

# APPLICATION FOR LONG-TERM (ANNUAL) EXEMPTION PERMIT

## INSTRUCTIONS:

Please complete this form to the best of your ability. Once the application has been received, you will be contacted by Water Conservation to schedule an appointment for a site visit to verify that all exemption requirements are met. If you have any questions about your application, contact Water Conservation at (559) 621-5480.

- Property with multiple addresses
  - Property with turfed or landscaped areas of two acres or larger
  - Property without street address
  - Property with drip irrigation system for community or residential fruit and vegetable garden and fruit trees

## PROPOSED ALTERNATE OUTDOOR WATER USE SCHEDULE:

Please provide a proposed alternate schedule for outdoor water use that would potentially meet the landscaping needs of the property. Water Conservation staff will evaluate the proposed schedule during the site visit and will either modify or approve the proposed schedule, if the property qualifies for exemption. If irrigation systems can be adjusted to maintain current outdoor water use schedules without harming plant material, the exemption application will be denied.
