hearing the appeal if the Chief or designee has been directly involved in the disputed action. If the Chief or designee is disqualified, it will be heard by an administrative Hearing Committee. The Committee will be comprised of one representative from the Association and one from the City. A third member from the department will be selected and mutually agreed upon by both parties and will act as Chairperson.

7.22.05 The Chief or designee (or the Administrative Hearing Committee) shall hear the appeal within ten (10) business days of receipt of the notice of appeal. When the action is heard by the Committee, the Committee will make a recommendation to the Chief or designee within three (3) business days. The Chief or designee shall render a written decision to affirm, reject, or modify the Committee’s decision within ten (10) business days after the hearing. The written decision shall set forth the basis for the decision, the action to be imposed and the effective date thereof. The decision of the Chief or designee shall be final.

7.22.06 The time limits above may be mutually waived in writing by the parties.
7.22.07 Probationary Employee Terminations, Corrective and Disciplinary Actions

Members on probationary status (i.e., probationary employees) shall be terminated from City employment in accordance with FMC Section 3-265 and/or FMC Section 3-273.

Probationary employees are subject to disciplinary actions which includes for purposes of this provision written reprimands, fines, and suspensions. The sole avenue for appeal by a probationary employee who receives a disciplinary action is to request an administrative review by the Chief of Police or designee. There is no right to appeal under the FMC. The administrative review must be requested within 10 calendar days of issuance of the disciplinary action. The administrative review will consist of a meeting between the Chief of Police or designee and the probationary employee. The meeting shall allow the employee the opportunity to provide reasons why the decision should be modified or withdrawn but shall not consist of an evidentiary hearing. The employee may have a representative present. The Chief of Police or designee will provide a written decision indicating whether the disciplinary action will be modified or upheld. This decision shall be final and there shall be no further appeal of the disciplinary action.

Probationary employees are also subject to corrective actions which include oral counseling, letters of counseling, oral reprimands, and documented oral reprimands. Such corrective actions are not appealable under the FMC or this MOU but probationary employees shall review any corrective action that is to be placed in any personnel file and sign their signature acknowledging their review and awareness of the document.

The provisions of the Administrative Hearing Procedure set forth above in Section * * * 7.22 through * * * 7.22.06 shall not apply to probationary employees.

7.23 GRIEVANCES

7.23.01 Grievance Procedure

A grievance is a dispute concerning the interpretation or application of any existing City policy, practice, written rule or regulation governing personnel practices or working conditions, including this MOU. The grievance procedure relates only to existing rights or duties, not to the establishment or abolition of a right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to, appeal to the Civil Service Board, Retirement
Board, **fact-finding**, or unfair employer-employee relations charge. A grievance can be initiated by any grieved employee or group of grieved employees, or by the Association on behalf of a grieved employee or group of grieved employees. Grievances should be settled as near as possible to their source and in as informal a setting as possible.

**In the case of complaints involving discrimination as set forth in Section 2.2, where such claims are filed as a grievance, it shall be filed in the first instance under 7.23.01.**

### 7.23.02 Informal Process

The grievant (this term includes the Association) must first attempt to resolve the grievance on an informal basis through discussions with the immediate supervisor without undue delay. The informal process must be completed within twenty (20) business days after the occurrence of the alleged incident giving rise to the grievance, or when the grievant knew or should have reasonably become aware of the facts giving rise to the grievance.

If the grievance is not resolved at the immediate supervisor level, the grievant may attempt to resolve the grievance on an informal basis through discussions with the next levels of supervision, following the chain of command up to the Deputy Chief of Police.

Every effort shall be made to find an acceptable solution to the grievance through this informal process. Once the informal process has been exhausted, the grievant may invoke the formal process.

### 7.23.03 Formal Process

A written grievance must set forth the specific rule, regulation, policy, practice, or MOU provision claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought.

### 7.23.04 Formal Filing Procedure

The procedure and sequence in filing and processing a grievance shall be as follows:

1. **Step One - Filing the Grievance:**

   The grievant or representative may file the formal grievance within ten (10) business days from the last day of the informal process.
through the grievant’s immediate supervisor to the Chief of Police or designee. The grievance shall summarize the results of the informal process. If the Association has not previously been involved, a copy of the grievance shall be submitted to the Association. The grievant or the Association may request to have a meeting regarding the grievance with the Chief of Police or designee in an attempt to resolve the concerns at this level. If no request for a meeting is made, and upon receipt of the written grievance, the Chief of Police or designee shall give the grievant a written reply within fourteen (14) business days.

(2) **Step Two – City Manager:**

Any grievance which has not been resolved by the procedures hereinabove set forth may be referred to the City Manager by the affected employee or by the Association within ten (10) business days of receipt of the decision at Step One. Any such referral shall be in writing, and the specific issues involved shall be detailed in such referral, together with a statement of the resolution which is desired. The City Manager shall designate a representative to investigate the merits of the complaint and to meet with the complaining employee (and/or the employee’s Association representative). The City Manager shall issue a written decision to the grievant and the Association within ten (10) business days of the meeting. This shall conclude Step Two of the Grievance Procedure.

(3) **Step ** Three - Request for Arbitration:

If the grievant is not satisfied with the decision of the City Manager or Police Chief or designee, only the Association may within ten (10) business days after receipt of the written reply, file a request for arbitration utilizing the written grievance and submitting it to the Labor Relations Manager. The Association shall be limited to two (2) such requests for arbitration per fiscal year on a grievance that involves a dispute concerning the interpretation or application of an existing City policy, practice, written rule or regulation. There shall be no limitation on requests for arbitration dealing with MOU interpretation or application. Any request for arbitration that does not meet the requirements of this subsection shall not be processed, and such grievance concludes at Step One above.

(4) **Step ** Four - Arbitration and Immediate Arbitration:
Within five (5) business days from the receipt of the arbitration request, either party may request the State Mediation and Conciliation Service to submit a list of five (5) neutrals. These neutrals will be statewide experts in the field of labor relations.

Within five (5) business days upon receiving the list, the Labor Relations Manager and the Association shall alternatively strike a name from the list, and the last name remaining shall be designated as the neutral arbitrator.

The arbitrator selected shall submit the earliest date(s) in which the arbitrator can hold the hearing, of which the Association and the Labor Relations Manager can mutually select a date.

The arbitrator shall hold a hearing on the issue or issues submitted, or as determined by the arbitrator if the parties have not mutually agreed upon the issue, or issues, and render a written decision and reasons for the opinion within thirty (30) calendar days following the closing of the hearing, unless the period has been mutually extended in writing by all parties. The decision shall be sent to the City Labor Relations Manager and to the Association.

The arbitrator’s decision shall be final and binding, and may be challenged only pursuant to the California Arbitration Act, C.C.P. Sections 1280, et sequentes.

**Immediate Arbitration** - Either party (City or the Association) may waive the grievance procedure time limits in writing specified in this subsection (i.e., 7.23.04) and proceed to immediate arbitration in any case where the party alleges that the other is threatening to take an action in violation of the MOU in so short a period of time as to disallow the party from proceeding within the time limits of this subsection (i.e., 7.23.04). To put it another way, immediate arbitration may be sought by either party where there is “no adequate remedy at law,” or where normally a party would be entitled to seek injunctive relief. However, the method of proceeding to immediate arbitration must be done consistent with the following provisions.

The arbitration shall take place no earlier than the fifteenth (15th) day following the request by the grieving party for such “immediate arbitration,” unless otherwise mutually agreed. During the two-week period (14 calendar days) immediately following the request for immediate arbitration, the responding party shall have the opportunity to attempt to resolve the dispute.
If the City is the responding party, the Chief of Police and Director of Personnel Services, or their designated representatives, jointly, shall have the opportunity to meet with or otherwise communicate with appropriate Association representatives, in an attempt to resolve the dispute.

Once the request for immediate arbitration is filed, the parties shall (even though dispute resolution discussions are going on during the two-week period) attempt to agree upon a neutral arbitrator and to obtain a date for arbitration hearing as soon as possible immediately following the two-week period.

The parties will attempt to have a standing list of available “immediate arbitrators,” but if no agreement on same is reached, the parties will obtain five arbitrators, by telephone, if possible, from the State Mediation and Conciliation Service. The first arbitrator available to hear the matter following the two-week period shall be selected as arbitrator. The order of contacting the potential arbitrators shall be determined by lot unless mutually agreed to otherwise. The parties are free to mutually agree upon an immediate arbitrator through any other process or agreement.

In any case, the arbitrator selected to decide the grievance shall have the full and equitable power to frame a decision, including an order to the party initiating the grievance to abide by the time limits provided in the grievance procedure, or a restraining order against the party threatening the action, or any other form of arbitration order that would resolve the matter in an equitable and just manner. However, the arbitrator may not add to, subtract from, change or modify any provision of this MOU and shall be authorized only to apply existing provisions of this MOU to the specific facts involved and to interpret only applicable provisions of this MOU.

Unless the parties agree otherwise, closing argument shall be presented orally and there shall be a “bench” decision.

The parties shall attempt to have the arbitration proceedings completed as quickly as possible, including by meeting nights and weekends, if at all feasible.
(5) **General Arbitration/Immediate Arbitration Provisions:**

An arbitrator shall have, in the arbitrator’s discretion, the ability to hear evidence on both arbitrability and on the merits at the same hearing, holding for a later ruling on the issue of arbitrability.

Time limits set forth in the formal process may be modified by mutual agreement of the grievant or representative and the department or City. Failure of the grievant to file an appeal within the specified time limit for any but the first step of the procedure shall constitute an abandonment of the grievance.

The cost of making a stenographic record of the arbitration hearing shall be borne by the party requesting such records. There shall be no post-hearing briefs, except by mutual agreement.

The fees and expenses of the arbitrator shall be paid half by the City and half by the grievant; however, the arbitrator may order that the City or the grievant pay the total of such fees and expenses should the arbitrator find that, but for the unreasonableness of a party's posture, the convening for arbitration would not have been necessary.

Witnesses who are employees and on duty at the time of the scheduled appearance shall be released from duty without loss of compensation for the time required to testify. No overtime payments shall be made because of scheduled appearances.

Individual grievants shall be released from duty without loss of pay for the time of the arbitration hearing. A representative shall be permitted to be present without loss of compensation on behalf of the grievant.

Arrangements for release time for grievant's witnesses shall be made with the Labor Relations Manager, who shall issue all appearance notices no later than 24 hours in advance of the scheduled hearing.

No employee shall be discriminated against, harassed, coerced, or suffer any reprisal because of filing or processing of a grievance or participating in a grievance procedure.
CHAPTER 8

CONTRACT LAW ENFORCEMENT SERVICES

This MOU chapter sets forth the full and entire understanding of the parties regarding contract law enforcement services.

8.1 GENERAL

The Fresno Police Department, at the sole discretion of the Chief of Police, may allow private parties and public agencies to contract with the City for additional police service, at a special detail assignment level pursuant to 29 U.S.C. 207 (p)(1), (p)(2) and (p)(3) under the FLSA, and 29 C.F.R. 553.227 et sequentes. The special detail assignment(s) performed by Police Officer and Police Sergeant classes (hereinafter member[s]), at their option, shall consist of, but not be limited to, providing uniformed foot/vehicle patrol to a contract law enforcement services event at the discretion of the Chief of Police.

8.2 CONTRACT LAW ENFORCEMENT SERVICES

8.2.01 Members * * * who perform contract law enforcement services shall be volunteers selected from a special events and contract law enforcement services assignment list (“assignment list”). The number and rank of the members * * * authorized to perform contract law enforcement services shall be determined by the Chief of Police, or designated representative. The Chief of Police may restrict a member from working extra duty for the good of the department.

(1) Members who desire to be placed on the assignment list must have completed their probation. In the event that a member is on probation, that member may work contract service assignments only when:

(a) After all non-probationary employees have been offered the opportunity; and

(b) Under the supervision of a Sergeant assigned to the specific contract law enforcement service assignment.

Members on sick leave, industrial injury leave, “temporary light duty,” or any other leave of absence shall not be eligible to be placed on the assignment list.
(2) The assignment list shall be the basis for all member assignments. Members who desire to be placed on the assignment list shall notify the Chief’s designated representative. All Members on the assignment list shall be notified by City e-mail and may include one optional personal e-mail account when policing contract law enforcement services positions are available. The member shall have seventy-two (72) hours to respond to the Chief’s designated representative, via City e-mail only, listing desired assignment(s) in order of preference.

(3) Positions shall be filled using the following process. The Chief’s designated representative will sequentially number the e-mails, starting with the first member responding from the assignment list, and so on. The designated representative will then use computer spreadsheet software programmed to select a random number drawn from the sequential numbers assigned to the responding members. The random number selected will be the starting point for making assignments, and for filling the positions. If the positions are not filled after through the entire list of numbers, the designated representative will continue through the list again, and so on, until all positions are assigned or a subsequent notification is issued.

(4) Members who receive an assignment for contract law enforcement services shall receive an e-mail notification containing: the date of the contract, the hours, the location, and the unit detail for the contract law enforcement services event, any additional Officer(s) assigned to the same event, contact information for the event, and vehicle information. Any member who submits a request to work a contract assignment and is subsequently awarded a contract assignment shall not cancel their contract assignment to voluntarily work a department overtime assignment or AWS assignment that is awarded after the contract assignment.

(5) In the event a contract goes unfilled, the department can assign an Officer to from the Patrol Matrix or a special unit to fill the position.

8.2.02 Any member who fails to appear for assignment or fails to notify the designated representative of his/her inability to work the assignment, 24-hours prior to the beginning of the assignment schedule, shall be removed from the assignment list. Any member who is removed from the assignment list shall not be eligible for reinstatement to the assignment list for a period of sixty (60) days. Removal from the assignment list shall not be deemed a disciplinary action pursuant to Civil Service Board rules or a punitive action pursuant to Government Code Section 3303 (h), and is not appealable or grievable.
Members performing contract law enforcement services assignments shall be subject to all rules, orders, and procedures of the Police Department.

In no event shall a member performing contract law enforcement services work be assigned to a job site where a labor union picket line has been established.

8.2.03 Once a Contract for Law Enforcement Services has been formally executed, Reserve Officers shall not be used to replace sworn members for policing contract law enforcement services. In the event a Fresno Municipal Code ordinance concerning policing contract law enforcement services is amended by City Council, the parties agree to reopen and meet and confer on this subsection (8.2.03) at the request of either the City or the Association. Requests for contract law enforcement services will first be filled by members, on a voluntary basis available through the assignment list.

8.2.04 Generally, calls for service within the contract law enforcement services policing areas may be handled by regularly assigned area patrol units. However, members performing contract law enforcement services may be assigned to handle calls for service that are consistent with the duties requested by the contracting party.

8.2.05 Officer working conditions for the Big Fresno Fair shall be established by mutual agreement between the Big Fresno Fair, City of Fresno and the Association, and shall be reflected in a corresponding agreement between the parties.

8.3 COMPENSATION

8.3.01 The rate of pay for members occupying Police Officer classes who are working contract law enforcement services assignments shall be at the time and one-half rate for “D” Step Police Officer. The rate of pay for members occupying the Police Sergeant class who are working contract law enforcement services assignments shall be at the time and one-half rate for “D” Step Police Sergeant. Compensation for Officers/Sergeants for all contract law enforcement services assignments worked at the Big Fresno Fair shall be by separate check no later than the last pay period in November of the year the Big Fresno Fair contract law enforcement services assignment is worked.

Within ninety (90) days of the effective date of this MOU, the City will amend the Master Fee Schedule to reflect that Police Officers
working in contract law enforcement services assignments will be paid at the time and one-half rate for “E” Step Police Officer and Police Sergeants working in contract law enforcement services assignments will be paid at the time and one-half rate for “E” Step Police Sergeant.

With the adoption of the Master Fee Schedule for Fiscal Year 2024, the fees for contract law enforcement services for Police Officers working in contract law enforcement services assignments will be updated to reflect the time and one-half rate for “F” Step Police Officer, and the fees for contract law enforcement services for Police Sergeants working in contract law enforcement services assignments will be updated to reflect the time and one-half rate for “F” Step Police Sergeant.

8.3.02 The hours worked, and pay received for contract law enforcement services assignments, shall not be credited toward years of service for retirement benefits or regular overtime. Educational incentives shall not apply to the contract law enforcement services assignment rate of pay.

8.3.03 The parties agree that for the purpose of FLSA regulations, compensation paid for working contract law enforcement assignments is at the applicable overtime rate, and shall not be considered compensation for pension plan benefits calculations.

8.3.04 A member reporting to an assignment site shall receive a minimum of four (4) hours pay regardless of actual time worked. Employment of more than four (4) hours shall be paid to the nearest tenth of an hour for the actual time worked. Each assigned Officer shall receive thirty (30) minutes added to the each assignment to procure necessary equipment.

8.3.05 Any accident, illness or injury which arises out of or occurs in the course of employment in a and contract law enforcement services assignment shall be covered under the City’s workers’ compensation plan pursuant to Section 7.7.
CHAPTER 9

HEADINGS

MOU chapter, provision, and paragraph headings (includes exhibits, addendums, attachments and side letters) contained herein are solely for the purpose of convenience, and shall not affect the construction or interpretation of any of the language of this MOU.
CHAPTER 10

SAVING CLAUSE/FULL UNDERSTANDING

10.1 SAVING CLAUSE

In the event any chapter, section or portion of this MOU should be held invalid and unenforceable in any court of competent jurisdiction, such decision shall apply only to the specific chapter, section or portion thereof specified in the court's decision, and upon issuance of such a decision, the City and the Association agree to immediately meet and confer upon a substitute for the invalidated chapter, section, or portion thereof.

10.2 FULL UNDERSTANDING

It is intended that this MOU sets forth the full and entire understanding of the parties, and any previous understanding or agreement by the parties regarding all such matters are hereby superseded and terminated in their entirety.

With respect to side letter agreements, any not attached to this MOU are hereby terminated in their entirety. Those side letter agreements attached to this MOU shall continue in force subject to the terms and conditions set forth within each side letter. In the absence of any specified term in any such side letter, they shall terminate upon the expiration of this MOU. Any new side letter agreement entered into during the term of this MOU shall continue in force and effect subject to the terms and conditions described in the side letter. In the absence of any term in such new side letters, they, too, shall terminate upon the expiration of this MOU. This paragraph is not intended to prevent either party from relying on discussions which occurred during the meet and confer process for the purpose of clarifying the meaning of this MOU.
CHAPTER 11

TERMINATION

The provisions in this Agreement/MOU shall be in full force and effect from * * * January 31, 2022 through * * * June 16, 2024 upon approval by the City Council, subject to Section 11.1, below.

11.1 This Agreement/MOU shall become effective only after ratification by the members of the Association followed by City Council approval and the expiration of the waiting period for the Mayor’s action provided in Charter Sections 605 and 609, and shall remain in full force and effect through June 16, 2024. All other prior memoranda of understanding, including amendments and side letter agreements thereto, are null and void, unless specifically incorporated by reference in this Agreement/MOU.

* * * The City and the Association previously agreed that the Mayor shall appoint one (1) Police Officer, as defined in Fresno Municipal Code (“FMC”) Section 3-301 (p) (3) from a City management position and one (1) firefighter as defined in FMC Section 3-301 (f) from a City management position as voting members to the Fresno Fire and Police Retirement Board under the authority as described in Section 3-305 (a) (1) of the FMC. In the event any individual(s) so appointed fails to qualify, resigns, retires, or no longer qualifies to serve on the Board, the Mayor subject to the approval of the City Council shall appoint a replacement under the terms and provisions of this agreement within twenty (20) business days. If a decision is approved by the Fire and Police Retirement Board to separate the commingled investments of the Fresno Fire and Police Retirement System and the Fresno Employees Retirement System, this agreement on Mayoral appointments to the Fire and Police Retirement Board shall immediately become null and void and the appointment provisions contained in FMC Section 3-305 shall apply.

11.2 During the life of this Agreement/MOU should either party desire to modify its terms or to meet and confer with the other party as to matters within the scope of representation which are not addressed in this MOU, the party requesting any change shall request in writing to meet and confer on the item(s), which item(s) shall be specified in writing.

11.3 During the term of this Agreement/MOU, either party may refuse any request by the other to meet and confer without explanation if (1) the item is directly considered and specifically addressed herein; or (2) is directly considered and specifically addressed in any FMC section, charter section or provision, or resolution section, which section specifically establishes
wages, hours, or other terms and conditions of employment; or (3) the specific item was included in an initial written proposal from the party making the request during the meet and confer process which led to this agreement. No unilateral action on any such refused proposal may be taken by the requesting party after such a refusal by the other.

It is further agreed, however, that this section shall not prohibit the City from requesting to meet and confer on changes to federal or state statutes or regulations referred to or cited in this Agreement/MOU, and which impacts the implementation of this Agreement/MOU, in which case the request to meet and confer shall not be refused.

11.4 Reopeners/Meet and Confer

(1) The parties agree to meet and confer over:

Revisions to the Civil Service Regulations of the FMC, Chapter 3, Article 2; and,

Revisions to the Employer-Employee Relations provisions of the FMC, Chapter 3, Article 6.

(2) If either party desires to revise the Performance Evaluation Form, the parties agree to meet at a mutually convenient time for the express purpose of discussing the changes. Any changes to the performance evaluation form require mutual agreement.

11.5 Police Reform/Reimaging Efforts

(1) Subject to the sections 11.2, 11.3, and 11.4 of this Section 11, nothing in this MOU shall preclude the City from requesting meet and confer during the term of the MOU on matters described in Section 11.5 (2) pertaining to police reform/reimagining efforts.

(2) In the event that the City desires to implement a policy, procedure, ordinance, or resolution related or arising from the Fresno Police Reform Commission and Implementation Team recommendations and related police reform efforts that are within the scope of bargaining under the Meyers-Milias-Brown Act (Government Code Sec 3500 et seq.) (“MMBA”), the City will provide the FPOA with prior written notice along with the specific written proposal. Such written notice will be provided in sufficient time to comply with the requirements of the MMBA, but no less than thirty (30) days before its proposed implementation date, except in case of an emergency as defined
by MMBA. Nothing herein shall be construed as a waiver of collective bargaining rights of the FPOA or to expand required bargaining obligations under the MMBA.

(3) This section 11.5 shall sunset on June 16, 2024, unless mutually agreed by the parties.
IN WITNESS WHEREOF, the parties hereto have set their hands this _____ day of ________________, 2022.

Agreement between
City of Fresno

and

Employee Organizations Representing City of Fresno Employees

This agreement was reached in an effort to lower the current cost of the monthly health
contribution rates between March 1, 2009 and June 30, 2010 as set by the Fresno City
Employees Health and Welfare Trust (Trust) thereby assisting to ameliorate fiscal
developments faced by the City of Fresno (City). The agreement also provides short term
guarantees by the City for the unencumbered reserve of the Trust while setting a long
term minimum of four (4) months for the Trust unencumbered reserve. This agreement
sets forth the full and entire understanding of the City and Bargaining Units whose
representatives have signed this agreement regarding these matters. This Agreement is
effective March 1, 2009 and will remain in force so long as the Trust agrees to maintain a
health contribution rate that is calculated to maintain a minimum of a four (4) month
unencumbered reserve as calculated by the actuary selected by the Trust (actuary).

1. This agreement will be effective only if the provisions below affecting the Trust are
approved by a majority of affected represented bargaining units and the City

(3) Members subject to department reorganization will follow procedures outlined in *** 7.12.02.

(4) *** All eligible members who expressed interest in the special unit will be considered. The Department will select the eligible
members who will be interviewed for a special unit assignment at its discretion. The department shall interview at least ten (10) eligible candidates for any initial special unit vacancy. However, if ten (10) or fewer eligible candidates apply, the Department will interview all eligible candidates. In the event more than five (5) vacancies are being filled, one (1) additional eligible candidate will be interviewed for each vacancy beyond five (5).

Each unit will be considered separately for determining how many Officers/Sergeants need to be interviewed.

(5) ** If there is an additional vacancy within sixty (60) calendar days of a selection, the Department does not need to send out an additional position announcement, but may select from the existing candidate list, interview one (1) additional eligible candidate per vacancy as outlined in 7.14.02(4).

(6) ** If a member has submitted multiple RFCs within the same division or bureau, one (1) interview may be utilized for all RFCs within that division/bureau provided the interview has occurred within the prior sixty (60) calendar days.

(7) ** The Department reserves the right to determine necessary qualifications for each special unit assignment; however, at the request of the Association, the Department and Association will meet to discuss the impact of any qualifications for a given assignment.

[§ deleted]

7.14.03 The Department retains the right to assign any Officer/Sergeant to any special unit assignment, outside of the above process **, when the assignment is made for a specific purpose based on specific need(s) that the Officer/Sergeant assigned can best address. However, such assignments may be made for no more than one (1) year after which the Officer/Sergeant must have met the above qualifications and process to remain in that or any other special unit assignment.

Chief’s Exemption - The Chief may select up to 3% (of filled positions for Unit 4) of sworn Officers and Sergeants to serve in a special unit assignment without time limitations. Officers assigned under 7.14.03 are eligible for assignment under this subsection. The selected Officer or Sergeant ** shall sign an acknowledgment under this subsection ** *. The Department and the Association will maintain a copy of the signed

Once the selected Officer or Sergeant leaves *** the special unit assignment, the Officer or Sergeant must meet the *** eligibility requirements and process outlined in 7.14.01 and 7.14.02 to be *** considered for any other special unit assignment ***.

7.14.04 Should there be insufficient eligible candidates *** through the above process to fill the assignments available, the Department may assign any Officer off of probationary status, or any Sergeant for Sergeant assignment(s) to the open assignments as necessary to fill special units. Such assignments may be for no more than one (1) year for any Officer or Sergeant so assigned ***. Officers and Sergeants shall be selected using departmental seniority beginning with the least senior Officers and Sergeants.

Transfer Portal

The City of Fresno and the Fresno Police Officers Association (FPOA), representing Unit 4, Non-Management Police, have met and conferred, and have agreed to amend and replace Chapter 7, Section 7.12, subsection 7.12.02 in its entirety, as follows:

7.12.02 Patrol Work Schedule/Matrix (i.e., Matrix time period) /Transfer Portal:

(1) A platoon schedule will be in effect for personnel assigned to patrol duties. The platoon schedule will consist of a work week of five (5) ten-hour days followed by a week of three (3) ten-hour days or vice-versa, with a total of six (6) days off during the two (2) work weeks.

(2) Patrol Matrix sign-ups are in the month of December. Every 12 months, all work assignment positions in the patrol matrix shall be declared open for the purpose of bidding by Sergeants, Corporals, * * * Officers, and Recruits according to date of hire as a Police Officer/Corporal/Recruits, or in the case of Sergeant, the date of promotion, for the district shift assignment, and days off and on preferences. For the purpose of bidding, Sergeants will precede Officers/Corporals/Recruits.

(3) Personnel assigned to patrol who are on injury, long-term absence, or other absence status at the time of bidding will not be counted as part of the personnel assigned to the patrol schedule and will not be allowed to participate in schedule sign ups unless they have a medical release to return to work at least fourteen (14) calendar days prior to the day of sign ups.

(4) At the time of bidding, the number of shifts available for Officer/Corporal/Sergeant bid shall be equal to the number of member positions allocated to the patrol matrix. Personnel assigned to patrol who are on injury, long-term absence, or other absence status shall not sign up for a patrol shift, and for purposes of staffing, shall not be considered as currently assigned to the patrol schedule.

(5) Nothing in the preceding sub-sections precludes moving probationary employees. Probationary Police Officers, Sergeants, or Recruits may be assigned at any time by Police Management to a district, shift, and detail with a notice of no
less than 14 calendar days before the start of their new assignment.

(6) Assignments as a result of the bidding process will begin on the first day of the first pay period following January 1st of each year. *
* *

[§§ deleted]

(7) Members assigned to patrol may submit a request for transfer to any squad to the Patrol Transfer Administrator (The Patrol Division Commander or their designee). The Transfer Administrator shall grant transfer requests to fill vacancies based on department seniority if the request would not cause staffing to drop below designated minimum staffing levels. In such cases where a granted transfer would cause staffing to drop below designated minimum staffing levels, the transfer shall still be granted if either of the following is applicable: (1) Such a transfer would relieve an equal or greater deficit in minimum staffing levels; or (2) such a transfer will be immediately backfilled by an incoming transfer or assignment. In the event that a transfer request cannot be granted, it will be held for future consideration until such time that the request can be granted, or the member withdraws the request. Transfer requests do not expire.

There may be exceptional circumstances in which the granting of a transfer request creates a potential hardship in working conditions or work environment for a member or members. In such cases, the Department would meet with the Association regarding the exceptional circumstances justifying the denial of a transfer request. In such cases, the final authority to deny a transfer request rests with the Chief of Police.

(8) Officers / Recruits being released from training to patrol duty will not be assigned to a vacancy that is the subject of a pending transfer request from a senior member.

(9) Allowable transfers shall be granted as soon as practical after a vacancy becomes available, and never longer than two (2) full pay periods. Members will be notified by phone and department email of a granted transfer request. Upon being notified of a transfer request being granted, the member shall
have seven (7) calendar days to either accept or decline the transfer. If a member will be absent from work for longer than seven (7) calendar days, it is the responsibility of the member to notify the Transfer Administrator of their preemptive acceptance of any given granted transfer request. A failure to respond within seven (7) calendar days will be treated as the member declining the granted transfer. In the event the member declines the transfer request, the transfer request will be removed from the list of pending transfer requests. Declined transfers shall not count toward the member’s limitation of one (1) transfer per calendar quarter. If accepted, the transfer will go into effect as soon as practical or within two (2) pay periods following the acceptance date.

(10) Members may request a mutual “swapping” of detail assignments through the Transfer Administrator. The request to swap shifts shall be granted, unless one (1) of the assignments being swapped is the subject of a pending transfer request from a member senior to the member filling the assignment.

(11) Members returning to patrol from a special unit, whether voluntary or involuntary, or returning to regular patrol duty from a Corporal assignment, may select any patrol detail commensurate with their seniority. In such cases, no “bumping” will occur. The assignment will be considered “ghosted” until one (1) of the two (2) members vacates the detail. A member may not “ghost” a detail that is already being “ghosted”. An assignment for members returning to patrol from a special unit or Corporal assignment shall not count toward the member’s limitation of one (1) transfer per calendar quarter.

(12) Members out on injury, long-term absence, or other absence status lasting thirty (30) calendar days or longer will be evaluated on a case-by-case basis to determine whether the assigned detail will be declared vacant for the purposes of transfer availability. If a member has their assigned detail declared vacant under this subsection, that member shall have exclusive rights to the “ghosting” of their vacated detail until the member: 1) returns to patrol duty in their vacated detail or another selected detail, 2) is assigned to a special unit, 3) or declares, in writing, to the Department that they waive their exclusive right to their detail.
A member returning to patrol duty from injury, long-term absence, or other absence status may select their prior held detail, or any patrol detail commensurate with their seniority. In such cases, no “bumping” will occur. The assignment will be considered “ghosted” until one (1) of the two (2) members vacates the detail. A member may not “ghost” a detail that is already being “ghosted”. An assignment for members returning to patrol from injury, long-term absence, or other absence status shall not count toward the member’s limitation of one (1) transfer per calendar quarter.

(13) If a hardship exists, a special request for a change in patrol detail assignment can be submitted. A member may submit one (1) request to the Chief of Police through the chain of command during a calendar year. The request will be considered based on the needs of the department. A response will be issued to the member within thirty (30) calendar days. Barring a training need, approved requests may be honored once a vacant assignment that addresses the hardship becomes available. Hardship requests in excess of one (1) per calendar year may be granted at the discretion of the Chief of Police.

(14) There is no limit on amount of voluntary transfer requests that can be submitted by a member. However, each member is limited to one (1) transfer per calendar quarter. Calendar quarters are designated as follows: First quarter is defined as months January, February, and March. Second quarter is defined as months April, May, and June. Third quarter is defined as months July, August, and September. Fourth quarter is defined as months October, November, and December.

(15) Members may be subject to involuntary assignment as part of the disciplinary process if it is demonstrated that the assignment will provide relief, correction, or future prevention in the matter pertaining to the disciplinary action. Involuntary assignments made as part of the disciplinary process shall be to the same shift possessed by the member prior to the reassignment. Any assignments made as a part of the disciplinary process must be approved by the Chief of Police.
(16) A digital version of the Transfer Request Log will be kept current and maintained by the Program Administrator. The log will be accessible to all affected members via department computers. Only the Transfer Administrator or their designee shall have editing rights to the Transfer Request Log.

(17) If the Chief of Police determines a reorganization of Police Department staffing is necessary for operational efficiency of the Police Department, the Chief of Police will consult with the Association within thirty (30) calendar days prior to the reorganization.

(18) After the inception of the Patrol Transfer Program, both parties agree to meet within thirty (30) calendar days of written request by the other party, or by mutual agreement, to assess if it is in the best interest of the department and/or the members to continue the program.

(19) By mutual agreement between the FPOA and the Chief of Police, a temporary moratorium of the Patrol Matrix sign-up can be implemented if/when the transfer portal program is adequately allowing for movement and transfers within Patrol Division.

This Agreement shall be effective on the date below and will expire on June 16, 2024, unless the City and FPOA mutually agree to extend this Agreement in writing. If the parties do not agree to extend this Agreement, Chapter 7, Section 7.12, subsection 7.12.02 will revert to the language in place immediately prior to this Agreement.

Minimum Staffing  

The City of Fresno and the Fresno Police Officers Association (FPOA), representing Unit 4, Non-Management Police, have met and conferred, and have agreed to amend and replace subsection 7.12.06 in its entirety, as follows:

7.12 HOURS AND WORK SCHEDULES, MATRIX ASSIGNMENTS, DUTY OFFICE, NON-MINIMUM STAFFING, MINIMUM STAFFING, AND ABSENT WITH SUBSTITUTE (AWS)  

7.12.06 Minimum Staffing Requirements:  

The department and the FPOA agree to minimum staffing requirements within the patrol matrix, individual to each shift and district.

Minimum staffing requirements will be reviewed annually, no less than thirty (30) days prior to the annual patrol matrix signups, in an attempt to come to an agreement regarding minimum staffing requirements. The needs of the department, safety of the officers, and safety of the community will all be considered in evaluating the minimum staffing requirements. The Association will designate up to two (2) representatives who will serve as advisors in the department’s process of determining annual staffing recommendations.

The department reserves the right to determine minimum staffing levels in patrol, by shift and district, for any given patrol matrix period. Minimum staffing levels for each shift and district shall be established and provided to the abovementioned FPOA representatives prior to the annual matrix signups. The established minimum staffing levels shall remain in effect for the entire matrix period absent a significant change in circumstances due to matters outside the control of the department, or the restructuring of units, shifts, or districts. Should such a change occur, the department will meet with the designated representatives referenced above.

For the purpose of satisfying minimum staffing requirements, only officers assigned to work an entire shift, or partial shifts that when combined cover an entire shift, in patrol matrix duties will be counted. Partial shifts or personnel with auxiliary duties (i.e., wagon driver, K-9, traffic units) whose primary function is not responding to calls for service will not be counted under minimum staffing requirements.
"Partial shift exception: Officers flexed for mandated training shall be counted toward minimum staffing, so long as their working hours will cover at least 60% of their regularly assigned shift.

The department may utilize staffing software in the deployment of patrol personnel (policing districts). Deployment is inclusive of the number and scheduling of shifts, the number and configuration of policing districts, members assigned to each shift, and the day off configuration * * * or rotation of days off. Data used to develop staffing recommendations at the beginning of each matrix period, and the resulting district and shift minimum staffing levels will be based on the number of personnel assigned to the patrol matrix who are not expected to be on injury or other absence status longer than thirty (30) days into the matrix period.

This Side Letter of Agreement revokes and replaces any and all prior Side Letters of Agreement regarding minimum staffing and * * * shall be effective on the date below until the implementation of a successor MOU. This subject will be addressed in the successor MOU.
