

CHANGES *are* COMING!

Beginning **January 1, 2018**, new water violation fines will take effect. Please take this time to make sure your automatic sprinkler timer is set for the correct day and time to avoid unnecessary fines.

With cooler weather and the need for less water on the horizon, check your sprinklers for issues, as this will help prevent future potential fines.

For questions, contact Water Conservation at waterconservation@fresno.gov or 621-5480.

*ALL WATER VIOLATIONS THAT OCCUR IN A MONTH WILL BE TREATED AS A SINGLE MONTHLY VIOLATION

1ST
VIOLATION*

WARNING

2ND
VIOLATION*

\$50.00

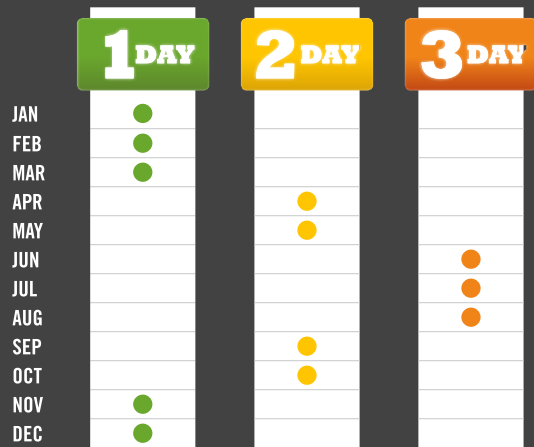

3RD
VIOLATION*

\$100.00

4TH
VIOLATION*
(& EVERY ADDITIONAL)

\$200.00

2018 WATERING SCHEDULE

The Three-Day Watering Schedule will be in effect through **January 1, 2018**. Beginning next year, the watering schedule will be based on calculation of the average monthly rainfall and temperature.

TRASH GOES IN THE GRAY

THERE'S
NO OTHER
WAY!

Let's keep contamination out
of the blue recycling cart!

Hotline at 621-1111 for more information!

FOG

IS NOT
YOUR FRIEND!

Fats, oils, and grease (FOG) can
harden in sewer pipes, creating costly
clogs and backups. **Always** put FOG into
your trash – **never** down your drain!

Call 621-1496 to report Sanitary Sewer Overflows
or backups or for additional information.
