

FAX Fixed-Route System Restructure Study

WE NEED YOUR HELP DEFINING FAX TRANSIT SERVICE FOR 2018 AND BEYOND

The City of Fresno is making a significant investment to improve Fresno Area Express (FAX) services. We need your help envisioning a FAX transit system that reflects your and the community's needs to improve your experience on FAX. With rapid growth, auto-oriented development, and strict air quality and environmental justice requirements, FAX is challenged with maintaining a sustainable and efficient public transportation system that addresses your needs!
