

# What Is New At FAX - July 2018

*July 12, 2018*

## **FAX Testing Bus Service to Inspiration Park**

Bus service is now being provided to Inspiration Park for the summer!

As part of a demonstration project to test rider demand, Route 9 is now running 30 minute headways to Inspiration Park on Monday through Friday, 6:00 AM to 6:00 PM.

As stated previously, this is a demonstration project that will end on August 10, 2018. This will help FAX build a service to the park in the future.

Inspiration Park is one of the City of Fresno's newest parks. Built on eight acres on the corner of Gettysburg and Polk in West Fresno, it offers a variety of sports and recreation areas and is built from the ground up with total accessibility in mind. This is significant in that Inspiration Park is also home to the first ever universally-accessible skate park in the nation.

If you have young children, perhaps it might be worth a visit as your neighbors give it 4 stars. [Read their reviews on Yelp.](#)

## **Community De-Briefing on the Route Restructuring Project**

Fresno Area Express, with input from many of you has been working on the FAX Route Restructuring project over the last several months. The purpose of this project was to update the FAX Fixed-Route transit system to better reflect the transit needs of our current FAX riders.

The project has since been completed with the findings presented to the Fresno City Council on June 24, 2018 in the form of a workshop. Having addressed the concerns of the City Council, FAX is now proceeding to the next step in the process, the community debriefing.

Fresno Area Express will be holding a community debriefing to present the findings from the Route Restructuring project that was recently presented to the Fresno City Council.

The details for the Community De-Briefing on Route Restructuring is as follows:
