

Micro (Drip) Irrigation Rebate Program

QUALIFYING MICRO (DRIP) IRRIGATION SUPPLIES

Any drip emitter, including multi-outlet emitters, must have a flow rate of **4 gallons per hour or less** to qualify for this rebate. Only newly-purchased drip irrigation supplies qualify for this rebate. Used components are not eligible.

More information about qualifying micro (drip) irrigation supplies can be found on the manufacturers' websites listed below. The list below is a list of suggested options and resources for customers and is in no way a comprehensive list of qualifying supplies.
