

SAVE WATER & MONEY WITH OUR REBATES

Looking for new ways to save money?

Wondering how to reduce your water usage? It's easier than you may think! We proudly offer rebates to help you install appliances or update your landscaping with more water-wise options. Our rebates include:

**Clothes
Washer**

**Residential
Toilets**

**Lawn
Replacement**

See our full list of rebates and
apply today at fresno.gov/water.

Take Pride & Beautify Fresno

It's time to show our City some love! "Beautify Fresno" is a city-wide effort to help clean up our community and reduce litter in our neighborhoods. Here's how you can help: if you see someone littering or illegally dumping items (such as dumping trash on a public road), you can report it on the FresGo app. Download the app for free today and help us Beautify Fresno!
