

How-To-Use New Passes and Ride Cards

www.fresno.gov/bus-fare-pass

31-Day Passes

How do I activate my new 31-Day pass?

Insert your pass on the top left side of the farebox. When activated, the farebox will beep and return your pass.

How do I use my 31-Day pass?

Swipe your pass on the top, right side of the farebox.

How will I know how many days are left on my 31-Day pass?

- The expiration date and time will be printed on the back of your pass when you first activate it.
- The screen on the farebox will show the expiration date when processing your pass.

How will I know when my pass has expired?

The expiration date is printed on the back of your pass.

Ride Cards

How do I use my Ride Card?

Insert your ride card on the top left side of the farebox. When read, the farebox will beep and return your card.

How will I know how many rides are left on my ride card?

Rides taken are printed on the back of your ride card.

How will I know when my ride card has expired?

- The back of your card will show "NO RIDE".
- The card reader sounds an alert when you insert it into the card reader.

What do I do if I have problems?

Go to the FAX Manchester Transit Center Office at the Manchester Mall or call (559) 621-7433
