KEEP YOUR DRAIN FOG-FREE THIS THANKSGIVING

For your upcoming holiday feasts, scrape your plate and platters into the gray cart and capture any cooking grease! When FOG (Fats, Oils, and Grease) is washed down the drain, it increases the risk of sanitary sewer overflows (SSOs) and backups which can be costly to our City.

**To report SSOs or backups,
call (559) 621- CITY or 3-1-1**
